## **Secure Child Helping Our Children Feel Safe And Confident In A Changing World:**

*The Secure Child* Stanley I Greenspan, Stanley Greenspan, 2009-07-21 In this warmly supportive book Dr Stanley Greenspan offers a set of guiding principles to help parents of children from preschoolers to teenagers so that they feel secure in their homes their schools and in their community at large He also illuminates the often subtle shifts in children's behavior that signal reaction to current stress and fears and gives parents concrete suggestions to help children handle their anxieties The Secure Child will help families everywhere move toward the common goal of a more stable and secure future

**Effective Parenting for the Hard-to-Manage Child** Georgia A. DeGangi, Anne Kendall, 2007-11-14 Effective Parenting for the Hard to Manage Child is a skills based book for parents who need practical advice from experts without all the jargon and generalizations The book provides specific strategies and techniques for children who are intense highly reactive and unable to self calm It integrates various treatment approaches in a clear and accessible manner and offers the best kept secrets from the fields of mental health and occupational therapy The book emphasizes key concepts and everyday activities that will help children take charge of their problems and it is an invaluable resource for any parent faced with the challenge of a hard to manage child

**Self-Reg** Dr. Stuart Shanker, 2016-06-21 There's no such thing as a bad kid That's what a lifetime of experience has taught Dr Stuart Shanker No matter how difficult out of control distracted or exhausted a child might seem there's a way forward self regulation Overturning decades of conventional wisdom this radical new technique allows children and the adults who care for them to regain their composure and peace of mind Self Reg is a groundbreaking book that presents an entirely new understanding of your child's emotions and behavior and a practical guide for parents to help their kids engage calmly and successfully in learning and life Grounded in decades of research and working with children and parents by Dr Shanker Self Reg realigns the power of the parent child relationship for positive change Self regulation is the nervous system's way of responding to stress We are seeing a generation of children and teens with excessively high levels of stress and as a result an explosion of emotional social learning behavior and physical health problems But few parents recognize the hidden stressors that their children are struggling with physiological as well as social and emotional An entrenched view of child rearing sees our children as lacking self control or willpower but the real basis for these problems lies in excessive stress Self regulation can dramatically improve a child's mood attention and concentration It can help children to feel empathy and to cultivate the sorts of virtues that most parents know are vital for their child's long term wellbeing Self regulation brings about profound and lasting transformation that continues throughout life Dr Shanker translates decades of his findings from working with children into practical prescriptive advice for parents giving them concrete ways to develop their self regulation skills and teach their children to do the same and engage successfully with life for optimal learning social and emotional growth

**Kids' Club Letters** Georgia A. DeGangi, Marc A. Nemiroff, 2009-08-26 Kids Club Letters provides an innovative approach to group psychotherapy for school aged children who

experience a range of social and emotional problems A narrative therapy approach is adapted taking the form of letters written by the therapist in the voice of a child who is asking for advice about interpersonal or emotional problems The child in the letter is asking for guidance from the participants in the group These letters were devised and written for the purpose of structuring responses in group psychotherapy allowing the participants to address relevant issues for them individually and at the group level The children in the groups had previously experienced difficulty discussing these issues spontaneously Hence the Dear Group letter format was born The children did not know that the therapist had written the letters
