JANET MITCHELL HISBON, 2012-06 The crocus flower bulb has special meaning for the design cover It was selected because it is symbolic of the act of lifting the Senior Spirit from the emotional dark cold winter season of an older adult's mundane and dull life to give birth to change and the springtime of a new way of life These beautiful blossoms breaking through the snow and ice represent the inner struggle that one encounters to bloom where they are planted What is happening to them is not mere happenstance something larger than them are at work within them Someone wiser than they are has a word to speak and that word is Yes to God's will and His way in their new life It is also a reminder of the death and resurrection of Jesus from the dark tomb to the newness of life Jesus rose that we may have life and that we may have it more abundantly So it is with Older Adults they rise to a better quality of life and at the same time preserve their dignity

Hess, 2009-01-15 Paradox and surprise face those who pursue deeper spiritual practice theological wisdom and even a religious calling into the ministry Unbeknownst to incoming students the pursuit of theological education in established institutions today furthers a faith that is recognizable in delight and compassion even as it may just as easily deform it into a moral duty and autonomous professionalism so divisive in today's religious ecology How may those drawn into ministry formation today receive its deep theological treasures and sustain a vibrant faith with a theologically expressive delight able to companion the suffering of self and others Artisanal Theology explores the paradoxes and surprises that await those walking in the worlds of theological education the local congregation the academy the tradition denomination Part handbook part witness it offers guidance for the path of intentional formation within contemporary institutions of theological education whose riches may be mined in a disciplined spiritual stewardship and grounded in radically covenantal companionship Just like artisanal bread blends the classical methods of bread baking with modern conveniences so an artisanal theology relies upon the personal and communal touch of human relationship amidst the contemporary forms of programmatic theological education An artisanal theology offers an articulate and traditionally rooted faith perspective grounded in covenantal companionships sustained in contexts of church tradition and most importantly practice Ultimately an artisanal theology witnesses beyond the anticipated political divides to the Triune God among us known in a theologically expressive delight able to companion the suffering of self and others      *The Pilgrim's Compass* Paul H. Lang, 2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community The Pilgrim's Compass shepherds readers through a metaphorical pilgrimage to consider one's life a journey for faith formation Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness disciples will encounter God wrestle with God be wounded as will God and be reborn as a new person with a new name The Pilgrim's Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith which uses prayerful travel to assist an inner transformation      *To Tell the Sacred Tale* Ruffing, Janet K., RSM, 2011 This book shows the singular importance of narrative in the process of spiritual direction and reflects on this interactive process of sharing our sacred stories in pastoral contexts in order to hear and respond more deeply to the story God is telling in our lives      *Speaking Our Faith* Kit Carlson, 2018-03-17 Ways to help Episcopalians articulate and feel comfortable about speaking of their faith with others Today in a rapidly changing religious landscape the structures of Christendom which once almost automatically instilled faith in generation after generation of believers are gone For faithful Episcopalians it has become essential to learn how to tell the

old old story of Jesus and his love This is especially important for those generations born after the Baby Boom which are experiencing the rapid rise of the nones people who have lost their faith or who have no faith at all The time to speak to share our faith is now Kit Carlson offers a road map for those who want to learn to speak about the faith that lives within them Speaking Our Faith will help them put words to their own experiences of God create their own statements of belief and to begin to have compassionate caring conversations with other people about spirituality belief and Jesus Christ
