Remembering Bradman:

Remembering Bradman Margaret Geddes,2003 Despite all the words written about him Sir Donald Bradman has long been something of an enigma A prisoner of his own fame he valued his privacy more than anything else yet as a point of honour answered every letter he received Only after his death could his diverse friends and colleagues feel free to share their personal reminiscences of the world s greatest batsman In his life both within and beyond cricket Bradman s foibles and obsessive pursuit of perfection are revealed as well as his private moments seemingly at odds with his public persona

Don Bradman Brett Hutchins,2002-09-23 This fascinating book takes a different look at Australia s all time sporting hero Sir Donald Bradman *Bradman Revisited* A. L. Shillinglaw,2013-09-09 Published in 2003 Bradman Revisited sold out as the first analysis of his batting technique to be supported by science Further research has necessitated this update We conclude Bradman s boyhood game with golf ball and stump which evolved naturally into his Continuous Rotary Batting Process was the foundation to his success [Playing on the Periphery](#) Tara Brabazon,2006-04-18 This is a very distinctive

text that will stand out from the standard more staid works in sport studies This is a sophisticated text that will appeal to the maturing readership in the area looking for new perspectives on sport Tara Brabazon is very well known in Australia both in academia and as a journalist Other texts in this area are all edited collections *The Bulletin* ,2006 **The Great**

Romantic Duncan Hamilton,2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn t know a leg break from the pavilion cat at Lord s he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist s aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown The Great Romantic uncovers the dark enigma within a golden age *Art, Mind, and Narrative* Julian Dodd,2016 This volume presents new essays on art mind and narrative inspired by the work of the late Peter Goldie Topics covered include the role of narrative thinking in our lives the nature of our imaginative engagement with fiction the emotions and their role in motivating action and the nature of conceptual art *Harold Larwood* Duncan Hamilton,2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever biography of Harold Larwood Larwood one of the most talented accurate and intimidating fast bowlers of all

time is mainly remembered for his role in the infamous Bodyline series of 1932-3 which brought Anglo Australian diplomatic relations to the brink of collapse Larwood was made the scapegoat and despite the fact he was simply following his captain's instructions he never played cricket for England again Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him Acclaimed author Duncan Hamilton has gained unprecedented access to the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend

The Visual in Sport Mike Huggins, Mike O'Mahony, 2013-10-18 This comprehensive novel and exciting interdisciplinary collection brings together leading international authorities from the history of sport social history art history film history design history cultural studies and related fields to explore the ways in which visual culture has shaped and continues to impact upon our understanding of sport as an integral element within popular culture Visual representations of sport have previously been little examined and under exploited by historians with little focused and rigorous scrutiny of these vital historical documents This study seeks to redress this balance by engaging with a wide variety of cultural products ranging from sports stadia and monuments in the public arena to paintings prints photographs posters stamps design artefacts films and political cartoons By examining the contexts of both the production and reception of this historical evidence and highlighting the multiple meanings and social significance of this body of work the collection provides original powerful and stimulating insights into the ways in which visual material assists our knowledge and understanding of sport This collection will facilitate researchers publishers and others with an interest in sport to move beyond traditional text based scholarship and appreciate the powerful imagery of sport in new ways This book was previously published as a special issue of the International Journal of the History of Sport

Pinter's World William Baker, 2018-09-15 Pinter's World Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter's life character and thought employing new information found in his Appointment Diaries recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences in addition to personal discussions with several in Pinter's world This book provides a fresh illumination of Pinter's life and art his friendships obsessions and concerns Material is arranged around themes key concerns Pinter's activities Pinter's meetings and endeavors for instance with whom he met and when when he wrote what and when and his perspective at the time are documented This work explores Pinter's writing drama poetry prose journalism and letters which are here regarded as part of his aesthetic achievement Pinter's World Pinter and Company presents a pointillist portrait of him through examining central concerns in his life These encompass an obsession with the theater and games delight in restaurants demonstrating that Pinter is far removed from the socially awkward isolated figures populating his early work and the women in Pinter's world Other areas examined include Pinter's political engagement from his adolescence to his last years and the literary and other creative influences upon him This work draws upon consultation of his papers at the British Library including letters to others especially close friends with whom he kept close contact for over

half a century These letters should be regarded on par with his other creative accomplishments Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing often in abrupt most colorful idiomatic language His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met Memories from his friends his professional colleagues cricket players and his second wife Antonia Fraser illuminate Pinter s personality and actions Pinter s first literary love was poetry and unlike most other Pinter studies this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist

The Promise of Endless Summer The Daily Telegraph,2013-04-04 Whenever an august figure departs the world of cricket The Daily Telegraph records a decorous tribute There will certainly be an obituary in days of yore penned by the doyen of cricket writers E W Swanton in recent times unafraid to be a lot more whimsical waspish and even extremely funny There will often be an appreciation by one of the paper s stable of cricket correspondents such as Derek Pringle Michael Henderson or Scyld Berry most likely drawing on their memories of having played against the subject or watched his deeds And sometimes a hero s demise will prompt a heartfelt tribute from someone whose only qualification as an elegist is their own eloquence as John Major displays on Denis Compton and Michael Parkinson on Keith Miller And those cricket lives deemed worthy of memorialising need not be illustrious Test careers though all the great names from Bradman to Bedser Cowdrey to D Oliviera are here They can also be quixotic county mavericks like Bomber Wells self effacing professionals like Tom Cartwright and Derek Shackleton or charismatic one offs like Colin Milburn or the Nawab of Pataudi They may not even be cricketers but rather much loved commentators and broadcasters like Brian Johnston and Christopher Martin Jenkins players turned umpires like David Shepherd and Bill Alley or like the Bishop of Liverpool who previously opened for Sussex and England have made their name equally elsewhere Their achievements are often hymned by their peers Mark Nicholas on his Hampshire team mate Malcolm Marshall Tony Lewis on John Arlott Colin Croft on Alf Valentine and Simon Hughes on facing the fearsome Sylvester Clarke Here then are more than eighty greats of the game Australians and South Africans alongside Somerset yeomen and Yorkshire s finest For any cricket lover this little book is an endlessly browsable testament to the sheer richness and variety of the cricketing life

Bradman & the Summer that Changed Cricket Christopher Hilton,2014-08-14 Sir Donald Bradman is widely considered to be the greatest batsman who has ever lived In 1930 he arrived in England a callow youth whose lack of technique or so the English thought would be mercilessly exposed By summer s end he had redefined the possibilities of the game and changed it forever This fascinating book reconstructs that Australian tour from the first day to the last in the most lively detail including every run in Bradman s legendary 300 scored in one day during the Leeds Test This is a must for every cricket lover Using a host of contemporary sources from regional Australian newspapers and original score sheets to English provincial and national newspapers and players memories Christopher Hilton brings all aspects of the 1930 summer tour vividly to life He revisits every controversy

tour of 1932-33 to England's surrender to the pace of Lillee and Thomson in 1974-75 from Len Hutton's Coronation year triumph in 1953 to the long years of defeat before the Ashes were finally recaptured in 2005 The Times on the Ashes showcases great batsmen like Bradman Ponting Gower Trumper Boycott Greg Chappell and the great bowlers of Trueman Warne Larwood Lillee Underwood McGrath Anderson along with the great captains such as Brearley Ian Chappell Vaughan Armstrong Jardine Steve Waugh and Hutton This book recaptures more than a century of the highs and lows of Ashes cricket through the pages of The Times and features some of the greatest writers in the history of the sport Bradman's Band Ashley Alexander Mallett, 2000 Don Bradman is the Eternal Flame of cricket As the greatest batsman of them all Bradman consumed bowlers like a firestorm Such a fabled and long career cast an immense shadow over Bradman's peers and opponents alike Their stories are gathered here to make up Bradman's Band the cricket legends who played alongside or against him in the Test arena Among them are Larwood Miller Compton Hutton Headley Allen O'Reilly Mailey and Kippax Author Ashley Mallett skilfully rekindles the Bodyline Ashes conflict and the great religious divide Down Under of the 1930s His description of the vendettas and jealousies among Bradman's peers are fascinating reflections on the players and the game Bringing us closer to home is a profile of what The Don describes as his greatest partnership his sixty-five year marriage to Jessie Bradman The is a fascinating story of the cricket legends in Bradman's Band **A Last English Summer** Duncan Hamilton, 2011-04-28 From matches played on a village green to the high church splendour of Lord's in A Last English Summer award-winning author Duncan Hamilton preserves the 2009 cricket season a seminal convulsive time in the sport's history In prose by turns reflective and glorious he remembers all we have lost whilst displaying an overwhelming love for the game that stands out on every page **Men In White (pb)** Mukul Kesavan, Keshwani Mukul, 2010-06 You watch drifting surrounded by the thing It's like living underwater Men in White describes the experience of living with cricket in a country consumed by the game Mukul Kesavan is keen on cricket in a non-playing way With a top score of 14 in neighbourhood cricket and a lively distaste for fast bowling his credentials for writing about the game are founded on the assumption that distance brings perspective The book recalls the Pandara Park cricket of Kesavan's childhood examines the current health of Test cricket the problem of chucking the growing influence of technology on the game and as he puts it the wickedness of the ICC In between he profiles his cricketing heroes and denounces modern cricket's villains First published in 2007 this updated edition includes a profile of M S Dhoni India's first adult captain since Pataudi a celebration of the freakishly talented Muttiah Muralitharan and a chronicle of the Symonds Affair which revealed more about the racism of the Indian fan than we wanted to acknowledge Written with a novelist's talent for making things vivid and a fan's unwinking commitment to his team Men in White is an indispensable book for cricket lovers everywhere
