Secure Forever:

Secure Forever Robert Metevia, 2012-06-26 This book is a must read for anyone seeking the assurance and peace of mind that their salvation once received is forever and can never be lost It is also a must read for those who want to defend this precious doctrine and pass along to fellow believers the truth that will set them free No longer will it be necessary to walk on eggshells trying to keep what only God can keep This book will enlighten the understanding of its readers to see that the truth of their new position in Christ is absolutely perfect before God while their practice is flawed It will also reveal that Gods work of justification declares them righteous forever while His work of sanctification makes them righteous in their behavior A number of other theological distinctions will be made to help the readers understand the permanency of their salvation such as the differences between salvation faith and service faith innate knowledge and head knowledge sinner and saint the believers relationship with God and his fellowship with God judicial forgiveness and parental forgiveness and a distinction between the words faith of Christ and faith in Christ This book will also reveal the warfare that goes on in the minds of believers preventing them from going for broke and trusting in Christ and Christ alone for their salvation To trust in Christ plus ones own ability to maintain a certain level of faith is not to trust in Christ alone to complete what He has started but instead to trust in Christ plus human effort The truth of once saved always saved will motivate believers to serve God not out of a fear of losing their salvation but out of gratitude that they are kept by Gods power to serve others and can never be lost

Secure Forever! God's Promise Or Our Perseverance? , *Secure Forever* Harold Barker, 1986 *Secure Forever* Harold Barker, 2004-08-01 *Secure Forever* is the most comprehensive book available today in support of the Christian doctrine of eternal security answering all questions and opposing arguments *Secure Forever! God's Promise Or Our Perseverance?* Thomas M. Cucuzza, 2007-03-01 Many people today shy away from the word doctrine However sound doctrine is simply healthy teaching and is foundational for quality Christian living As one man so eloquently said Doctrine is the skeleton of our faith All other issues hang on it If a book on doctrine is well crafted impassioned and true to the Word of God then it should not only be a good read but indeed a must read Such is the book that you hold in your hands This practical book unravels the layers of man's opinion placed on the truth of God over time that have resulted in much confusion It covers such vital concepts as salvation and its eternal nature sin in the Christian life and the true foundation for assurance It brings us face to face with God's promises to not only save us by His grace but to keep us *Secure Forever* Dr Thomas M Cucuzza is the founding pastor of Northland Bible Baptist Church in St Cloud Minnesota which began over 25 years ago This growing local church includes a Christian school preschool and many other ministries for all ages Dr Cucuzza is committed to the expository preaching of the Word of God He is also the featured speaker on the radio program Voice of Assurance He and his wife Sue are the parents of three daughters
