Leben und Werk Klaus W. Jonas, 2009 Klaus W. Jonas zweisprachige Ausgabe behandelt die literarische Laufbahn des Schriftstellers W. Somerset Maugham 1874-1965, eines der erfolgreichsten und meistgelesenen englischen Dramatiker, Essayisten und Romanciers der ersten Hälfte des 20. Jahrhunderts. Maugham selbst hat das humorvolle Vorwort in der Form eines Briefes beigezeichnet. Eine chronologische Darstellung seines Lebens wird ergänzt durch zwei wissenschaftliche Essays des Verfassers zu Maughams umfassendem literarischem Schaffen. Von besonderem Interesse sind die Auszüge aus dem Briefwechsel zwischen Klaus W. Jonas und W. Somerset Maugham, die einen genaueren Einblick in die Persönlichkeit des Schriftstellers erlauben und von der engen Vertrautheit der beiden Briefpartner zeugen. Den zweiten Teil der Ausgabe bilden eine ausführliche Bibliographie von Maughams literarischem Schaffen sowie eine Auswahlbibliographie von mehr als 420 kritischen Studien in deutscher, englischer, japanischer, spanischer und französischer Sprache. 71 Abbildungen, viele von ihnen bisher unveröffentlicht und aus Privatbesitz erhoben, den dokumentarischen Wert dieses Bandes. In this bilingual edition the author attempts to trace the literary career of William Somerset Maugham 1874-1965, one of the most widely read and performed dramatists, essayists and novelists in English literature in the first half of the twentieth century. Maugham himself has contributed a humorous preface in the form of a letter addressed to the author. The detailed chronology of Maugham's life is being supplemented by two of the author's numerous essays dealing with the stupendous literary oeuvre of this writer. Of special interest are the excerpts from Maugham's letters to his German-born collector and biographer, which provide an inside view into his personality and his friendship with Klaus W. Jonas. The second half of this volume contains a bibliographical record of Maugham's life, work and a select bibliography of 420 critical studies in German, English, French, Spanish and Japanese. 71 illustrations, many of which hitherto unpublished and privately owned, enhance the documentary value of this volume.

successful writers of his time He published seventy eight books including the undisputed classics *Of Human Bondage* and *The Razor's Edge* which sold over 40 million copies in his lifetime Born in Paris to sophisticated parents Willie Maugham was orphaned at the age of ten and brought up in a small English coastal town by narrow minded relatives He was trained as a doctor but never practiced medicine His novel *Ashenden* based on his own espionage for Britain in World War I influenced writers from Eric Ambler to John le Carr After a failed affair with an actress he married another man's mistress but reserved his greatest love for a man who shared his life for nearly thirty years He traveled the world and spoke several languages Despite a debilitating stutter and an acerbic and formal manner he entertained literary celebrities and royalty at his villa in the south of France He made a fortune from his writing the short story *Rain* alone earned him a million dollars yet true critical recognition and the esteem of his literary peers eluded him The life of Somerset Maugham as told by acclaimed biographer Jeffrey Meyers is an intriguing glamorous complex and extraordinary account of one of the twentieth century's most enduring writers From the Trade Paperback edition

Balthus Nicholas Fox Weber, 2013-09-25 The first full scale biography of one of the most elusive and enigmatic painters of our time the self proclaimed Count Balthus Klossowski de Rola whose brilliantly rendered markedly sexualized portraits especially of young girls are among the most memorable images in contemporary art The story of Balthus's life has been shrouded by contradiction and hearsay most of it his own invention over the years he created for himself a persona of mystery aristocracy and glamour Now in Nicholas Fox Weber's superb biography Balthus the man and the artist stands revealed as never before He was born in Paris in 1908 to Polish parents At age twelve he first stepped into the spotlight with the publication of forty of his drawings illustrating a story about a cat by Rainer Maria Rilke who was then Balthus's mother's lover and a crucial influence on the young boy From that moment Balthus has never been out of the public eye In 1934 his first exhibition in Paris stunned the art world The seven canvases drew attention to his extraordinary technique a mix of tradition and imagination informed by the work of Piero della Francesca Courbet and Joseph Reinhardt but unique to the twenty six year old artist and to their provocative content one of the paintings *The Guitar Lesson* was so powerful in its sadomasochistic imagery that it was deemed necessary to remove it from public display Continuously since then Balthus's work has provoked both great opprobrium and profound admiration as has the artist himself whether collaborating with Antonin Artaud on his *Theater of Cruelty* transforming the Villa Medici into the social center of Fellini's *Rome* in the 1950s or competing for the artistic limelight with his friends Picasso and Andr  Derain The artist's complexities are clarified and his genius understood in a book that derives its particular immediacy from Weber's long and intense conversations with Balthus who never previously consented to discuss his life and work with a biographer as well as his interviews with the painter's closest friends members of his family and many of the subjects of his controversial canvases Weber's critical and human grasp he acutely analyzes the paintings in terms of both their aesthetic achievement and what they reveal of their maker's psyche combined with his rich knowledge of Balthus's life and his insight
