It invites the reader to slow down, change focus, and look for a spiritual meaning and purpose to life, then share what they have learned with a child. Detailed teaching modules are provided to enable them to do so. Anecdotes are also included to emphasize the great potential of each child. As this book demonstrates, SETS once learned will play a vital role in the lives of children who will be expected with honor and unflinching resolve to play leading roles in the future of our communities.
