Joseph Hillis Miller

Religious Trends In English Poetry Volume 5:

Religious trends in english poetry, vol. 5, 1880-1920 Hoxie neale Fairchild,1962 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **A Reference Guide for English Studies** Michael J. Marcuse,2023-11-15 *D. H. Lawrence* Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time *Oscar Wilde's Aesthetic Education* Leanne Grech,2019-04-06 This book focuses on the role that the Oxford classical curriculum has had in shaping Oscar Wilde s aestheticism It positions Wilde as a classically trained intellectual and outlines the path he took to gain recognition as a writer and promoter of the aesthetic movement This narrative is conveyed through a broad range of literary sources including Wilde s travel poetry American lectures and canonical works like The Critic as Artist The Soul of Man The Picture of Dorian Gray and De Profundis This study proposes that Wilde approached aestheticism as a personalised self directed learning experience a mode of self culture which could be used to maintain an intellectual life outside of the university It also explores Wilde s thoughts on education and considers the significance of male friendship at Oxford and in Wilde s life and literature *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1964 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **The Publishers Weekly** ,1917 **Lost Chords and Christian Soldiers** Ian Bradley,2013-07-22 Arthur Sullivan is best known as W S

Gilbert's collaborator in the Savoy Operas Sullivan was regarded as the nation's leading composer of sacred oratorios on a par with Mendelssohn and Brahms Ian Bradley provides the first detailed comprehensive critical study and review of Sullivan's church and sacred music

Theory Now and Then Joseph Hillis Miller, 1991 This publication brings together the more overtly theoretical essays by J Hillis Miller published between 1966 and 1989 Dust jacket Oscar Wilde Norbert Kohl, 2011-03-03 Professor Kohl's aim is to gain fresh insight into his literary and critical oeuvre of Oscar Wilde He analyses each of his works on the basis of a textually oriented interpretation taking equal account of the biographical and intellectual contexts through the use of contradictions that Wilde show as individualism and convention The Reader's Adviser

Winifred F. Courtney, Sarah Land Prakken, 1974 **Keats** Robert M. Ryan, 2024-01-09 A landmark account of how Keats's religion shaped his life and poetry John Keats 1795-1821 was an earnest seeker after truth who believed in the existence of a Supreme Being and felt a need to investigate the consequences and ramifications of that belief Keats The Religious Sense reconstructs the historical social and intellectual environment that fostered Keats's religious convictions and describes the faith he adopted for himself In this landmark book Robert Ryan follows Keats's religious development through its observable chronological stages beginning with the process by which he abandoned the Christian faith of his upbringing Ryan shows how religious speculation and discussion played a significant formative role in the poet's intellectual development especially in the years of his greatest achievement and argues that Keats's critical judgments of Shakespeare Milton and Wordsworth as well as some of his famous theoretical pronouncements on poetry including his remarks on negative capability and the truth of Imagination cannot be fully understood without understanding the religious context in which they were made

Edward Caswall Nancy Marie De Flon, 2005 Satirist humorist Church of England vicar and convert to Roman Catholicism Edward Caswall 1814-1878 was one of the nineteenth century's most important hymnologists posterity is indebted to him for both his original and translated hymns including See amid the winter's snow Jesu the very thought of thee and At the Cross He was moreover the faithful financial and administrative mainstay of Newman's Oratory in Birmingham from the time of his conversion in 1847 until his death some thirty years later This new biography of Edward Caswall is the first systematic investigation of the life and work of a man whose spiritual journey from Anglicanism via Tractarianism to Roman Catholicism exemplifies the personal and theological dilemmas experienced by many during that era Based on extensive archival research it will be welcomed by readers interested in Newman nineteenth century hymnody and poetry and Victorian history An important contribution to Newman studies GERARD TRACEY late archivist of the Birmingham Oratory Nancy de Flon steers the reader through the fascinating family background and Oxford years of her subject and does much to explain Caswall's own distinctive path to Rome before treating his fruitful Oratorian years the particular strength of de Flon's study however is the extent to which she focuses on and draws out Caswall's outstanding literary poetical and devotional genius PETER NOCKLES Nancy de Flon earned her Ph.D in Church History from Union

Theological Seminary in New York Now an editor for Paulist Press Nancy de Flon was formerly Visiting Professor of Church History at Union Seminary and Adjunct Professor of Church History at Long Island's Immaculate Conception Seminary She has also taught at the Centre for Marian Studies at Lampeter in mid Wales Eliot and His Age Russell Kirk,2023-07-04 Though much has been written about T S Eliot since it was first published Eliot and His Age remains the best introduction to the poet's life ideas and literary works It is the essential starting place for anyone who would understand what Eliot was about Russell Kirk's view of his older friend is sympathetic but not adulatory His insights into Eliot's writings are informed by wide reading in the same authors who most influenced the poet as well as by similar experiences and convictions Kirk elaborates here a significant theory of literary meaning in general showing how great literary works awaken our intuitive reason giving us profound visions of truth that transcend logical processes And he traces Eliot's political and cultural ideas to their true sources showing the balance and subtlety of Eliot's views Eliot and His Age is a literary biography that will endure when much of the more recent writing on Eliot is gathering dust *Epic* Herbert F. Tucker,2012-11-29 Literary history has conventionally viewed Milton as the last real practitioner of the epic in English verse Herbert Tucker's spirited book shows that the British tradition of epic poetry was unbroken from the French Revolution to World War I *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson,1940 Christina Rossetti Diane D'amico,1999-12-01 Since Arthur Symonds's declaration in 1895 in the Saturday Review that Christina Rossetti was among the great poets of the nineteenth century Rossetti's image among critics has undergone permutations as divergent as Victorian culture is from postmodern Now Diane D Amico redeems Rossetti from the various one dimensional castings assigned her across the generations those of a saint writing poetry for God of a sexually repressed neurotic woman of minor talent and most recently of a subversive feminist questioning the patriarchy and renders a fuller more intricate understanding of the poet than any to date With flawless logic balance and clarity D Amico seals her case that Rossetti's faith her gender and the times in which she lived should all be considered to appreciate her poetic voice According to D Amico the image of Rossetti that can best serve as a guide to her more than one thousand poems reflects the centrality of her faith not as evidence of sexual repression nor necessarily as absolute truth but as absolute truth for Rossetti It will then become apparent how Rossetti's commitment to her Christian faith her experience as a Victorian woman and her poetic vocation are inextricably interwoven *Christina Rossetti: Faith, Gender and Time* Diane D'Amico,1999 **The Future of Corporate Globalization** Jeremiah J. Sullivan,2002-03-30 Paradigms are shifting The capitalist market model or extended order whose globalization forces support the business methods of multinational corporations is giving way to the Global Village model one of justice virtue stability and national sovereignty Sullivan contends that by creating conditions for opposition globalization may be dooming itself Here he explains the shifting paradigm and considers its likely impact on corporate conduct Companies ignoring the growing chorus of discontent with globalization do so at their peril But those who adapt to new realities will not merely survive they

will prosper This book details the adaptations that corporations need to implement to safeguard their roles in the future Corporate governance bodies will increasingly include NGO representatives and employees Justice stability virtue and national cultural identity will become corporate goals alongside the profit motive Customer relationships will become enriched by mutual obligations and trust Risky global corporate strategies will have less appeal than more stable avenues of action Employee relations will increasingly take into account workers growing desire for meaningful labor whose rewards entail more than financial remuneration Managers will become more like public servants and less like independent agents The persistence of these trends accelerated by the growing power of the Internet to bring far flung activists together in pursuit of common goals threatens the existing order as never before **Byron, the Bible, and Religion** Wolf Z. Hirst, 1991-07 This work consists of eight essays selected from papers given at the Twelfth International Byron Symposium Much of Byron s poetry is examined but the focus is on the Mysteries and Don Juan The subjects include the Cain figure Byron s skepticism his attitude toward Christianity and religion in general and his literary use of the Bible
