**Guide to the Archive of Art and Design** Elizabeth Lomas, 2019-09-17 The Archive of Art and Design at the Victoria Albert Museum contains Britain's foremost collection of primary source material relating to art and design particularly of the twentieth century Established in 1978 the Archive holds over 200 archives created by individual artists craftspeople and designers and businesses and societies involved in the manufacture and promotion of art and design products The Guide describes each archive in detail offering information about its creator its contents and related sources held both inside and outside the V A Museum It is an invaluable reference text for everyone with an interest in studying British art and design

Snatched from the Fire Dr. Lois E. Charles, 2018-05-23 The aim of the story in this book is to bring out the examples of what happens when we drift away from obedience to God as well as our parents It is an earthly story with a heavenly meaning Its a very high price to pay in life when our weaknesses become overwhelming to the point of disaster in our lives You will see how the choices we make in life can really determine how we live You will feel the heartbeat of mothers who want the best for their children You will see how much we owe to the influence of godly parents especially godly mothers You will see through the eyes of mothers who regardless of the age of her children still have that bosom care in her heart Your child will see how trouble is easy to get into but hard to get out of If all our children would think of the consequences before their actions it can make a big difference in the outcome of many situations It is sad to say that parents are out living their children The younger generation is to produce to carry on the next generations the elderly cannot We are at a breach of a fruitless world

*I Gave You All I Had* Zoé Valdés, 1999 *I Gave You All I Had* introduces Cuca Martinez a k a Cuquita Cuchita the Girl the youngest child in a brood of five born in prerevolutionary Cuba to a flighty would be actress and a Chinese enthusiast of New World riches upon whom fortune has consistently failed to smile At sixteen she heads for Havana in search of work BOOK JACKET There a pair of strumpets named La Mechanga and La Puchanga introduce her to the sweet mischief of nighttime Havana in which she meets Juan the love of her life only to see him disappear for eight years When Juan resurfaces on the eve of the Revolution Cuca believes her dreams are finally to be realized but the political climate and Juan's shady dealings force him into hasty exile in America BOOK JACKET And so Cuca like Cuba itself waits She waits for the promised dreams of happiness of plenty of joy of love to arrive and watches her country slide into a barren repressive slumber And while she waits Cuca and her friends struggle in the midst of those shattered dreams to survive they improvise they scavenge they make love they remember and above all they talk BOOK JACKET

**Let's Rock!** Richard Aquila, 2016-10-28 Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend Let's Rock reclaims the lost history of rock roll Based on years of research as well as interviews with Bo Diddley Pat Boone and other rock roll pioneers the book offers new information and fresh perspectives about Elvis the rise of rock roll and 1950s America Rock roll is intertwined with the rise of a post World War II youth culture

the emergence of African Americans in society the growth of consumer culture technological change the expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila's book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era's conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music's origins reminds us of the common history we all share Music lovers who grew up during rock roll's early years as well as those who have come to it more recently will find Let's Rock an exciting historical and musical adventure
