Reminiscing With Sis:

Stepping Sisters Howard Warren Comstock, 1934 Cecilia Ramsey is a woman with social climbing aspirations. She wants to get into the right social set while her husband Herbert longs for the good old days when Cecilia was herself. Cecilia, with the aid of her two friends, hopes soon to be president of the local Women's Club. When a local Theatrical Benefit takes place, Cecilia is given three visiting Thespians to entertain over the weekend; however, she fails to tell her husband that they will be expecting company. When he returns from a business trip and several flames old and new are fanned, pandemonium breaks out. Publisher's description

Sibling Relationships Across the Life Span Victor Cicirelli, 2013-03-14 When one begins to examine the existing literature dealing with siblings, one soon becomes aware that many separate domains of sibling research exist and that there is little connection between them: for example, sibling relationships in early childhood, genetic and environmental influences on individual differences between siblings, dysfunctional sibling relationships, adult sibling helping relationships, sibling violence and abuse, and so on. The author's aim in writing this book was to attempt to bring together for the first time studies from diverse areas of sibling research into a single volume. The book is a summary and integration of the various domains of sibling studies extending across the life span where studies exist to make this possible. Although many gaps in the sibling research literature within and between domains of study and over the life span still exist, it is hoped that this book will motivate others to help fill in the gaps by suggesting directions where further research is needed.

The Sisters of Versailles Sally Christie, 2015-09-01 An intriguing romp through Louis XV's France. Filled with lush backdrops, rich detail, and colorful characters, fans of historical fiction will enjoy this glimpse into the lost golden era of the French monarchy. Allison Pataki, author of *The Accidental Empress*, tantalizing descriptions and cliff hangers will leave the reader rapidly turning the pages in anticipation. A wickedly delightful read. *New York Daily News*. Court intriguers are beginning to sense that young King Louis XV, after seven years of marriage, is tiring of his Polish wife. The race is on to find a mistress for the royal bed, as various factions put their best feet and women forward. The King's scheming ministers push sweet naïve Louise, the eldest of the aristocratic Nesle sisters, into the arms of the King. Over the following decade, she and three of her younger sisters—ambitious Pauline, complacent Diane, and cunning Marie Anne—will conspire, betray, suffer, and triumph in a desperate fight for both love and power, as each becomes the king's favorite for a time. In the tradition of *The Other Boleyn Girl*, *The Sisters of Versailles* is a clever, intelligent, and absorbing novel that historical fiction fans will devour. Based on meticulous research on a group of women never before written about in English, Sally Christie's stunning debut is a complex exploration of power and sisterhood, of the admiration, competition, and even hatred that can coexist within a family when the stakes are high enough.

Daughters of Oduma Moses Ose Utomi, 2024-02-27 Sixteen-year-old Dirt, a retired elite female fighter, must enter the South God Bow tournament to protect her found family of younger sisters and their beloved Mud Fam.

Ruth Ellis: My Sister's Secret Life Muriel Jakubait,Monica Weller,2012-11-01 The secret double life of Ruth Ellis and the Establishment cover up that led to her unjust hanging Ruth Ellis the last woman to be hanged in Britain was convicted fifty years ago for shooting her lover David Blakely The case became a notorious part of British criminal history and was turned into the film *Dance with a Stranger* The story that has been perpetuated ever since is that of a peroxide tart who killed in a fit of passion Yet crucial questions were left unasked in the original trial Ruth Ellis s sister Muriel Jakubait knew her longest of all She has never given up her search for justice Now after fifty years she has decided to reveal the hard facts about their shared upbringing and seek to piece together the full true story of her sister As she is at pains to point out the

jealous killer tag has never been substantiated This is a story of power espionage lies loyalty poverty sex and betrayal It suggests a third man may have pulled the trigger for the fatal shots And that he belonged to a web of espionage into which Ruth Ellis fell long before the shooting Above all it indicates that Ruth was being run by Stephen Ward at least a decade before his name became public in the Profumo Scandal Muriel s motive is about more than proving her sister Ruth s innocence It s about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades She shows that Ruth was somebody damaged at a very early age who strove to make something of herself only to be caught up in something much bigger and end up paying with her life *The Uses of Reminiscence* Mark Kaminsky,2014-02-24 The meaning and value of reminiscence in the lives of elders is beautifully explored **Gems of Reminiscence** George C.
