

# Remaking America

An aerial, slightly angled view of a landscape. The terrain is terraced into several levels, with a winding river or path cutting through the center. Small, simple houses are scattered across the terraces. The colors are muted, with greens, browns, and greys.

A new stream-  
lined America is being built in  
out of the world of tomorrow.

*By Jay Franklin*

# Remaking America

**Richard McCormack**

## Remaking America:

**Remaking America** John Bodnar, 2020-07-21 In a compelling inquiry into public events ranging from the building of the Vietnam Veterans Memorial through ethnic community fairs to pioneer celebrations John Bodnar explores the stories ideas and symbols behind American commemorations over the last century Such forms of historical consciousness he argues do not necessarily preserve the past but rather address serious political matters in the present Remaking America John E. Bodnar, 1992 *Remaking America* Joe Soss, Jacob S. Hacker, Suzanne Mettler, 2007-11-08 Over the past three decades the contours of American social economic and political life have changed dramatically The post war patterns of broadly distributed economic growth have given way to stark inequalities of income and wealth the GOP and its allies have gained power and shifted U S politics rightward and the role of government in the lives of Americans has changed fundamentally Remaking America explores how these trends are related investigating the complex interactions of economics politics and public policy Remaking America explains how the broad restructuring of government policy has both reflected and propelled major shifts in the character of inequality and democracy in the United States The contributors explore how recent political and policy changes affect not just the social standing of Americans but also the character of democratic citizenship in the United States today Lawrence Jacobs shows how partisan politics public opinion and interest groups have shaped the evolution of Medicare but also how Medicare itself restructured health politics in America Kimberly Morgan explains how highly visible tax policies created an opportunity for conservatives to lead a grassroots tax revolt that ultimately eroded of the revenues needed for social welfare programs Deborah Stone explores how new policies have redefined participation in the labor force as opposed to fulfilling family or civic obligations as the central criterion of citizenship Frances Fox Piven explains how low income women remain creative and vital political actors in an era in which welfare programs increasingly subject them to stringent behavioral requirements and monitoring Joshua Guetzkow and Bruce Western document the rise of mass incarceration in America and illuminate its unhealthy effects on state social policy efforts and the civic status of African American men For many disadvantaged Americans who used to look to government as a source of opportunity and security the state has become increasingly paternalistic and punitive Far from standing alone their experience reflects a broader set of political victories and policy revolutions that have fundamentally altered American democracy and society Empirically grounded and theoretically informed Remaking America connects the dots to provide insight into the remarkable social and political changes of the last three decades Remaking America Richard McCormack, 2013-07-10 Remaking America (Classic Reprint) Jay Franklin, 2015-07-07 Excerpt from Remaking America About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a

blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Remaking America Is Up to You!* George Lopac Jr.,2019-11-19 Remaking America Is Up to You The Future Is Outside the Box By George Lopac Jr Today s America is a crippled republic that has fallen victim to political parties a lack of common sense and insanity doing the same thing over and over and expecting to create improvements Author George Lopac Jr believes America is in a desperate time that calls for desperate measures Lopac declares that before designing the future we must learn from the past and understand the present Remaking America is a critical look at America today with thoughtful ideas and plans to shape it into something better Lopac tackles issues including the Electoral College the federal debt the election process universal free education and health care alternate sources of funding and above all using a new paradigm for common sense as a guide

*Latinos* Marcelo M. Suárez-Orozco,Mariela Páez,2008 Latinos brings together the most sophisticated thinking on the changing intellectual complexion of America Henry Louis Gates Jr author of Thirteen Ways of Looking at a Black Man

Remaking America Jay Franklin,1942 **America** Dinesh D'Souza,2014-06-02 1 New York Times Bestseller Is America a source of pride as Americans have long held or shame as Progressives allege Beneath an innocent exterior are our lives complicit in a national project of theft expropriation oppression and murder or is America still the hope of the world Dinesh D Souza says these questions are no mere academic exercise It is the Progressive view that is taught in our schools that is preached by Hollywood and that shapes the policies of the Obama administration If America is a force for inequality and injustice in the world its power deserves to be diminished if traditional America is based on oppression and theft then traditional America must be reformed and the federal government can do the reforming In America Imagine a World without Her D Souza offers a passionate and sharply reasoned defense of America knocking down every important accusation made by Progressives against our country Provocative in its analysis stunning in its conclusions Dinesh D Souza s America is a new classic

**Returning to America** Mark Dean,2007-09 In this work Dean discusses ways for the American public to have a stronger voice than its politicians how to end political corruption in a year and how to end competition with low paid foreign worker Christian

*America in the Seventies* Beth L. Bailey,2004 The seventies witnessed economic decline in America coupled with a series of foreign policy failures events that created an air of unease and uncertainty This volume examines the ways in which Americans responded to a changing world and sought to redefine themselves

Survival and Revival of the American Dream Ernst G. Frankel,2013-11-12 This book is about the criticism of the American economic strategy

**Making, Unmaking and Remaking America** Loretta Valtz Mannucci,2000 The Immigration Crisis Armando Navarro,2008-11-16 Immigration remains one of the most pressing and polarizing issues in the United States In The Immigration Crisis the political scientist and social activist Armando Navarro takes a hard look at 400 years of immigration into the territories that now form the United States paying particular attention to the ways in which immigrants have been

received The book provides a political historical and theoretical examination of the laws personalities organizations events and demographics that have shaped four centuries of immigration and led to the widespread social crisis that today divides citizens non citizens regions and political parties As a prominent activist Navarro has participated broadly in the Mexican American community s responses to the problems of immigration and integration and his book also provides a powerful glimpse into the actual working of Hispanic social movements In a sobering conclusion Navarro argues that the immigration crisis is inextricably linked to the globalization of capital and the American economy s dependence on cheap labor

**Future Right** Donald T. Critchlow, 2016-05-10 Contrary to those who argue that demographics are political destiny social trends are transforming identity categories of race gender and youth all of which provide rich opportunities for Republicans to create a new majority To accomplish this Republicans will need imagination and political acumen if they are to win over those constituencies that have become the base of the Democratic Party minorities young women and millennials Behind the reality of current voting patterns which without doubt presents a gloomy future for the Republican Party social trends and a deeper analysis of political attitudes reveal there is much room for Republican optimism In this critical data driven book Future Right Donald Critchlow explores strategies for the right that will help them succeed where Democrats are floundering how to speak to the new population of a rising and successful minority class and how to reform the salacious alliance between the government and the one percent It is time for Republicans to adapt to societal trends for the creation of a new transformative politics that will not only help them win the future elections but revive a system long overrun by outmoded top heavy politics

**American Cultural Studies** Neil Campbell, Alasdair Kean, 2016-01-29 Exploring the central themes in modern American cultural studies and discussing how these themes can be interpreted American Cultural Studies offers a wide ranging overview of different aspects of American cultural life such as religion gender and sexuality regionalism and ethnicity and immigration The fourth edition has been revised throughout to take into account the developments of the last four years Updates and revisions include discussion of Barack Obama s time in the White House consideration of Hemispheric American Studies and the increasing debates about globalisation and the international role of the USA long form television and American Studies up to date case studies such as Girls The Wire and Orange Is the New Black more material on Detroit the Mexican border same sex relationships and Islam in America updated further reading lists and new follow up work Illustrated throughout containing follow up questions and further reading at the end of each chapter and accompanied by a companion website [www.routledge.com/cw/campbell](http://www.routledge.com/cw/campbell) providing further study resources American Cultural Studies is a core text and an accessible guide to the interdisciplinary study of American culture

**Noncitizen Voting and American Democracy** Stanley A. Renshon, 2009-08-16 Continuing large scale migration to the United States raises the question of how best to integrate new immigrants into the American national community Traditionally one successful answer has been to encourage immigrants to learn our language culture history and civic traditions New immigrants would then be

invited become citizens and welcomed as full members of the community However a concerted effort is underway to gain acceptance for and implement the idea that the United States should allow new immigrants to vote without becoming citizens It is mounted by an alliance that brings together progressive academics law professors local and state political leaders and community activists all working to decouple voting from American citizenship Their effort show signs of success but is it really in America s best interests to allow new immigrants to have the vote Their proposals have been much advocated but little analyzed Neither a polemic nor a whitewash Stanley A Renshon provides a careful analysis of the arguments put forward by advocates of this position on the basis of fairness increasing democracy civic learning and moral necessity and asks Do they really help immigrants become Americans

**Getting Immigration Right** David Coates,2009 Experts address the most vexing questions of the immigration debate

**Salsa, Soul, and Spirit** Juana Bordas,2012-03-25 A practical guide to leadership in America s ever increasingly diverse workforce featuring approaches from non European and non white communities Our nation is quickly becoming a multicultural cornucopia Tapping the potential of our changing demographics requires a leadership approach that resonates with our growing diversity In Salsa Soul and Spirit Juana Bordas shows how incorporating Latino African American and American Indian approaches to leadership into the mainstream has the potential to strengthen leadership and inspire today s ethnically rich workforce Bordas identifies nine leadership principles common to all three cultures Principles deeply rooted in each culture s values and developed under the most trying conditions Using a lively blend of personal reflections interviews with leaders historical background and insightful analysis she shows how these principles were developed and illustrates the creative ways they ve been put into practice Bordas weaves these principles together into a multicultural model that offers a more flexible and inclusive way to lead Multicultural leadership resonates with many cultures and encourages diverse people to actively engage contribute and tap their potential In a globalized economy success for leaders will rest on their ability to shift to a multicultural approach Salsa Soul and Spirit provides conceptual and practical guidelines for beginning that process The revised and updated second edition speaks to how the Millennial generation value diversity and resonate with the leadership principles in communities of color This wonderful book made me want to dance with joy In Western society we suffer from a loss of community and spirit because we re so disconnected American Indian Latino and African American cultures have never forgotten that we need to be together and that diversity is not a problem but a blessing May this book lead you to discover what we ve been missing each other Margaret J Wheatley author of Leadership and the New Science Juana Bordas has broken new ground She has documented and analyzed the effective and unique practices of Latino Black and American Indian leaders Salsa Soul and Spirit is a fascinating read that shows us the road to leadership for a multicultural America John Echohawk Pawnee executive director The Native American Rights Fund

**The Brooklyn Bridge** Richard Haw,2005 Bringing together more than sixty images of the bridge that over the years have graced postcards magazine covers and book jackets and appeared in advertisements

cartoons films and photographs Haw traces the diverse and sometimes jarring ways in which this majestic structure has been received adopted and interpreted as an American idea Haw s account is not a history of how the bridge was made but rather of what people have made of the Brooklyn Bridge in film music literature art and politics from its opening ceremonies to the blackout of 2003 BOOK JACKET
