Remarkable Past Tales From My Country And The Wild Frontier:

The Wild Frontier Pierre Berton, 2012-06-19 Canada's wild frontier a land unsettled and unknown a land of appalling obstacles and haunting beauty comes to life through seven remarkable individuals including John Jewitt the young British seaman who became a slave to the Nootka Indians Dr Wilfred Grenfell the eccentric missionary Sam Steele the most famous of all Mounted Policemen and Isaac Jorges the 17th century priest who courted martyrdom Many of the stories of these figures read like the wildest of fiction Cariboo Cameron who after striking it rich in B C pickled his wife's body in alcohol and gave her three funerals Mina Hubbard the young widow who trekked across the unexplored heart of Labrador as an act of revenge and Almighty Voice the renegade Cree who was the key figure in the last battle between white men and Aboriginals in North America Spanning more than two centuries and four thousand miles this book demonstrates how our frontier resembles no other and how for better and for worse it has shaped our distinctive sense of Canada Colossal Canadian

Failures Randy Richmond, Tom Villemaire, 2002-09-01 Did you hear the one about the canal builder who forgot canals need water The battle where everyone ran away Or the boat made of ice and the town that mixed up time How about the shovel invented for soldiers with a hole in it Colossal Canadian Failures is a lighthearted look at Canada's unsung heroes the eccentrics the failures the misguided and the just plain overoptimistic who never met an idea they could resist no matter how crazy From engineering blunders to business and political failures and more Colossal Canadian Failures provides a muchneeded ego boost for anyone who thinks they've said oops one too many times **Pierre Berton** Brian

McKillop, 2011-06-22 The first ever biography of one of Canada's best known and most colourful personalities by an award winning author From his northern childhood on it was clear that Pierre Berton 1920-2004 was different from his peers Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once Berton dominated bookstore shelves for almost half a century winning Governor General's Awards for Klondike and The Last Spike among many others along with a dozen honorary degrees Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it But he had his critics too and some considered him egocentric and mean spirited Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for The Spinster and the Prophet Brian McKillop traces Pierre Berton's remarkable life with special emphasis on his early days and his rise to prominence The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures **Encyclopedia of Television** Horace Newcomb, 2014-02-03 The Encyclopedia of Television
