## **Sectional Crisis And Northern Methodism:**

**The Sectional Crisis and Northern Methodism** Donald G. Jones, 1979 *The War against Proslavery Religion* John R. McKivigan, 2018-07-05 Reflecting a prodigious amount of research in primary and secondary sources this book examines the efforts of American abolitionists to bring northern religious institutions to the forefront of the antislavery movement John R. McKivigan employs both conventional and quantitative historical techniques to assess the positions adopted by various churches in the North during the growing conflict over slavery and to analyze the stratagems adopted by American abolitionists during the 1840s and 1850s to persuade northern churches to condemn slavery and to endorse emancipation Working for three decades to gain church support for their crusade the abolitionists were the first to use many of the tactics of later generations of radicals and reformers who were also attempting to enlist conservative institutions in the struggle for social change To correct what he regards to be significant misperceptions concerning church oriented abolitionism McKivigan concentrates on the effects of the abolitionists frequent failures the division of their movement and the changes in their attitudes and tactics in dealing with the churches By examining the pre Civil War schisms in the Presbyterian Baptist and Methodist denominations he shows why northern religious bodies refused to embrace abolitionism even after the defection of most southern members He concludes that despite significant antislavery action by a few small denominations most American churches resisted committing themselves to abolitionist principles and programs before the Civil War In a period when attention is again being focused on the role of religious bodies in influencing efforts to solve America's social problems this book is especially timely

**The Cambridge Companion to American Methodism** Jason E. Vickers, 2013-10-07 A comprehensive introduction to various forms of American Methodism exploring the beliefs and practices around which the lives of these churches have revolved

**The Times Were Strange and Stirring** Reginald F. Hildebrand, 1995-07-24 With the conclusion of the Civil War the beginnings of Reconstruction and the realities of emancipation former slaves were confronted with the possibility of freedom and with it a new way of life In *The Times Were Strange and Stirring* Reginald F. Hildebrand examines the role of the Methodist Church in the process of emancipation and in shaping a new world at a unique moment in American African American and Methodist history Hildebrand explores the ideas and ideals of missionaries from several branches of Methodism the African Methodist Episcopal Church the Colored Methodist Episcopal Church and the northern based Methodist Episcopal Church and the significant and highly charged battle waged between them over the challenge and meaning of freedom He traces the various strategies and goals pursued by these competing visions and develops a typology of some of the ways in which emancipation was approached and understood Focusing on individual church leaders such as Lucius H. Holsey Richard Harvey Cain and Gilbert Haven and with the benefit of extensive research in church archives and newspapers Hildebrand tells the dramatic and sometimes moving story of how missionaries labored to organize their denominations in the black South and of how they were overwhelmed at

times by the struggles of freedom      **Church and State in America: A Bibliographical Guide** Bloomsbury Publishing,1987-08-14 The second in a two volume bibliography on church state relations in U S history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the Civil War to the present day Each essay reviews the available relevant literature and the listings emphasize critical studies and documents published in the last quarter century This reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively

White Americans in Black Africa Eunjin Park,2021-11-18 First Published in 2002 This compelling book brings to light a disillusioned experiment of biracial missionary labours that were expected to carry the beliefs and cultural values of nineteenth century white Americans to the black continent of Africa      **Laughter in the Amen Corner** Kathleen Minnix,2010-06-01 Samuel Porter Jones 1847 1906 or just plain Sam Jones as he preferred to be called was the foremost southern evangelist of the nineteenth century With his high spirited often coarse humor and his hyperbolic style he excited audiences around the country and became a key influence on Billy Sunday Gypsy Smith and scores of lesser known evangelists A leading political activist he played an important role in the selling of a new industrialized South and was thus a clerical counterpart to his friend Henry Grady In *Laughter in the Amen Corner* the first scholarly biography of Jones Kathleen Minnix reveals a figure of fascinating contradictions Jones was an alcoholic who became a pivotal supporter of the prohibition movement He advocated women s rights when most men preferred to keep women on pedestals yet he followed the South in its drift towards malignant racism He praised Catholics in an age that feared the Romish heresy and he embraced Jews as fellow children of God when many saw them as Christ killers Even so he was shrill in his insistence that Americans worship a Protestant God and like many nativists he called for the deportation of the trash who had landed at Ellis Island Progressive in some respects and reactionary in others he was in the words of one contemporary a sanctified circus in full swing Deftly written and exhaustively researched *Laughter in the Amen Corner* offers the first in depth assessment of Sam Jones s impact on revivalism the progressive movement and the history of the South      *Lincoln* Richard Carwardine,2007-01-09 As a defender of national unity a leader in war and the emancipator of slaves Abraham Lincoln lays ample claim to being the greatest of our presidents But the story of his rise to greatness is as complex as it is compelling In this superb prize winning biography acclaimed historian Richard Carwardine examines Lincoln s dramatic political journey from his early years in the Illinois legislature to his nation shaping years in the White House Here Carwardine combines a new perspective with a compelling narrative to deliver a fresh look at one of the pillars of American politics He probes the sources of Lincoln s moral and political philosophy and uses his groundbreaking research to cut through the myth and expose the man behind it

God's Almost Chosen Peoples George C. Rable,2010 Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to

religion Now in God s Almost Chosen Peoples Li      **Our Country** Grant Brodrecht,2018-06-05 A welcome contribution to the growing literature on religion during the Civil War era Civil War News Northern evangelicals love of the Union arguably contributed to its preservation and the slaves emancipation but in subsuming the ex slaves to their vision for a Christian America northern evangelicals contributed to a Reconstruction that failed to ensure the ex slaves full freedom and equality as Americans By examining Civil War era Protestantism in terms of the Union Grant R Brodrecht adds to the understanding of northern motivation and the history that followed the war Our Country contends that non radical Protestants consistently subordinated concern for racial justice for what they perceived to be the greater good Mainstream evangelicals did not enter Reconstruction with the primary aim of achieving racial justice Rather they expected to see the emergence of a speedily restored prosperous and culturally homogenous Union a Union strengthened by God through the defeat of secession and the removal of slavery as secession s cause Brodrecht addresses this so called proprietary regard for Christian America within the context of crises surrounding the Union s existence and its nature from the Civil War to the 1880s Including sources from major Protestant denominations the book rests on a selection of sermons denominational newspapers and journals autobiographies archival personal papers of several individuals and the published and unpublished papers of Abraham Lincoln Andrew Johnson and Ulysses S Grant The author examines these sources as they address the period s evangelical sense of responsibility for America while keyed to issues of national and presidential politics      Skepticism and American Faith Christopher Grasso,2018-06-04 Between the American Revolution and the Civil War the dialogue of religious skepticism and faith shaped struggles over the place of religion in politics It produced different visions of knowledge and education in an enlightened society It fueled social reform in an era of economic transformation territorial expansion and social change Ultimately as Christopher Grasso argues in this definitive work it molded the making and eventual unmaking of American nationalism Religious skepticism has been rendered nearly invisible in American religious history which often stresses the evangelicalism of the era or the secularization said to be happening behind people s backs or assumes that skepticism was for intellectuals and ordinary people who stayed away from church were merely indifferent Certainly the efforts of vocal infidels or freethinkers were dwarfed by the legions conducting religious revivals creating missions and moral reform societies distributing Bibles and Christian tracts and building churches across the land Even if few Americans publicly challenged Christian truth claims many more quietly doubted and religious skepticism touched and in some cases transformed many individual lives Commentators considered religious doubt to be a persistent problem because they believed that skeptical challenges to the grounds of faith the Bible the church and personal experience threatened the foundations of American society Skepticism and American Faith examines the ways that Americans ministers merchants and mystics physicians schoolteachers and feminists self help writers slaveholders shoemakers and soldiers wrestled with faith and doubt as they lived their daily lives and tried to make sense of their world      Liquor in the Land of the Lost Cause Joe L.

Coker,2007-12-14 In the late 1800s Southern evangelicals believed contemporary troubles everything from poverty to political corruption to violence between African Americans and whites sprang from the bottles of demon rum regularly consumed in the South Though temperance quickly gained support in the antebellum North Southerners cast a skeptical eye on the movement because of its ties with antislavery efforts Postwar evangelicals quickly realized they had to make temperance appealing to the South by transforming the Yankee moral reform movement into something compatible with southern values and culture In *Liquor in the Land of the Lost Cause* Southern White Evangelicals and the Prohibition Movement Joe L Coker examines the tactics and results of temperance reformers between 1880 and 1915 Though their denominations traditionally forbade the preaching of politics from the pulpit an outgrowth of evangelical fervor led ministers and their congregations to sound the call for prohibition Determined to save the South from the evils of alcohol they played on southern cultural attitudes about politics race women and honor to communicate their message The evangelicals were successful in their approach negotiating such political obstacles as public disapproval the church's role in politics and vehement opposition to prohibition voiced by Jefferson Davis The evangelical community successfully convinced the public that cheap liquor in the hands of African American beasts and drunkard husbands posed a serious threat to white women Eventually the code of honor that depended upon alcohol centered hospitality and camaraderie was redefined to favor those who lived as Christians and supported the prohibition movement *Liquor in the Land of the Lost Cause* is the first comprehensive survey of temperance in the South By tailoring the prohibition message to the unique context of the American South southern evangelicals transformed the region into a hotbed of temperance activity leading the national prohibition movement

**The North and the Nation in the Era of the Civil War** Peter J. Parish,2003 In this rich collection a leading historian argues that in order to fully understand the Civil War we need to grasp the relationship between American national identity and the values of Northern society Northerners shaped nationalism into an ideology to justify and sustain a war against the South Parish explores politics and religion as sinews that connected Northerners to the Union cause

*The Evangelical War Against Slavery and Caste* Victor B. Howard,1996 This book is a biography of John G Fee who was a product of the Great Awakening of the early nineteenth century the economies of the small slave holding farm and the intimacies and comradeship of black and white children Born in Bracken County Kentucky in 1816 Fee is a unique figure in the antislavery movement Most abolitionists were northern born but they were assisted and supported by many antislavery men who left the South and worked against slavery from the northern states Both groups addressed themselves to the problem of slavery from the security of the North but Fee was born in the South and chose to live there and work against the peculiar institution from within its stronghold He became the most important and influential reformer to wage war against slavery in the South during the nineteenth century and ultimately had the longest career in race relations extending into the twentieth century From publisher's description

*A Kingdom Divided* April E. Holm,2017-12-11 A Kingdom Divided uncovers how evangelical

Christians in the border states influenced debates about slavery morality and politics from the 1830s to the 1890s Using little studied events and surprising incidents from the region April E Holm argues that evangelicals on the border powerfully shaped the regional structure of American religion in the Civil War era In the decades before the Civil War the three largest evangelical denominations diverged sharply over the sinfulness of slavery This division generated tremendous local conflict in the border region where individual churches had to define themselves as being either northern or southern In response many border evangelicals drew upon the doctrine of spirituality which dictated that churches should abstain from all political debate Proponents of this doctrine defined slavery as a purely political issue rather than a moral one and the wartime arrival of secular authorities who demanded loyalty to the Union only intensified this commitment to spirituality Holm contends that these churches insistence that politics and religion were separate spheres was instrumental in the development of the ideal of the nonpolitical southern church After the Civil War southern churches adopted both the disaffected churches from border states and their doctrine of spirituality claiming it as their own and using it to supply a theological basis for remaining divided after the abolition of slavery By the late nineteenth century evangelicals were more sectionally divided than they had been at war s end In *A Kingdom Divided* Holm provides the first analysis of the crucial role of churches in border states in shaping antebellum divisions in the major evangelical denominations in navigating the relationship between church and the federal government and in rewriting denominational histories to forestall reunion in the churches Offering a new perspective on nineteenth century sectionalism it highlights how religion morality and politics interacted often in unexpected ways in a time of political crisis and war

*Religion and the Antebellum Debate Over Slavery* John R. McKivigan, Mitchell Snay, 1998

Essays discuss proslavery arguments in the churches the urge toward compromise and unity the coming of schisms in the various denominations and the role of local conditions in determining policies

**Rebuilding Zion** Daniel W. Stowell, 2001-09-20

Both the North and the South viewed the Civil War in Christian terms Each side believed that its fight was just that God favored its cause *Rebuilding Zion* is the first study to explore simultaneously the reaction of southern white evangelicals northern white evangelicals and Christian freedpeople to Confederate defeat As white southerners struggled to assure themselves that the collapse of the Confederacy was not an indication of God s stern judgment white northerners and freedpeople were certain that it was Author Daniel W Stowell tells the story of the religious reconstruction of the South following the war a bitter contest between southern and northern evangelicals at the heart of which was the fate of the freedpeople s souls and the southern effort to maintain a sense of sectional identity Central to the southern churches vision of the Civil War was the idea that God had not abandoned the South defeat was a Father s stern chastisement Secession and slavery had not been sinful rather it was the radicalism of the northern denominations that threatened the purity of the Gospel Northern evangelicals armed with a vastly different vision of the meaning of the war and their call to Christian duty entered the post war South intending to save white southerner and ex slave alike The freedpeople however drew their own

providential meaning from the war and its outcome The goal for blacks in the postwar period was to establish churches for themselves separate from the control of their former masters Stowell plots the conflicts that resulted from these competing visions of the religious reconstruction of the South By demonstrating how the southern vision eventually came to predominate over but not eradicate the northern and freedpeople's visions for the religious life of the South he shows how the southern churches became one of the principal bulwarks of the New South a region marked by intense piety and intense racism throughout the twentieth century New Perspectives on Race and Slavery in America Robert H. Abzug, Stephen E. Maizlish, 1986-01-01 *Religion and the Radical Republican Movement* Victor B. Howard, 2021-03-17 A distinctive contribution on the influence of Christians on Union politics during the Civil War era Ohio History Religion and the Radical Republican Movement 1860-1870 is a study of the interplay of religion and politics during the Civil War era More specifically it examines the extent to which religion set the moral tone of the North during the period of 1860 through 1870 Howard focuses on the growing influence of the evangelical and liberal churches during the period This influence was largely exerted through the agency of the radical Republicans a faction that took an extreme position on war measures and on reconstruction after the war This book examines the degree to which radicalism was inspired by moral motivation and the action that followed the moral commitment The author's prodigious research and stacks of quotations convincingly display the northern church's commitment to black suffrage and to the era's important congressional legislation bearing on black rights and other central Reconstruction issues Choice *The Sacred Remains* Gary Laderman, 1996-01-01 A primary goal of this study is to shed some light on how changing attitudes toward death and the dead in the previous century have led to present day perspectives and practices Page 1

The Top Books of the Year Sectional Crisis And Northern Methodism The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Sectional Crisis And Northern Methodism : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sectional Crisis And Northern Methodism : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

## **Sectional Crisis And Northern Methodism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sectional Crisis And Northern Methodism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sectional Crisis And Northern Methodism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sectional Crisis And Northern Methodism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About Sectional Crisis And Northern Methodism Books

1. Where can I buy Sectional Crisis And Northern Methodism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sectional Crisis And Northern Methodism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
