Dangerous Citizens Neni Panourgia, 2009-08-25 This book simultaneously tells a story or rather stories and a history The stories are those of Greek Leftists as paradigmatic figures of abjection given that between 1929 and 1974 tens of thousands of Greek dissidents were detained and tortured in prisons places of exile and concentration camps They were sometimes held for decades in subhuman conditions of toil and

deprivation The history is that of how the Greek Left was constituted by the Greek state as a zone of danger Legislation put in place in the early twentieth century postulated this zone Once the zone was created there was always the possibility which came to be a horrific reality after the Greek Civil War of 1946 to 1949 that the state would populate it with its own citizens Indeed the Greek state started to do so in 1929 by identifying ever increasing numbers of citizens as Leftists and persecuting them with means extending from indefinite detention to execution In a striking departure from conventional treatments Neni Panourgi places the Civil War in a larger historical context within ruptures that have marked Greek society for centuries She begins the story in 1929 when the Greek state set up numerous exile camps on isolated islands in the Greek archipelago The legal justification for these camps drew upon laws reaching back to 1871 originally directed at controlling brigands that allowed the death penalty for those accused and the banishment of their family members and anyone helping to conceal them She ends with the 2004 trial of the Revolutionary Organization 17 November Drawing on years of fieldwork Panourgi uses ethnographic interviews archival material unpublished personal narratives and memoirs of political prisoners and dissidents to piece together the various microhistories of a generation stories that reveal how the modern Greek citizen was created as a fraught political subject Her book does more than give voice to feelings and experiences suppressed for decades It establishes a history for the notion of indefinite detention that appeared as a legal innovation with the Bush administration Part of its roots Panourgi shows lie in the laboratory that Greece provided for neo colonialism after the Truman Doctrine and under the Marshall Plan

In Love with Freedom Steven E. Aavang, 2011 Based upon her own words this is the story of a unique individual whose deep love for her native country was overshadowed only by her compelling love for freedom Born with a pedigree of royalty reaching back to the Byzantine Empire and riches comparable to the American Rockefellers this princess seemed destined to a life of pampered luxury and perhaps a noble charity Life however doesn't always follow the script especially someone with Catherine's character In Love With Freedom a sweeping story of one woman's remarkable lifetime of triumph and tragedy in the kaleidoscope of the twentieth century The story begins with a toddler snatched from her mother's bosom

by her evil father and hidden for thirteen years in a series of orphanages a pawn in a high stakes game of ransom and revenge The plucky fearless and resourceful child at last escapes and crosses Europe eventually arriving in Romania on the Orient Express and is declared a princess but that is only the beginning of her journey Catherine learns to be a princess wife and mother through World War I the Depression and epidemics Yet it is World War II that is her defining moment Learn how this woman of less than five feet of stature stands up to the despicable Gestapo and the mighty Nazi Armies earns the moniker the Angel of Ploesti from the 1400 American POWs that are torn from the angry skies of Hitler s most heavily protected resource Romania s Catherine s oil fields and then survives the starvation pogroms and death of the Soviet liberation of Eastern Europe What can she do to escape the barbarism What can she do to help her country and all those oppressed by the horrors of Communism and dictatorships The answers are truly amazing and inspiring Journal of the Hellenic Diaspora ,1994

On the Move for Love Sealing Cheng,2011-11-29 Since the Korean War Gijichon U S military camp towns have been fixtures in South Korea The most popular entertainment venues in Gijichon are clubs attracting military clientele with duty free alcohol music shows and women entertainers In the 1990s South Korea s rapid economic advancement combined with the stigma and low pay attached to this work led to a shortage of Korean women willing to serve American soldiers Club owners brought in cheap labor predominantly from the Philippines and ex Soviet states to fill the vacancies left by Korean women The increasing presence of foreign workers has precipitated new conversations about modernity nationalism ethnicity and human rights in South Korea International NGOs feminists and media reports have identified women migrant entertainers as victims of sex trafficking insisting that their plight is one of forced prostitution Are women who travel to work in such clubs victims of trafficking sex slaves or simply migrant women How do these women understand their own experiences Is antitrafficking activism helpful in protecting them In On the Move for Love Sealing Cheng attempts to answer these questions by following the lives of migrant Filipina entertainers working in various Gijichon clubs Focusing on their aspirations for love and a better future Cheng s ethnography illuminates the complex relationships these women form with their employers customer boyfriends and families She offers an insightful critique of antitrafficking discourses pointing to the inadequacy of recognizing women only as victims and ignoring their agency and aspirations Cheng analyzes the women s experience in South Korea in relation to their subsequent journeys to other countries providing a diachronic look at the way migrant issues of work sex and love fit within the larger context of transnationalism identity and global hierarchies of inequality

Love across Civilizations* Alberto Castelli,2024-02-06 *Eros and Thanatos* is about the deadly nature of love It is remarkable that literary critics have paid so little attention to the combination between love and death in literature This book seeks to address this significant scholarly lacuna by exploring key literary texts of the last two hundred years as exemplary of a consistent tendency toward love and death Its emphasis on singular characters and close readings suggests the spectrum of an arbitrary dichotomy never fully resolved The existential discussion triggered by each plot is so intense that the erotic and the merely sexual seem inappropriate Indeed each writer chose to reduce it to the setting and background of a story that takes place elsewhere With this in mind the author intends to reflect love s paradoxical nature If love is triggered by beauty beauty can be immoral and love must die to preserve the illusion of beauty **Organic Love** Lisa Higgins,2022-01-17 Till now there has been no key to revealing the magic within the realms of our own hearts Organic Love ushers us into the realization of our natural powers and intuitive authority with the presence of our original in born love Within this presence of our organic love is all possibilities of greater and greater consciousness and greater and greater versions of ourselves to its unlimited genius This illumination of our inherent deity of our organic love is our peaceful revolution to our abilities powers and freedom we have yet to even imagine Come adventure into the tribune of our organic love and the many possibilities it may offer **Love in a Time of Hate** Florian Illies,2023-09-19 An enthralling and insightful cultural history one that shows how over the course of one pivotal decade love freedom and the freedom to love gave way to fear madness and despair Malcolm Forbes Washington Post Book Review An ingeniously orchestrated popular history brings to life the most pivotal decade of the twentieth century As the Roaring Twenties wind down Jean Paul Sartre waits in a Paris caf for a first date with Simone de Beauvoir who never shows Marlene Dietrich slips away from a loveless marriage to cruise the dive bars of Berlin The fledgling writer Vladimir Nabokov places a freshly netted butterfly at the end of his wife s bed Hannah Arendt Walter Benjamin Zelda and Scott Dal and Gala Picasso and his many muses Henry and June and Ana s Nin the entire extended family of Thomas Mann and a host of other fascinating and famous figures make art and love write and row bed and wed and betray They do not yet know that they along with millions of others will soon be forced to contemplate flight or fight as the world careens from one global conflict to the next **The Charioteer** ,1977 [Why Love Leads to Justice](#) David A. cruelties of a world war The treacherous invasion of the Netherlands by the armed forces of Nazi Germany in 1945 wrecked their plans for a peaceful life Instead their plans were thrown asunder and their lives were taken up in the maelstrom of the resistance to Nazi rule In spite of hopeless times the young couple persevered They married and started a family in the bleakest of times They resisted a dominant autocratic occupation They suffered the loss of two brothers at the hands of treacherous fellow countrymen who did the bidding of the Nazi occupiers Yet the young couple s devotion to their faith to each other and to their fellow countrymen triumphed over five years of evil
