

The Tabernacle

Exodus 25-40; Hebrews 9-13

What is the Tabernacle?

The Tabernacle was a movable "tent of meeting" that God commanded Moses to build. God wanted to dwell among his people, the Israelites. He wanted to have fellowship with them and be able to communicate with them.

The Tabernacle and its courtyard were constructed according to a pattern set by God, not by Moses. We study the Tabernacle to understand the steps the Lord laid out for a sinful people to approach a holy God. The Tabernacle was built approximately 1440 B.C., and was the place where God dwelt with his people for 400 years. It was used from the time of the Exodus until the time of King Solomon, when the Temple was built. The Tabernacle was the center of the Israelite camp. The 12 tribes of Israel camped around the Tabernacle in a special arrangement.

Unity in the Book of Isaiah Benedetta Rossi,Dominic S. Irudayaraj,Gina Hens-Piazza,2024-02-08 Building on previous holistic readings of the Book of Isaiah this collection approaches Isaiah through the concept of unity Contributors outline research that point to new directions in the unity movement and in the process bring it under a critical gaze considering the perennial challenges to unity reading and thus problematizing the very concept of unity Divided into four parts the book provides methodological reflections on reading Isaiah as a unity and examines historical and redactional readings literary readings and contextual or reader orientated readings Topics include how the figure of Jacob functions as a unifying motif in the final form of the book Isaiah 1 as an example of the relevance of local structure for global coherence and how woman as a root metaphor of Zion not only bears revelatory significance but also serves as a theological linchpin for a more holistic reading of the book Overall the book highlights the continued promise of holistic readings for diverse methods and varied approaches to the Book of Isaiah THEOLOGY FOR EVERYONE William Swan Plumer,2025-05-30 Even though William S Plumer was know in the American Presbyterian community as an intellectual and a very fine theologian he was given grace from God to exercise an astounding ability to write on profound subjects using the everyman s language plain and clear in order to make known the Word of God to everyone This book presents in a rather telegraphic manner though not in a simplistic way all the fundamentals doctrines of the Christian faith focusing on the essentials that could help anyone know

the Lord and be saved The average Christian will no doubt treasure this book as he she will thus have access to a compendium of theology concentrating in only two hundred pages the essential teachings of the Christian faith It is interesting to notice that even those believers with rich biblical knowledge have come to treasure Plumer s book and this is because they themselves need to come down from time to time from studying those deeper and more complicated doctrines of Christianity to refresh themselves in the fundamentals of the Gospel and to return to the cross of Christ whenever the temptation of intellectualism reaches their souls This book has been originally published in 1875 under the title Theology for Everyone Biblical Doctrine Plainly Stated The current edition has been proofread typeset for eBook readers and slightly updated for modern readers **Theological Commentary** R.
