Marián Gálík

Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values:

Seeds of Decadence in the Late Nineteenth-Century Novel Suzanne Nalbantian, 1988-08-22 A comparative assessment of the transmutation of a decadent mentality into an identifiable narrative style The author examines the work of five major novelists in the last quarter of the nineteenth century and attempts to trace perplexities perversities and combinations of excess

Decadence: A Very Short Introduction David Weir, 2018-03-09 The history of decadent culture runs from ancient Rome to nineteenth century Paris Victorian London fin de siècle Vienna Weimar Berlin and beyond The decline of Rome provides the pattern for both aesthetic and social decadence a pattern that artists and writers in the nineteenth century imitated emulated parodied and otherwise manipulated for aesthetic gain What begins as the moral condemnation of modernity in mid nineteenth century France on the part of decadent authors such as Charles Baudelaire ends up as the perverse celebration of the pessimism that accompanies imperial decline This delight in decline informs the rich canon of decadence that runs from Joris Karl Huysmans's *Rebours* to Oscar Wilde's *The Picture of Dorian Gray* Aubrey Beardsley's drawings Gustav Klimt's paintings and numerous other works In this *Very Short Introduction* David Weir explores the conflicting attitudes towards modernity present in decadent culture by examining the difference between aesthetic decadence the excess of artifice and social decadence which involves excess in a variety of forms whether perversely pleasurable or gratuitously cruel Such contrariness between aesthetic and social decadence led some of its practitioners to substitute art for life and to stress the importance of taste over morality a maneuver with far reaching consequences especially as decadence enters the realm of popular culture today

ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Decadences - Morality and Aesthetics in British Literature Paul Fox, 2014-05-01 This revised and expanded volume examines the intersections of aesthetics and morality and asks what Decadence means to art and society at various moments in British literature As time passes the definition of what it takes to be D decadent changes The decline from a higher standard social malaise aesthetic ennui all these ideas presume certain facts about the past the present and the linear nature of time itself To reject the past as a given and to relish the subtleties of present nuance is the beginning of Decadence The conflict underlying the contributions to this collection is that of society's moral contempt vis à vis the focus on the fleeting present on part of the purportedly decadent artists who in turn thought the truly decadent to be the stranglehold society maintained on individual interpretation and the interpretation of oneself

Atlantic Republic Paul Giles, 2006-11-23 *Atlantic Republic* traces the legacy of the United States both as a place and as an idea in the work of English writers from 1776 to the present day Seeing the disputes of the Reformation as a precursor to this transatlantic divide it argues that America has operated since the Revolution as a focal

point for various traditions of dissent within English culture By ranging over writers from Richard Price and Susanna Rowson in the 1790s to Angela Carter and Salman Rushdie at the turn of the twenty first century the book argues that America haunts the English literary tradition as a parallel space where ideology and aesthetics are configured differently Consequently it suggests many of the key episodes in British history parliamentary reform in the 1830s the imperial designs of the Victorian era the twentieth century conflict with fascism the advance of globalization since 1980 have been shaped by implicit dialogues with American cultural models Rather than simply reinforcing the benign myth of a special relationship Paul Giles considers how various English writers over the past 200 years have engaged with America for various complicated reasons its promise of political republicanism Byron Mary Shelley its emphasis on religious disestablishment Clough Gissing its prospect of pastoral regeneration Ruxton Lawrence its vision of scientific futurism Huxley Ballard The book also analyses the complex cultural relations between Britain and the United States around the time of the Second World War suggesting that writers such as Wodehouse Isherwood and Auden understood the United States and Germany to offer alternative versions of the kind of technological modernity that appeared equally hostile to traditional forms of English culture The book ends with a consideration of ways in which the canon of English literature might appear in a different light if seen from a transnational rather than a familiar national perspective

Victorian Contexts Murray Roston,1996-09-30 Examines how both artist and writer in the Victorian era responded to the shared challenges assumptions and dilemmas of their time often unaware that the same problems were being confronted in the kindred media The placing of such writers as Dickens G Eliot Hopkins and Henry James within the context of Victorian painting architecture and interior design offers fresh insights into their works as well as reassessments of such themes as the mid century representation of the Fallen Woman or the impact of commodity culture upon contemporary aesthetic standards

George Eliot and Victorian Historiography Neil McCaw,2000-07-25 In this new study of George Eliot s fiction textual attempts to imagine a coherent and unified national past are seen as producing a contradictory vision of Englishness It is a historiographical national identity constructed in the image of predominant and conflicting trends in the Victorian writing of history The inherent uncertainty caused by the shift between different perceptions of English history leads in the later fiction to an abandonment of contemporaneous grand narratives The consequence is a history that anticipates a more modern radical philosophy of history

The English Novel In History 1840-1895 Elizabeth Ermarth,2006-09-07 The construction of history as a social common denominator is a powerful achievement of the nineteenth century novel a form dedicated to experimenting with democratic social practice as it conflicts with economic and feudal visions of social order Through revisionary readings of familiar nineteenth century texts *The English Novel in History 1840 1895* takes a multidisciplinary approach to literary history It highlights how narrative shifts from one construction of time to another and reformulates fundamental ideas of identity nature and society Elizabeth Ermarth discusses the range of novels alongside other cultural material including painting science religious political and

economic theory She explores the problems of how a society as defined in democratic terms can accommodate political gender and class differences without resorting to hierarchy and how narrowly conceived economic agendas compete with social cohesion Students advanced undergraduates postgraduates and specialists will find this text invaluable Chesterton and Evil Mark Knight,2004 Here Knight crafts a portrait of Chesterton the Fleet Street newspaperman who was able to entertain vast audiences as well as the thinker who could illuminate serious questions about justice fairness and faith and who helped confront the new evils of the new century by creating works that gave vivid form to enduring truths about the good BOOK JACKET **Virtual Americas** Paul Giles,2002-08-15 A discussion on the ways in which representations in the U

S have been deflected from mythic to virtual phenomena in literary and cultural works of the modern era Modernism Astradur Eysteinsson,Vivian Liska,2007-10-04 The two volume work Modernism has been awarded the prestigious 2008 MSA Book Prize Modernism has constituted one of the most prominent fields of literary studies for decades While it was perhaps temporarily overshadowed by postmodernism recent years have seen a resurgence of interest in modernism on both sides of the Atlantic These volumes respond to a need for a collective and multifarious view of literary modernism in various genres locations and languages Asking and responding to a wealth of theoretical aesthetic and historical questions 65 scholars from several countries test the usefulness of the concept of modernism as they probe a variety of contexts from individual texts to national literatures from specific critical issues to broad cross cultural concerns While the chief emphasis of these volumes is on literary modernism literature is seen as entering into diverse cultural and social contexts These range from inter art conjunctions to philosophical environmental urban and political domains including issues of race and space gender and fashion popular culture and trauma science and exile all of which have an urgent bearing on the poetics of modernity

Sexual Dissidence Jonathan Dollimore,2018-09-19 Why is homosexuality socially marginal yet symbolically central Why in other words is it so strangely integral to the very societies which obsessively denounce it and why is it history history rather than human nature which has produced this paradoxical position These are just some of the questions explored in this wide ranging study of sexual dissidence which returns to the early modern period in order to focus question and develop issues of postmodernity In the process it brilliantly links writers as diverse as Shakespeare Gide Wilde and Genet and cultural critics as different as St Augustine Freud Fanon Foucault and Monique Wittig So Freud s theory of perversion is discovered to be more challenging than either his critics or his advocates usually allow especially when approached via the earlier period s archetypal perverts the religious heretic and the wayward woman Satan and Eve The book further shows how the literature histories and sub cultures of sexual and gender dissidence prove remarkably illuminating for current debates in literary theory psychoanalysis and cultural materialism It includes chapters on transgression and its containment contemporary theories of sexual difference homophobia the gay sensibility transvestite literature in the culture and theatre of Renaissance England homosexuality and race *Death, Desire and Loss in Western Culture* Jonathan Dollimore,2013-07-04

Death Desire and Loss in Western Culture is a rich testament to our ubiquitous preoccupation with the tangled web of death and desire In these pages we find nuanced analysis that blends Plato with Shelley H lderlin with Foucault Dollimore a gifted thinker is not content to summarize these texts from afar instead he weaves a thread through each to tell the magnificent story of the making of the modern individual **Aharon Appelfeld** Yig'al Shyarts,2001 A compelling study of the entire oeuvre of a widely published Israeli writer now available in English **Sexualities in Victorian Britain** Andrew H. Miller,1996-12-22 Presents an introduction to Victorian sexualities This book contains essays that will energize reflection on the complexity of human sexuality and on the many different arrays of meaning that it has generated *Fin de Siècle (decadence) in Sino-Western Literary Confrontation* Marián Gálik,2005 **Yearbook of Comparative and General Literature** ,1986 Choice ,1984 Book Review Digest ,1985 Southern Review ,1985 **Cumulative Bibliography of Victorian Studies** ,1970

Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values Introduction

In today's digital age, the availability of Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit

organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Seeds Of Decadence In The Late Nineteenth Century Novel A Crisis In Values books and manuals for download and embark on your journey of knowledge?
