overwork partly because he let his second wife talk him into refusing medical help leading to a scandalous court case Myers concentrates on four main themes Frederic as an expatriate his work as representative of the transition from realism to naturalism in American literature Frederic as a transitional author in the shift from 19th century to 20th century styles of publishing and Frederic as a representative of the fin de siecle Myers has worked extensively with Frederic s correspondence as well as in publishers archives especially Scribner s and he sees Frederic as a writer who flourished just as the American literary marketplace was being transformed from the rather poky 19th century model into the faster paced 20th century version so familiar today This biography will interest not just specialists and Frederic scholars but also anyone with an interest in American literary culture in one of its defining moments *The Damnation of Harold Frederic* Bridget Bennett,1997 An examination of the dual life of Harold Frederic 1856 1898 as well as of his writing which includes *The Damnation of Theron Ware* The complexity of his life as an American living in London echoes his ambivalence about his double career in journalism and fiction writing **The Martyrdom of Maev and Other Irish Stories** Harold Frederic,2015-09-12 *The Martyrdom of Maev and Other Irish Stories* gathers for the first time all of the Irish work Harold Frederic completed in his lifetime He planned more but died of a stroke in his early forties in England where he was employed as The New York Times London Correspondent He had earlier written his publisher that he had been toiling for years on the archeology of the Iveagha present Mizen Peninsula in Cork and that the projected book of historical fiction underway would be unique *The Martyrdom of Maev and Other Irish Stories* brings together the four sixteenth century stories that Frederic finished and published in magazines in 1895 96 and two of his stories set in the west of Ireland of the second half of the nineteenth century **A Stephen Crane Encyclopedia** Stanley Wertheim,1997-10-28 The publication of *The Red Badge of Courage* in 1895 brought Stephen Crane instant fame at age 23 At 28 he was dead In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged From his adolescence until his death Crane was a professional journalist To this day most educated American readers know him only as the author of the most realistic Civil War novel ever written three or four action packed short stories and a handful of iconoclastic free verse poems Crane was befriended and admired by some of the most important literary figures of his time such as William Dean Howells Willa Cather Joseph Conrad Henry James and H G Wells He has also been called a realist a naturalist an impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane s short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane s immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of

genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing

Swoon: Great Seducers and Why Women Love

Them Betsy Prioleau, 2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to enswoon women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they've finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova's conquests remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women's record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve

Living in sin Ginger Frost, 2013-07-19 *Living in sin* is the first book length study of cohabitation in nineteenth century England based on research into the lives of hundreds of couples Common law marriages did not have any legal basis so the Victorian courts had to wrestle with unions that resembled marriage in every way yet did not meet its most basic requirements The majority of those who lived in irregular unions did so because they could not marry legally Others chose not to marry from indifference from class differences or because they dissented from marriage for philosophical reasons This book looks at each motivation in turn highlighting class gender and generational differences as well as the reactions of wider kin and community Frost shows how these couples slowly widened the definition of legal marriage preparing the way for the more substantial changes of the twentieth century making this a valuable resource for all those interested in Gender and Social History
