Remembering The Golden Jet A Celebration Of Bobby Hull:

Remembering the Golden Jet Craig MacInnis, 2002-12-31 This fifth book in the popular Remembering series gives us an inside look at NHL legend Phil Esposito. When we think of Esposito's greatness, his two Stanley Cups, his record setting 76 goals in the 1970-71 NHL season, his heroic role in Team Canada's victory over the Soviets in the 1972 Summit Series, much of it seems explained by his ordinariness. Lacking the pure athleticism of teammate Bobby Orr or the dazzle of former Chicago linemate Bobby Hull, Esposito got by on qualities that seem more in line with the values of the average person: a proud work ethic, a sense of humour, and an unabashed desire to succeed. Maybe that's why hockey fans couldn't help but love him. The kid who'd been cut from midget and junior teams who'd been written off as too heavy and slow had somehow found the will to persevere and to become a legend. Beautifully designed and packed with photos and classic sports journalism, the books in the Remembering series are treasures of hockey nostalgia. *Remembering Phil Esposito* Craig MacInnis, 2003 During an illustrious career, Phil Esposito played for the Chicago Black Hawks, the Boston Bruins, and the New York Rangers. On the international front, he starred for Team Canada in the classic 1972 Summit Series as the leading individual scorer and inspirational leader of the team that defeated the Soviets in what many fans consider the best eight game series ever played. Dozens of vintage photographs and complete stats complete this tribute to an amazing superstar from hockey's golden era.

The Handy Hockey Answer Book Stan Fischler, 2015-10-13 Stan Fischler, hockey journalist since 1954 and Lester Patrick Award winner for contributions to hockey in the United States, covers the sport's history, its origins, rules, players, and more. Stick handlers without helmets, rushing goaltenders without masks, on rinks lacking sideboards gives way to a faster game with bigger players and overtime shootouts. The National Hockey League goes from a Canadian and regional sport to one that is watched by more fans throughout North America than ever. Hockey may have changed, but its essence and appeal remain. *The Handy Hockey Answer Book*, written by hockey historian, broadcaster, author, and self-professed Hockey Maven Stan Fischler, brings the game to life through exciting game action, vital stats, players, rules, and more. It traces the early spread of hockey, Lord Stanley's involvement, and the birth of the cup, then explains the rules, the equipment, strategies, and positioning before following the ups and downs of the National Hockey League and its teams and players. From the traditions, all-time cup and award winners, and record breakers to the modern game, *The Handy Hockey Answer Book* answers more than 800 questions on the game: greats, goals, and growing popularity of hockey, including: Where does hockey come from? What was the Stanley Cup first called? Where did the name Patrick Division come from and why are the Patrick brothers important? When was six-man hockey invented and who was its creator? What is a Zamboni and after whom was it named? What was the Gretzky Rule? How did the hockey puck develop its present shape? Which is the oldest current NHL team? Why is the term Original Six a misnomer? Which Hall of Famer trained on champagne? Who holds the Montreal Canadiens' franchise record for career goals? Who centered Gordie Howe and Ted Lindsay on Detroit's legendary Production Line? Which team was

the first to come back from being down 3 0 in a series Who played right wing on a line with Phil Esposito for the Bruins in the late 60s and 70s Who was the first European player to lead the league in scoring What NHL team won and lost the Stanley Cup on the same day Which hockey player was supposed to be kidnapped as part of a scheme to increase attendance at New York Rangers games Did an NHL club ever play all its home games of the Stanley Cup finals on the road Starting with a Middle Ages game resembling ice golf to the NHL s Original Six to the modern high school college and professional games this is a clear concise and illuminating primer to the game of hockey A glossary of terms and a bibliography for further reading round out this helpful primer on the sport **Kooks and Degenerates on Ice** Thomas J.
