Can't I? Angela N. Parker, 2021-09-14 A challenge to the doctrine of biblical inerrancy that calls into question how Christians are taught more about the way of Whiteness than the way of Jesus Angela Parker wasn't just trained to be a biblical scholar she was trained to be a White male biblical scholar She is neither White nor male Dr Parker's experience of being taught to forsake her embodied identity in order to contort herself into the stifling construct of Whiteness is common among American Christians regardless of their race ethnicity gender or sexual orientation This book calls the power structure behind this experience what it is White supremacist authoritarianism Drawing from her perspective as a Womanist New Testament scholar Dr Parker describes how she learned to deconstruct one of White Christianity's most pernicious lies the conflation of biblical authority with the doctrines of inerrancy and infallibility As Dr Parker shows these doctrines are less about the text of the Bible itself and more about the arbiters of its interpretation historically White males in positions of power who have used Scripture to justify control over marginalized groups This oppressive use of the Bible has been suffocating To learn to breathe again Dr Parker says we must let God breathe in us We must read the Bible as authoritative but not authoritarian We must become conscious of the particularity of our identities as we also become conscious of the particular identities of the biblical authors from whom we draw inspiration And we must trust and remember that as long as God still breathes we can too

**Solidarity and Defiant Spirituality** Traci C. West, 2019-01-22 How activists in Ghana South Africa and Brazil provide inspiration and strategies for combating the gender violence epidemic in the United States How can the U S learn from the perspectives of anti gender violence activists in South America and Africa as we seek to end intimate violence in this country The U S has consistently positioned itself as a moral exemplar seeking to export its philosophy and values to other societies Yet in this book Traci C West argues that the U S has much to learn from other countries when it comes to addressing gender based violence West traveled to Ghana South Africa and Brazil to interview activists involved in the struggle against gender violence In each of these places as in the United States Christianity and anti black racism have been implicated in violence against women In Ghana and Brazil in particular their Christian colonial and trans Atlantic slave trade histories directly connect with the socioeconomic development of the Americas and historic incidents of rape of black slave women With a transnational focus on religion and racism West brings a new perspective to efforts to systemically combat gender violence Calling attention to forms of violence in the U S and international settings such as marital rape sex trafficking of women and girls domestic violence and the targeting of lesbians the book offers an expansive and nuanced view of how to form activist solidarity in tackling this violence It features bold and inspiring approaches by black women leaders working in each setting to uproot the myriad forms of violence against women and girls Ultimately West calls for us to learn from the lessons of African activists drawing on a defiant African spirituality as an invaluable resource in the quest to combat the seemingly chronic problem of gender based violence
