Securities Elizabeth Glass Geltman,1994 *Cases and Materials on the Law of the Sea, Second Edition* Louis B. Sohn,John Noyes,Erik Franckx,Kristen Juras,2014-05-08 A special course adoption price is available for an order of six or more copies from a university bookstore Contact sales us brill com or sales nl brill com to learn more This second edition of *Cases and Materials on the Law of the Sea* has been updated to address significant developments that have occurred in the law of the sea since the publication of the first edition in 2004 The text compiles cases treaties U N documents commentaries and other teaching materials that systematically present law of the sea topics while placing those issues in the broader context of international law and international legal process The book incorporates relevant historical materials alongside materials addressing more recent topics such as port security the depletion of fish stocks and the operation of new international institutions Extensive notes and discussion questions engage readers and enhance their understanding of the materials *California Cases on Security Transactions in Land* Richard Callender Maxwell,1984 **Security and Environmental Sustainability of Multimodal Transport** Michael Bell,Solmaz Haji Hosseinloo,Urszula Kanturska,2010-06-07 Not until the recent attacks on transport systems has transport security become a focus of public concern and academic research Various aspects of transport security have already been analysed under different agendas Some research was focused on the potential risk to the environment resulting from transport in particular from the transport of hazardous or dangerous goods while other research considered critical elements of transport networks or supply chains as vital lifelines in the case of natural disasters Recently new threats stimulated interest in transport security as a stand alone issue placing it at the forefront of political and academic agendas A NATO Advanced Research Workshop held at Imperial College London in January 2009 brought together those with expertise in the above mentioned fields in order to verify the current state of knowledge in the field and identify promising areas for future work The workshop concentrated on maritime and intermodal transport risk management and long term strategic planning rather than on the details of monitoring or detection techniques This collection of papers emanates largely from that workshop While transport systems are widely recognized as terrorist targets complete protection of these systems is economically and practically infeasible The workshop looked at analytical methods to identify critical points in the transport infrastructure and the prioritization of defensive and mitigating measures given the limited resources available Deficiencies in methods for conducting such an assessment were identified and the need for cost effective mitigation measures was emphasized Environmental Change and Security Project Report ,2002 Future of the Nuclear Security Environment in 2015 Russian Academy of Sciences,National Academy of Sciences,Policy and Global Affairs,Committee on International Security and Arms Control,Joint Committees on the Future of the Nuclear Security Environment in 2015,2009-02-02 The U S National Academies NAS and the Russian Academy of Sciences RAS building on a foundation of years of interacademy cooperation conducted a joint project to identify

U S and Russian views on what the international nuclear security environment will be in 2015 what challenges may arise from that environment and what options the U S and Russia have in partnering to address those challenges The project s discussions were developed and expanded upon during a two day public workshop held at the International Atomic Energy Agency in November 2007 A key aspect of that partnership may be cooperation in third countries where both the U S and Russia can draw on their experiences over the last decade of non proliferation cooperation More broadly the following issues analyzed over the course of this RAS NAS project included safety and security culture materials protection control and accounting MPC A best practices sustainability nuclear forensics public private partnerships and the expansion of nuclear energy

Enhancing Security, Sustainability and Resilience in Energy, Food and Water Marko Keskinen, Suvi Sojamo, Olli Varis, 2020-03-10 This book looks at the ways that energy food and water help to create connections between sustainability and security The concept of security is in our current societies increasingly connected with sustainability which seeks to ensure that we as humans are able to live and prosper on this planet now and in the future The concepts of energy security food security and water security used separately or together manifest the burgeoning linkages between security and sustainability This book brings together ten scientific articles that look at different aspects of security sustainability and resilience with an emphasis on energy food and or water in the context of Finland and Europe Together the articles portray a rich picture on the diverse linkages between both energy food and water and between security and sustainability In sum the articles and related preface conclude that ensuring sustainable security or secure sustainability requires systemic structured processes that link the policies and actors in these two important but still distant fields

Liberal Peace: On Conflict, Gender, and Peacebuilding: Democratic Republic of Congo Case Study Nkwazi. N. Mhango, Evelyn Birabwa M. Namakula, 2024-08-21 In this book the authors analyse and offer some insights into the history of the Democratic Republic of Congo DRC The story is told within the context of its conflicts with an exploration of the complex and multilayered conflict causes and the attempts to resolve the conflict based on liberal peacebuilding The book delves into an examination of gender relations in the country with insight into the gendered dimensions of conflict in the DRC and how liberal peace failed to resolve the conflict because of hidden agendas and interests by the West and other emerging powers as a typical replica of what has been ongoing in many conflict laden countries

societies The book is divided into two major parts The first part as noted above delves into and dwells on the historicity and ontology of the conflict The second part focuses on the various attempts at peacemaking that have taken place in the country with emphasis on how liberal peace has failed to resolve the conflict The book analyses various peacemaking strategies that have been employed and the role of women or lack thereof in peacemaking and peacebuilding processes and finally the failures strengths and weaknesses of international intervention strategies **Advancing East Asian Regionalism** Melissa Curley, Nicholas Thomas, 2012-10-12 Developments in East Asia have progressed rapidly in terms of regionalism since the 1997 crisis The end of the Asian miracle called into question not only the capacity of regional states to meet the needs of their attendant peoples but also challenged the viability of regional organizations such as ASEAN to adapt and respond to the changing circumstances Advancing East Asian Regionalism looks at the ways in which ASEAN has expanded since the crisis and evaluates the potential of East Asia to come together in a regional formation one capable of representing the region as a whole akin to the European Community It draws upon the knowledge and perspectives of academics and policy makers actively engaged in the contradictory issues of regionalism Coupling case study material on regionalism institutions and sectoral cooperation with theoretical debates on regionalization this book is an invaluable resource that pushes our understanding of East Asian regionalism forward International Political Science Mr. Rohit Manglik, 2024-02-14 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels
