and other *science* questions

A colorful illustration of a seesaw in a park. A girl with dark hair, wearing a purple shirt and red overalls, is on the left side of the seesaw, sitting high in the air with her right arm raised. A boy with brown hair, wearing a red sweater and blue pants, is on the right side, sitting low to the ground. A white dog is sitting on the ground to the left of the seesaw. The background shows green bushes and a blue sky with several white triangles of different sizes floating around. A speech bubble from the boy contains the text 'How can the two of us make the seesaw balance?'.
