Secrets To Making Love Happen:

The Secrets to Making Love Happen Bart Baggett, 1998-10-01 *Esoteric Principles Of Vedic Astrology* Bepin Behari, 2013 This book presents the ancient Hindu astrology in its occult and esoteric aspects Traditional practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals The ancient revelations have been restated here to meet contemporary requirements The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages They assumed polydimensional extension of human consciousness which was closely related with planetary impulses Apart from the general approach to this ancient science the study presents in depth the astrological description of the nature of man It also provides deeper implications of various planetary combinations Advanced practitioners as well as general readers will find the book informative illuminating and highly rewarding

A Secret to Die For Edward Kendrick, 2018-09-22 Brian Newell is an average young man working in a coffee shop That is until he learns he s the sole heir to his grandfather Alistair s fortune A grandfather he didn t even know he had There is a proviso however He has to live in his grandfather s house for one year and take care of his macaw before he can inherit anything Conley Finnegan was close friends with Alistair cataloguing his book collection and tending to his yard He s less than happy when he meets Brian or so it seems But that isn t quite the truth Conley has a deep secret and part of it requires Brian in his life but only as a friend However his wishes to the contrary Conley falls in love with Brian and vice versa That small problem as Conley thinks of it will impact their lives in ways neither can imagine

Event of Signature Michaela Fiserova, 2022-08-01 Event of Signature formulates a new philosophical problem which focuses on the handwritten signature as sign of legal identification Author Michaela Fierov works with three metaphysical expectations which are shared in discourses of graphology and forensic analysis The first expectation tends to reveal the signer s soul a handwritten signature naturally mirrors the unique psychological qualities of the signer The second expectation tends to guarantee the originality of the signer s trace a handwritten signature proves physical contact between the signed document and the writing tool authentically moved by the signer s hand The third expectation tends to recognize the signer s legal identity a handwritten signature is expected to reproduce the signer s personal style which enables identification by legal authorities In a methodologically inventive and semiotically based dialogue with Derrida s deconstruction Fierov situates this triple expectation in the interval between life and law Challenging coverage of this topic finally shows that none of the metaphysical expectations will ever be fulfilled in the event of manual signing Legal uses of handwritten signature are characterized by the complex aporia of repeating the unrepeatable

Secret Violences Slawomir Maslon,2023-04-06 Although Michelangelo Antonioni became one of the icons of modernist cinema in the 1960s his position in the pantheon of great directors has never been quite secure Unlike his famous contemporaries such asIngmar Bergman and Luchino Visconti whose essential contribution to the art of cinema is hardly ever questioned Antonioni s work has been repeatedly denigrated from many angles for both aesthetic and political reasons Though the historical importance of some of Antonioni s films as an incarnation of certain attitudes and problems characteristic of the 1960s and 70s is not denied they are often considered pass artificial and boring Contesting prevalent readings which focus on existential and psychological motifs involving anxiety and the malady of sentiments this book offers a re evaluation of Antonioni s most important films interpreted as political cinema engaged with issues which are still crucial

in the 21st century Far from being politically neutral Antonioni's oblique and abstract approach makes possible the prising open and devaluation of the morally and politically constrictive organic narrative structures His approach overthrows the primacy of character and plot on the one hand by showing them to be emanations of the spectral materiality of capital and on the other hand by allowing for an opening into the utopian dimension implying engagement in the rethinking of our attachments to the world Sophie's Secret Anne Weale,2011-07-15 Unprofessional behavior Sophie's calm cool

professional facade hid many secrets For a start Sophie had an incurably romantic nature So when she was offered a post as Marc Washington's PA she jumped at the chance to return to Venice a place for lovers a place for dreams Yet Marc Washington hardly seemed the sort of man who would tolerate Sophie's romantic heart or her past should he ever remember the part he'd played in it **Secret Journal 1836-1837** Aleksandr Sergeevich Pushkin,1990 HER BABY, HIS SECRET
