connecting to the God particle in those who came to her for healing We are the world teacher Every fragment of our soul has wisdom to share This book will help you awaken so you can feel blessed by the loving wisdom you have exchanged with others souls through choosing to play Earth Julie ends many blogs with I love you We got this By the end of the book you will embody the cosmic vibration of those words and share it in your interactions with other amazing versions of your soul It is time to discover the joy of remembering who you truly are by loving open Julie s loving stories on how we heal will guide you to this reality
