Intended as a rich resource for all with an interest in Roman Catholicism the writings have been carefully selected and edited by a team of scholars with historical theological and literary expertise. Each author is introduced to provide context for the included extracts and the chronological arrangement of the anthology makes the volume easy to use whilst creating a fascinating overview of the modern era in English Catholic thought. The extracts comprise a wide variety of writing genres: sermons, prayers, poetry, diaries, novels, theology, apologetics, works of controversy, devotional literature, biographies, drama and essays. Includes writings by John Colet, John Fisher, Thomas More, Robert Southwell, Philip Howard, Edmund Campion, John Gower, John Dryden, Mary Barker, Alexander Pope, Richard Challoner, Alban Butler, John Milner, Elizabeth Inchbald, Nicholas Wiseman, Margaret Mary Hallahan, A. Discourses Addressed to Mixed Congregations John Henry Newman, 1849 **The Village That Died for England** Patrick Wright, 2021-09-14 A reissue of Patrick Wright's 1995 classic about the military takeover of the village of Tyneham with a new introduction taking in Brexit and a new wave of British nationalism. Shortly before Christmas in 1943 the British military announced they were taking over a remote valley on the Dorset coast and turning it into a firing range for tanks in preparation for D Day. The residents of the village of Tyneham loyally packed up their things and filed out of their homes into temporary accommodation yet Tyneham refused to die. Although it was never returned to its pre-war occupants and owners Tyneham would persist through a long and extraordinary afterlife in the English imagination. It was said that Churchill himself had promised that the villagers would be able to return once the war was over and that the post-war Labour government was responsible for the betrayal of that pledge. Both the accusation and the sense of grievance would reverberate through many decades after that. Back in print and with a brand new introduction this book explores how Tyneham came to be converted into a symbol of posthumous England, a patriotic community betrayed by the alleged humiliations of post-war national history. Both celebrated and reviled at the time of its first publication in 1995, *The Village that Died for England* is indispensable reading for anyone trying to understand where Brexit came from and where it might be leading us. Insights Peter Haverty, 2020-10-29 My first attempt at writing was based on the fact that I had collected over the years

about 500 quotations from Catholic spiritual authors and I selected about 20 of these which I classified as Insights I printed them off in a hurry because I thought I was going to die in an impending operation For a long time while preaching I had decided that to win a hearing from the congregation any discourse needs an arresting mother idea or insight On recovering I thought I could make it into a decent sized book by adding on some 20 meditations on the topics following the sequence I use for a retreat This part constitutes Part Two of the present proposed book The style of English corresponds I suppose to what was current in the 1950 s Although over the years I have tended to preach in a conversational way
