## **Reminiscence Of An Old Combat Soldier Of World War I:**

**Reminiscence of an Old Combat Soldier of World War I** Arbor Dell Fields,1990-01-01      **American Soldiers** Peter S. Kindsvatter,2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors      **World War II and My Military Memories** Murray Coffey,2016-05-17 World War II and My Military Memories takes the reader from the author s beginnings in the small town of Myrtle Mississippi where he heard many stories about the First World War from his three uncles Then to the ROTC getting an education at a tough war college then into the service and lots of specialized training and on to combat in Europe in World War II while serving most of the time in the 89th Infantry Division There are stories about the Battle of the Bulge the Rhine River Crossing in Germany liberation of the Ohrdruf Concentration Camp and the then unknown horrors of the Holocaust After the war came service in the Occupation Army with numerous escapades some serious and many that were fun and humorous Later came the Reserves a near miss on the Korean War then completing an education and building a career after the war and finally a trip back to Europe to re live old memories many years later that included a visit to East Germany before the Berlin wall came down      **Antipodes: Memories and Thoughts of a Vietnam War Combat Soldier** ,2008-05-19 Edgardo Santiago was born in 1946 in Puerto Rico In 1969 he was drafted into the Army trained as an infantry

soldier and in 1970 was sent to Vietnam In Vietnam he was made a point man He served with the 199th Infantry Brigade and later on with the 25th Infantry Division Santiago was wounded in combat while walking the point In 1971 he was honorably discharged and returned to Puerto Rico In his book Santiago takes the reader from his childhood to Vietnam and through his subsequent career with the FDA from San Juan Puerto Rico to Virginia Along the way he tells about the pains of dealings with the effects of combat not only on him but also on the nation More than about telling war stories this book is about insight about what the author felt and thought before during and after his tour of duty in the other side of the world *Military Law Review* ,1999 **One Soldier's Memories** Harold F. Kratch,2006-08 Kratch recalls his interests fears and amusing situations during his service in two wars and offers an opinion about the country being unprepared for the old wars Practical Life **Memories and Life Lessons from the Magic Tree House** Mary Pope Osborne,2022-09-06 Celebrate the 30th anniversary of the 1 New York Times bestselling series with heartfelt advice from Mary Pope Osborne s own life and her magical adventures with Jack and Annie perfect for Magic Tree House fans of all ages Look for heroes far and near Give your gifts to the world Have compassion for all creatures These are just a few of the lessons that Magic Tree House fans will learn on their magical journey through this book With quotes from the series and classic art by Sal Murdocca Mary Pope Osborne beloved author of the 1 bestselling Magic Tree House series shares the wisdom she s gained from her own childhood and thirty years of whisking Jack and Annie away in the magic tree house *World War II Reminiscences* Col. John H. Roush Jr.,2013-03-28 This volume presents a dramatic collection of significant combat experiences of 79 men in WWII as told from one combat veteran to another In the 86 chapters are stories involving all the various branches of combat service and all of the various theaters of war Within reminiscences veterans of dangerous encounters are much more apt to open up with details in discussions with men who have also experienced combat Many find it emotionally distressing to talk of the war with the general public or to recall the horrors of warfare This is not a history book nor any attempt to tell the big picture of grand campaigns Instead it is a collection of personal involvements in one at a time incidents of conflict Many ask what was it like in WWII for our conflicts in recent years have been vastly different It has been said that war has become and continues to be an intractable social phenomenon While some say its elimination is necessary to the survival of mankind we do not seem to have approached closer to that elimination in the sixty seven years since WWII ended Encounters of Warfare remain a stark reality within the present era That being so perhaps we should read of what happened as recalled in the most vivid memories of men involved in the most overpowering conflict of modern warfare Sincerely John Roush **Soldiers** ,1982 *Traumatic Memories of the Second World War and After* Peter Leese,Jason Crouthamel,2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma The essays draw on diverse

methodologies including oral history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies *Altered Memories of the Great War* Mark David Sheftall,2010-01-30 The experiences of World War I touched the lives of a generation but memories of this momentous experience vary enormously throughout the world In Britain there was a strong reaction against militarism but in the Dominion powers of Canada Australia and New Zealand the response was very different For these former colonial powers the experience of war was largely accepted as a national rite of passage and their pride and respect for their soldiers sacrifices found its focus in a powerful nationalist drive How did a single supposedly shared experience provoke such contrasting reactions What does it reveal about earlier pre existing ideas of national identity And how did the memory of war influence later ideas of self determination and nationhood *Altered Memories of the Great War* is the first book to compare the distinctive collective narratives that emerged within Britain and the Dominions in response to World War I It powerfully illuminates the differences as well as the similarities between different memories of war and offers fascinating insights into what this reveals about developing concepts of national identity in the aftermath of World War I

**Military Psychology for Africa** Gideon AJ van Dyk,2016-03-17 Military Psychology for Africa is the first textbook of its kind from Africa Selected authors with competent military psychology knowledge skills expertise and experience each contributed a chapter to this unique book The book empowers academics students and military fellows to apply this knowledge at academic institutions and military units during operations and in presenting short courses The book will also equip soldiers with new knowledge for advancing peace on the continent and abroad **The Old Testament for Everyone Set** John Goldingay,2020-07-01 Westminster John Knox Press is pleased to present the seventeen volume Old Testament for Everyone series Internationally respected Old Testament scholar John Goldingay addresses Scripture from Genesis to Malachi in such a way that even the most challenging passages are explained simply and concisely The series is perfect for daily devotions group study or personal visits with the Bible **British Autobiographies** William Matthews,2023-04-28 British Autobiographies An Annotated Bibliography of British Autobiographies Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and culture Matthews and his team meticulously gathered these works from major libraries across the United States the United Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known autobiographical voices This bibliography is not only a valuable

tool for literary scholars studying the evolution of autobiographical writing but also for historians psychologists and social scientists interested in understanding personal accounts of significant historical events and societal shifts Matthews work opens up new possibilities for exploring the autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects and detailed annotations British Autobiographies serves as a vital reference for anyone researching the personal dimensions of British history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955     *The Oxford Companion to American Military History* ,     **War Papers and Personal Reminiscence** Military Order of the Loyal Legion of the United States. Missouri Commandery,1892     **Memories** Teffi,2016-05-03 A beloved 20th century writer s painful and humorous memoir of leaving her home in post revolutionary Russia forever written with a poet s sensitivity to tone and rhythm Despite the backdrop of terror war death and loss Teffi s world becomes somewhere we do not want to leave Claire Kohda Hazelton The Guardian Considered Teffi s single greatest work Memories From Moscow to the Black Sea is a deeply personal account of the author s last months in Russia and Ukraine suffused with her acute awareness of the political currents churning around her many of which have now resurfaced In 1918 in the immediate aftermath of the Russian Revolution Teffi whose stories and journalism had made her a celebrity in Moscow was invited to read from her work in Ukraine She accepted the invitation eagerly though she had every intention of returning home As it happened her trip ended four years later in Paris where she would spend the rest of her life in exile None of this was foreseeable when she arrived in German occupied Kiev to discover a hotbed of artistic energy and experimentation When Kiev fell several months later to Ukrainian nationalists Teffi fled south to Odessa then on to the port of Novorossiysk from which she embarked at last for Constantinople Danger and death threaten throughout Memories even as the book displays the brilliant style keen eye comic gift and deep feeling that have made Teffi one of the most beloved of twentieth century Russian writers     *Some Memories of a Soldier* Hugh Lenox Scott,1928     Vietnam War Stories Tobey C. Herzog,2017-01-27 Dealing with ten key narratives including novels and personal accounts Herzog locates them in the tradition of war literature as well as recent cinema and charts the transformations of the American nation in its experience of modern war     A Century of Memories Peggy Bergland,2018-05-10 Remembering ninety five years of memoriesmemories triggered by reading my emails Messages to and from friends funny cartoons and jokes Memories of places Ive been people Ive spent my time with how things have changed and what Ive learned

Eventually, you will categorically discover a new experience and talent by spending more cash. yet when? get you undertake that you require to get those all needs considering having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more vis--vis the globe, experience, some places, later than history, amusement, and a lot more?

It is your unconditionally own become old to comport yourself reviewing habit. along with guides you could enjoy now is **Reminiscence Of An Old Combat Soldier Of World War I** below.
