Reminiscences The Struggle For Recognition And Independence The New Yugoslavia 1944 1957:

Reminiscences--the Struggle for Recognition and Independence the New Yugoslavia, 1944-1957 Edvard Kardelj,1982 *The Macedonian Slavs in the Greek Civil War, 1944-1949* James Horncastle,2019-06-03 In this study of Macedonian Slavs in the Greek Civil War the author examines how their participation in the conflict and the attempts by other groups to manipulate them gave rise to modern issues that continue to affect politics in the region today The Macedonian Question has confounded academics politicians and the people of the Balkans since the nineteenth century While the countries have resolved the territorial component of the Macedonian Question the critical and confusing question surrounding the ethnic and linguistic identity of the people of the region continues to be the source of international debate Part of the reason for this confusion is because the history of the Macedonian Question is shrouded in nationalist polemics The role of the Macedonian Slavs involvement in the Greek Civil War is particularly contentious and embedded in nationalist polemics which has impacted academic inquiry This book argues that the preponderance of Macedonian Slavs within the communist forces during the Greek Civil War influenced the actions of all the major actors involved and is a significant factor in shaping the modern Macedonian national identity *Britain, Mihailovic and the Chetniks, 1941-42* S. Trew,1998-01-28 Casting new light on a controversial aspect of wartime British foreign policy this book traces the process by which the British authorities came to offer their backing to Colonel Draza Mihailovic leader of the non Communist resistance movement which emerged after the Axis invasion of Yugoslavia in April 1941 It also examines why British confidence in Mihailovic was subsequently eroded to the point where serious consideration was given to transferring support to his avowed enemies the Communist led Partisans **The Economic Struggle for Power in Tito's Yugoslavia** Vladimir Unkovski-Korica,2016-08-24 Here Vladimir Unkovski Korica re assesses the key episodes of Tito s rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia s non alignment policy For the first time Unkovski Korica also outlines Tito s internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s The Economic Struggle for Power in Tito s Yugoslavia draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans [The Former Yugoslavia's Diverse Peoples](#) Matjaz Klemencic Ph.D.,Mitja Zagar,2003-12-02 This authoritative exploration of the ethnic history of the former Yugoslavia traces the roots of the conflicts that convulsed the region in the 1990s At the end of the 20th century interregional conflicts in the former Yugoslavia culminated with Slobodon Milo evic s campaign of ethnic cleansing which led to NATO intervention and ultimately revolution What ignited these conflicts What can we learn from them about introducing democracy in multiethnic regions What does the future hold for the region To answer these questions this timely volume

examines the ethnic history of the former Yugoslavia From the settlement of the South Slavs in the 6th century to the present paying special attention to the post World War II era the crisis and democratization in the 1980s and the disintegration of the country in the early 1990s This comprehensive single volume traces the bloody history of the region through to the fragile alliances of its present day countries

Stalin's Curse Robert Gellately,2013-03-07 The Second World War almost destroyed Stalin's Soviet Union But victory over Nazi Germany provided the dictator with his great opportunity to expand Soviet power way beyond the borders of the Soviet state Well before the shooting stopped in 1945 the Soviet leader methodically set about the unprecedented task of creating a Red Empire that would soon stretch into the heart of Europe and Asia displaying a supreme realism and ruthlessness that Machiavelli would surely have envied By the time of his death in 1953 his new imperium was firmly in place defining the contours of a Cold War world that was seemingly permanent and indestructible and would last until the collapse of the Berlin Wall in 1989 But what were Stalin's motives in this spectacular power grab Was he no more than a latter day Russian tsar for whom Communist ideology was little more than a smoke screen Or was he simply a psychopathic killer In *Stalin's Curse* best selling historian Robert Gellately firmly rejects both these simplifications of the man and his motives Using a wealth of previously unavailable documentation Gellately shows instead how Stalin's crimes are more accurately understood as the deeds of a ruthless and life long Leninist revolutionary Far from being a latter day Red Tsar intent simply upon imperial expansion for its own sake Stalin was in fact deeply inspired by the rhetoric of the Russian revolution and what Lenin had accomplished during the Great War As Gellately convincingly shows Stalin remained throughout these years steadfastly committed to a boundless faith in Communism and saw the Second World War as his chance to take up once again the old revolutionary mission to carry the Red Flag to the world

into the role of ideology and national interests in the evolution of the complex and turbulent relationship between not just the two countries but also their respective Communist Parties The chapters on the normalization of bilateral ties provide an in depth analysis of divisions in the socialist camp that culminated in both its collapse and the disintegration of the Soviet Union The book argues that 20th century Sino Soviet relations reflected both long standing and emerging political and geopolitical challenges facing members of the Cold War socialist camp in particular tensions between the ideal of internationalism and national aspirations between commitment to the principle of sovereignty and commitment to that of equality in international relations and between inter party relations and inter state relations This makes for a valuable addition to the reading lists of all those interested in the development of the relationship between two of the world s most important countries **To Walk**

with the Devil Gregor J. episodes of the Cold War the process of reconciliation between Yugoslavia and the Soviet Union At the time this process had shocked the World as much as the violent break up of their relations did in 1948 This book provides an explanation for the collapse of the process of normalization of Yugoslav Soviet that occurred at the end of 1956 and the renewal of their ideological confrontation It also explain the motives that guided the two main protagonists Josip Broz Tito of Yugoslavia and the Soviet leader Nikita Sergeevich Khrushchev Based on Yugoslav and Soviet archival documents this book establishes several innovative theories about this period Firstly that the significance of the Yugoslav Soviet reconciliation went beyond their bilateral relationship It had ramifications for relations in the Eastern Bloc the global Communist movement and on the dynamics of the Cold War world at its crucial juncture Secondly that the Yugoslav Soviet reconciliation brought forward the process of de Stalinization in the USSR and in the Peoples Democracies Thirdly it enabled Khrushchev to win the post Stalin leadership contest Lastly the book argues that the process of Yugoslav Soviet reconciliation permitted Tito to embark together with Nehru of India and Nasser of Egypt upon creating the new entity in the bi polar Cold War world the Non aligned movement This book will be of interest to students of Cold War History diplomatic history European history and International Relations in general Svetozar Rajak is a lecturer at the London School of Economics and Political Science He is the Managing Director of the LSE Cold War Studies Centre and is a member of the Editorial Board of the journal Cold War History
