## Remember Jesus:

Remember Jesus Christ Raniero Cantalamessa, 2007 What Places does Christ have in modern society Fr Cantalamessa the preacher to the papal household posed that question in a series of Advent and Lent meditations presented to Pope Benedict XVI In Remember Jesus Christ he explains that in order to bring people to Christ today the church needs to proclaim as simply and succinctly as the apostles did that Jesus Christ is Lord And the essential core of that proclamation is the passion and death of Jesus because the cross of Christ is the supreme proof of God's love for us Scripture personal testimonies and allusions to works of art reinforce Cantalamessa's powerful and prophetic message leaving readers with hope and expectant faith in the future of Christianity in the modern world Remembering Jesus Allen Verhey, 2005-06-14 In the past decade many Christians have embraced the What Would Jesus Do campaign which encourages them to base their decisions and actions on this question In Remembering Jesus the book that promises to be his magnum opus Allen Verhey takes a serious look at what Jesus really said and did and applies it to contemporary Christian ethics Verhey asserts that following Jesus requires remembering him and in order to do this Christians must read and understand Scripture where the memory of Jesus is found By remembering Jesus this book contributes to the effort of Christians to discern the shape and style of life worthy of the gospel More specifically this book displays the implications of Christian integrity for sexual medical economic and political ethics seeking to understand what Jesus would really have to say about these issues today While suitable for pastors and general readers looking for biblically based instruction on practical living this superb work also makes an ideal text for courses on Christian ethics **Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence** James Abdelmalek, 2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God's true promises We are sad in our life because we forget Christ's guidance If we look at God's words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord *Follow Jesus* Carol A. **Never Give Up** Michael Youssef,2022-03 What if the answers to our modern crises are found in ancient truths This book will give you the hope and courage you need to stay firm in your faith despite the circumstances going on around you You will keep your devotion to God and boldly share your faith The truth of the gospel is in great danger Biblical beliefs are being attacked Biblical morality is being assaulted Christians are being insulted for holding to the ancient truths found in the Scriptures We are in a fight to be heard and not canceled to share our faith amidst the cancel culture What is God s message to us this day What does He want from us in these troubled times Resilience Courage Faithfulness His call to us is to never give up Never give up on the infallible Word of God Never give up on the faith once delivered In his last letter the aged and imprisoned apostle Paul realized that his final days were approaching So he wrote his last legacy message for his beloved Timothy and for future generations of disciples namely you and me In *Never Give Up* Dr Michael Youssef echoes the words of the apostle Paul so that we may experience encouragement and know triumph in the midst of defeat With a sense of urgency we are called to the steadfast service of a certain conviction Despite hardship and suffering we can learn to be unwavering in our devotion As followers of Jesus too often we are tempted to throw in the towel give up the fight and give in to fear But we must not let that be our reality We have not been abandoned God is here Yet conviction is needed and service is required No matter what comes our way we must never give up

Davies, 2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the

development of Newtonian mechanics has led us to believe that God's laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus execution that are consistent with the twentieth and twenty first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus execution      **Robert E.
