

Jonah, The Reluctant Prophet: *Preaching*

A detailed illustration of the prophet Jonah. He is depicted from the chest up, wearing a white head covering and a brown robe. His right arm is raised high, with his hand clenched in a fist, as if he is shouting or preaching with great passion. His facial expression is one of intense emotion, with his mouth open and eyes looking upwards. The background is a solid, vibrant blue.

The Reluctant Prophet T. Davis Bunn,Davis Bunn,2001-04-08 Buddy Korda s story as a mild mannered small town banker obeying God s call to prophesy is captured in this one volume of The Reluctant Prophet The Warning starts off with the recurring nightmare which turns into an incredible message from God Buddy s prediction that America is heading toward economic collapse puts his job family and his life into jeopardy What if he risks it all and no one believes him The Ultimatum picks up eighteen months later Through the gloom and doom Buddy calls the nation to repentance The Holy Spirit leads him to Washington D C where he coordinates a movement to bring America face to face with its heritage despite the efforts of the Washington power brokers Jonah Erica Brown,2017-08-30 In Jonah The Reluctant Prophet Dr Erica Brown takes us on a journey over land and sea in the footsteps of the Bible s most recalcitrant prophet Melding traditional commentators rabbinic

literature modern biblical scholarship psychological sensitivity and artistic imagination Brown travels through the four chapters of Jonah s story tracing his call to leadership his subsequent intransigence his momentary rise to duty and his tragic resignation in an effort to discover God s ultimate lesson for him With insight and feeling Brown provides us with a glimpse into the tormented soul of the prophet as he grapples with the notion of a forgiving God who is concerned even with the welfare of Israel s strongest adversary As God struggles to teach His prophet to expand his vision and take up his divine mission we come to understand the Divine call given to each of us to rise up to the possibility of greatness After all if God can change His plan we can change as well *Jonah* Mary Ann Bishop,2020-07 Jonah s struggle is our struggle His pride and presumption is a reflection of our heart His reluctance to do what God asked of him is a reminder that we too find it difficult to trust God when we do not understand His ways By examining God s work through the reluctant ministry of Jonah this book will strengthen the faith of every serious student of God s word whose desire is to better understand His heart for all people and our responsibility to reach them with the gospel

Men in the Bible John F. O'Grady,2005 MEN IN THE BIBLE explores the lives of twelve men whose lives figure prominently in Scripture six each from the Old and New Testaments Throughout the text John O Grady is careful to keep these stories in perspective and focuses on the historical and archaeological evidence surrounding them The profiles presented here represent the entire span of biblical history from Adam and Abraham to Jesus and his followers Among them are such familiar figures as Moses David Jeremiah Jesus John the Baptist Peter and Judas Apart from Jesus all the subjects in this book have flaws some of them quite serious Often their noble qualities are obscured by such negative traits as pettiness meanness jealousy anger and pride These bad and ugly aspects make the rough edges more than evident Yet these same individuals are bound together by a common faith in God Even Judas must have had considerable talents and generosity to be included among the twelve disciples As in biblical times people today also represent a spectrum of traits some good some bad and some downright ugly But the author demonstrates that because of the goodness of God the bad and the ugly never eradicate the presence of goodness He explains how such stories from the past can serve as examples for people today By fully understanding the character of each of the men covered in this work we can overcome the dark side of our natures and learn to become stronger and better people
