

A white lily flower is the central focus, its petals slightly open and glowing with a warm, golden light. In the center of the flower, a dark cross is superimposed, and from its intersection, bright, starburst-like rays of light emanate outwards. The background is a deep, dark blue, suggesting a night sky or a calm sea. The overall mood is serene and spiritual.

40 days of Lent Journey to Easter involves practical spirituality daily scripture readings and simple Lessons to learn wisdom nuggets and little action steps and challenges to do to assist you in this 40 days of spiritual journey of renewal reflection and preparation towards easter During the season of Lent As Catholics and Christians we need to frequently give up something that we enjoy especially bad habits as a measure of penance or self discipline this book offers you a practical scripture Based advice on how to drop those bad habits beyond lent and easter and find peace in Christ From Ash Wednesday to the last day of Lent this book guides you to ponder a scripture passage with a topic to meditate and reflect on and lessons and actions to apply to your own life through the following four simple steps Read the anchor scriptures Reflect on the topic of the day Respond ponder and resolve to implement it in your life Pray the psalm and other prayers as the Holy Spirit directs you As you continue to meditate on the daily scriptures and practice the above simple action steps it will help to strengthen your relationship with God and brings you closer than ever with God *Eastertide* Phyllis Tickle,2010-03-10 In her acclaimed trilogy *The Divine Hours* Phyllis Tickle introduced modern Christians to the time honored practice of praying the hours In this exquisite new volume she provides a vibrant program of prayer dedicated to the anticipation of Christ s resurrection Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday *Eastertide* provides the daily prayers that

bring practitioners into the full spirit of this season Each day is filled with psalms readings from the Bible and hymns of praise and worship just as they appear in the larger volume The Divine Hours Prayers for Springtime Newcomers to this beloved tradition will find that Eastertide is the perfect introduction to joining the ancients in the tradition of fixed hour prayer A wise rabbi once told me that it is not how many prayers we don t say that matters to God but rather how many we do That is important to all of us but especially for beginners If this is your first attempt to return to this most ancient of Christian practices it is wise to remember that you are entering into a discipline and like all disciplines this one sits hard and heavy upon one at times There are hours you will miss and or some that you can t even begin to figure out how to observe That is all right for either the joy will carry you into greater joy and transmute the discipline into privilege or you will find yourself simply the wiser and the richer for such experience as you have had As the rabbi said that is what matters ultimately
