Reminiscences Of Early Antislavery Days

Samuel Joseph May

Reminiscences Of Early Antislavery Days:

Reminiscences of Early Anti-slavery Days Sarah H. Southwick, 1893 *Reminiscences of Early Anti-slavery Days* Sarah H. Southwick, 1893 Abolitionist Twilights Raymond James Krohn, 2023-10-03 Provides unique insight into Reconstruction's downfall and Jim Crow's emergence. In the years and decades following the American Civil War, veteran abolitionists actively thought and wrote about the campaign to end enslavement. This study explores the late-in-life reflections of several antislavery memorial and historical writers evaluating the stable and shifting meanings of antebellum abolitionism amidst dramatic changes in postbellum race relations. By investigating veteran abolitionists as movement chroniclers and commemorators and situating their texts within various contexts, Raymond James Krohn further assesses the humanitarian commitments of activists who had valued themselves as the enslaved people's steadfast friends. Never solely against slavery, post-1830 abolitionism challenged widely held anti-Black prejudices as well. Dedicated to emancipating the enslaved and elevating people of color, it equipped adherents with the necessary linguistic resources to wage a valiant, sustained philanthropic fight. *Abolitionist Twilights* focuses on how the status and condition of the freed people and their descendants affected book-length representations of antislavery persons and events. In probing veteran abolitionist engagement in or disengagement from an ongoing African American freedom struggle, this ambitious volume ultimately problematizes scholarly understandings of abolitionism's racial justice history and legacy.

Abolitionists Remember Julie Roy Jeffrey, 2012-02-01 In *Abolitionists Remember*, Julie Roy Jeffrey illuminates a second, little-noted antislavery struggle as abolitionists in the postwar period attempted to counter the nation's growing inclination to forget why the war was fought, what slavery was really like, and why the abolitionist cause was so important. In the rush to mend fences after the Civil War, the memory of the past faded, and turned-romantic slaves became quaint owners, kindly, and the war itself a noble struggle for the Union. Jeffrey examines the autobiographical writings of former abolitionists such as Laura Haviland, Frederick Douglass, Parker Pillsbury, and Samuel J. May, revealing that they wrote not only to counter the popular image of themselves as fanatics but also to remind readers of the harsh reality of slavery and to advocate equal rights for African Americans in an era of growing racism, Jim Crow, and the Ku Klux Klan. These abolitionists, who went to great lengths to get their accounts published, challenged every important point of the reconciliation narrative, trying to salvage the nobility of their work for emancipation and African Americans and defending their own participation in the great events of their day.

The First Woman in the Republic Carolyn L. Karcher, 1994 This definitive biography restores to the public an eloquent writer and reformer who embodied the best of the American democratic heritage.

Women, Dissent and Anti-Slavery in Britain and America, 1790-1865 Elizabeth J. Clapp, Julie Roy Jeffrey, 2011-04-21 This volume of eight essays examines the role that religious traditions, practices, and beliefs played in women's involvement in the British and American campaigns to abolish slavery during the late eighteenth and early nineteenth centuries. It focuses on women who belonged to the Puritan and dissenting

traditions Ahead of Her Time: Abby Kelley and the Politics of Antislavery Dorothy Sterling, 1994-06-17 The author tells this remarkable story with honesty and compassion Readers will find a wealth of new information not only about Kelley s outstanding contribution to abolitionism but about the movements to bring about the end of slavery and to advance the cause of women Mari Jo Buhle Brown University In the tumultuous years before the Civil War a young white woman from a Quaker background came to embody commitment to the cause of antislavery and equal rights for black people Abby Kelley became the abolitionist movement s chief money raiser and organizer and its most radical member She traveled hundreds of miles to awaken the country to the evils of slavery braving hardship and prejudice as well as opening the way for other women black and white to take leadership roles Now the full story of this principled woman has been told in Dorothy Sterling s compelling biography *Boston Gentlemen's Mob, The: Maria Chapman and the Abolition Riot of 1835* Josh S. Cutler, 2021-11-08

Violent mobs racial unrest attacks on the press it s the fall of 1835 and the streets of Boston are filled with bankers merchants and other gentlemen of property and standing angered by an emergent antislavery movement They break up a women s abolitionist meeting and seize newspaper publisher William Lloyd Garrison While city leaders stand by silently a small group of women had the courage to speak out Author Josh Cutler tells the story of the Gentlemen s Mob through the eyes of four key participants antislavery reformer Maria Chapman pioneering schoolteacher Susan Paul the city s establishment mayor Theodore Lyman and Wendell Phillips a young attorney who wanders out of his office to watch the spectacle The day s events forever changed the course of the abolitionist movement **Women of the Anti-Slavery**

Movement Clare Taylor, 1994-11-23 British and American anti slavery societies were established in the 1820s and 1830s and from an early date included women campaigners Typical of female abolitionists the Weston sisters wrote collected monies and signatures for petitions but rarely spoke in public or advocated a peculiarly feminist cause This study uncovers their work in America Britain and France their connections and campaigns and their contribution both to the anti slavery movement and to the forging of an Anglo American democratic alliance **Women and the Work of Benevolence** Lori D.

Ginzberg, 1990-01-01 Nineteenth century middle class Protestant women were fervent in their efforts to do good Rhetoric especially in the antebellum years proclaimed that virtue was more pronounced in women than in men and praised women for their benevolent influence moral excellence and religious faith In this book Lori D Ginzberg examines a broad spectrum of benevolent work performed by middle and upper middle class women from the 1820s to 185 and offers a new interpretation of the shifting political contexts and meanings of this long tradition of women s reform activism During the antebellum period says Ginzberg the idea of female moral superiority and the benevolent work it supported contained both radical and conservative possibilities encouraging an analysis of femininity that could undermine male dominance as well as guard against impropriety At the same time benevolent work and rhetoric were vehicles for the emergence of a new middle class identity one which asserts virtue not wealth determined status Ginzberg shows how a new generation that came of age

during the 1850s and the Civil War developed new analyses of benevolence and reform By post bellum decades the heirs of antebellum benevolence referred less to a mission of moral regeneration and far more to a responsibility to control the poor and vagrant signaling the refashioning of the ideology of benevolence from one of gender to one of class According to Ginzberg these changing interpretations of benevolent work throughout the century not only signal an important transformation in women s activists culture and politics but also illuminate the historical development of American class identity and of women s role in constructing social and political authority

In Pursuit of Knowledge Kabria Baumgartner,2022-04 In Pursuit of Knowledge explores Black women and educational activism in Antebellum America

Some Recollections of Our Antislavery Conflict Samuel J. May,2022-09-15 In *Some Recollections of Our Antislavery Conflict* Samuel J May presents a compelling autobiographical account that intricately weaves personal experiences with the broader social and political currents of the mid 19th century abolitionist movement With a distinctive narrative style that combines eloquent prose and passionate advocacy May sheds light on the moral and ethical considerations that ignited a fervent struggle against slavery His recollections are situated in the rich literary context of transcendentalism and reform literature encapsulating the fervor of an era desperate for social justice while reflecting the complexities of human emotion entwined with activism Samuel J May a prominent Unitarian minister and abolitionist was deeply influenced by the prevailing humanitarian ideals of his time His commitment to social justice was shaped through personal relationships with such figures as William Lloyd Garrison and Frederick Douglass as well as his own moral convictions May s engagements in various reform movements including women s suffrage and education undoubtedly fueled his perspective providing a unique lens through which he articulated the struggle against slavery This book is not only a vital historical document but also a powerful narrative that resonates with contemporary social justice movements Readers seeking to understand the foundations of American abolitionism and the intricate interplay of personal conviction and collective action will find May s insights enlightening *Some Recollections of Our Antislavery Conflict* is essential for anyone wishing to explore the depths of moral courage in the face of societal injustice

Some Recollections of Our Antislavery Conflict Samuel Joseph May,1869 This work details the antislavery movement in America and investigates slavery and the Church as a special focus

Some Recollections of Our Antislavery Co Samuel Joseph May,Samuel May,2008-10 **Dictionary Catalog of the Schomburg Collection of Negro Literature & History** Schomburg Collection of Negro Literature and History,1962

Congressional Reminiscences John Wentworth,1882 Garrisonian Abolitionism, 1828-1839 Roman Joseph Zorn,1953 **Old Anti-slavery Days** Danvers Historical Society,1893 Fifty Years' Recollections Jeriah Bonham,1883

Antislavery Recollections George Stephen,1854

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Reminiscences Of Early Antislavery Days**

In a global inundated with monitors and the cacophony of immediate connection, the profound power and psychological resonance of verbal beauty frequently disappear in to obscurity, eclipsed by the regular assault of noise and distractions. Yet, set within the musical pages of **Reminiscences Of Early Antislavery Days**, a charming perform of literary brilliance that pulses with raw feelings, lies an unique trip waiting to be embarked upon. Published with a virtuoso wordsmith, that exciting opus books readers on a mental odyssey, delicately revealing the latent possible and profound affect embedded within the intricate web of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is key themes, dissect their fascinating writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
