**Sidney Poitier** Aram Goudsouzian,2011-01-20 In the first full biography of actor Sidney Poitier Aram Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol his life and career illuminate America s racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess Who s Coming to Dinner* Poitier s middle class mannered virtuous screen persona contradicted prevailing film stereotypes of blacks as half wits comic servants or oversexed threats His screen image

and public support of nonviolent integration assuaged the fears of a broad political center and by 1968 Poitier was voted America's favorite movie star. Through careful readings of every Poitier film Goudsouzian shows that Poitier's characters often made sacrifices for the good of whites and rarely displayed sexuality. As the only black leading man during the civil rights era Poitier chose roles and public positions that negotiated the struggle for dignity. By 1970 times had changed and Poitier was the target of a backlash from film critics and black radicals as the new heroes of blaxploitation movies reversed the Poitier model. In the 1970s Poitier shifted his considerable talents toward directing, starring in, and producing popular movies that employed many African Americans both on and off screen. After a long hiatus he returned to starring roles in the late 1980s. More recently the film industry has reappraised his career and Poitier has received numerous honors recognizing his multifaceted work for black equality in Hollywood. As this biography affirms, Poitier remains one of American popular culture's foremost symbols of the possibilities for and limits of racial equality.

Ray, 2008-04-30 Speaking about the kind of filmmaking now known as Classic Hollywood the most popular and influential cinema ever invented Vincente Minnelli once gave away its secret I feel that a picture that stays with you is made up of a hundred or more hidden things They're things that the audience is not conscious of but that accumulate What are those hidden things Can we invent a method that will enable us to discover them Robert Ray attempts to answer those questions by looking closely at four movies from the 1930-1945 period when the American studio system reached the peak of its economic and cultural power *Grand Hotel* *The Philadelphia Story* *The Maltese Falcon* and *Meet Me in St Louis* To avoid the predictable generalizations that have plagued film studies Ray works with the movies details *Grand Hotel*'s room assignments or *Meet Me in St Louis*'s ketchup which are treated as mysterious but promising clues By producing at least one entry for every letter of the alphabet Ray demonstrates that a movie's details have much to tell us *The ABCs of Classic Hollywood* is a movie primer a deceptively simple book that spells out a fascinating account of the most powerful storytelling system ever designed
