Seldom Disappointed:

Seldom Disappointed Tony Hillerman, 2013-05-21 When Tony Hillerman looks back at seventy six years spent getting from hardtimes farm boy to bestselling author he sees lots of evidence that Providence was poking him along For example when an absentminded Army clerk left him off the hospital ship taking the wounded home from France the mishap put him on a collision course with a curing ceremony held for two Navajo Marines thereby providing the grist for a writing career that now sees his books published in sixteen languages around the world and often on bestseller lists Or for example when his agent told him his first novel was so bad that it would hurt both of their reputations he nonetheless sent it to an editor and that editor happened to like the Navajo stuff In this wry and whimsical memoir Hillerman offers frequent backward glances at where he found ideas for plots of his books and the characters that inhabit them He takes us with him to death row where he interviews a man about to die in the gas chamber and details how this murderer became Colton Wolf in one of his novels He relates how flushing a solitary heron from a sandbar caused him to convert Joe Leaphorn from husband to widower and how his self confessed bias against the social elite solved the key plot problem in *A Thief of Time* No child abuse stories here The worst Hillerman can recall is being sent off to first grade in a boarding school for Indian girls clad in cute blue coveralls instead of the manly overalls his farm boy peers all wore Instead we get a good natured trip through hard times in college an infantry career in which he rose twice to Private First Class and also won a Silver Star Bronze Star and Purple Heart and afterward work as a truck driver chain dragger journalist professor and doer of undignified deeds for two university presidents All this is colored by a love affair now in its fifty fourth year with Marie which involved raising six children most of them adopted Using the gifts of a talented novelist and reporter seventy six year old Tony Hillerman draws a brilliant portrait not just of his life but of the world around him *Seldom Disappointed* Tony Hillerman, 1919-06 *Tony Hillerman* James McGrath Morris, 2021-10-14 2022 Mystery Writers of America Edgar Award Finalist The author of eighteen spellbinding detective novels set on the Navajo Nation Tony Hillerman simultaneously transformed a traditional genre and unlocked the mysteries of the Navajo culture to an audience of millions His best selling novels added Navajo Tribal Police detectives Joe Leaphorn and Jim Chee to the pantheon of American fictional detectives Morris offers a balanced portrait of Hillerman s personal and professional life and provides a timely appreciation of his work In intimate detail Morris captures the author s early years in Depression era Oklahoma his near death experience in World War II his sixty year marriage to Marie his family life including six children five of them adopted his work in the trenches of journalism his affliction with PTSD and its connection to his enchantment with Navajo spirituality and his ascension as one of America s best known writers of mysteries Further Morris uncovers the almost accidental invention of Hillerman s iconic detective Joe Leaphorn and the circumstances that led to the addition of Jim Chee as his partner Hillerman s novels were not without controversy Morris examines the charges of cultural appropriation leveled at the author toward the end of his life Yet for many readers including

many Native Americans Hillerman deserves critical acclaim for his knowledgeable and sensitive portrayal of Din Navajo history culture and identity At the time of Hillerman s death more than 20 million copies of his books were in print and his novels inspired Robert Redford to adapt several of them to film In weaving together all the elements of Hillerman s life Morris drew on the untapped collection of the author s papers extensive archival research interviews with friends colleagues and family as well as travel in the Navajo Nation Filled with never before told anecdotes and fresh insights Tony Hillerman will thrill the author s fans and awaken new interest in his life and literary legacy **Seldom Disappointed** Tony Hillerman,2001 **Seldom Disappointed [large Print]** Tony Hillerman,2001 **The Valve World** Justin Wallace McEachren,1922 Crane Valve World ,1923 *Harlequin Historical - June 2025 - Box Set 1 of 2* Bronwyn Scott,Lucy Morris,Helen Dickson,2025-05-22 Harlequin Historical brings you a captivating trio of thrilling new Regency romances in one collection This boxset includes HOW TO TEMPT AN EARL Part of Wed Within a Year By Bronwyn Scott Regency Kieran Parkhurst has been awarded the title of earl from the Crown blood money for the loss of his brother Keen to avenge him Kieran meets with a mysterious informant promising valuable information bringing him face to face with captivating Celeste Sharpton the ward of his enemy Celeste is risking her life to help Kieran so for her protection they go to his country estate Among Kieran s close knit family Celeste finally feels like she belongs but can she tempt the guarded earl into believing they have a future when the enemy is closing in THE LORD S MADDENING MISS Part of A Season to Wed By Lucy Morris Regency Since returning from Waterloo Lord Hawksmere has been a bad tempered recluse Having sworn never to burden a wife with his dour disposition Hawk plans to spend the season helping his impoverished sister But her annoyingly cheerful friend Miss Maggie Mackenzie is a distinct distraction Whisky heiress Maggie prefers brewing alcohol to being wooed Or that s what she tells herself from her place on the shelf Hawk is imposing interfering yet as their heated animosity melts into something even hotter will the self proclaimed spinster admit he s also infuriatingly attractive HIS UNLIKELY COUNTESS By Helen Dickson Regency Left penniless by her father s untimely death Joanna Somerville sets out to steal back the emerald necklace he gambled away but she s not the only masquerading highwayman intending to rob the coach that night William the long lost Earl of Evesham has also returned to reclaim a family heirloom and his birthright from his scheming stepbrother United against their common enemy William matches wits with the bold and captivating Joanna But he never expects their connection to go beyond revenge and lead to a scandalous affair with a most unlikely countess Legendary Locals of Albuquerque Richard Melzer,2015-05-25 Spanish settlers founded Albuquerque in 1706 making it the third of only four villas towns in colonial New Mexico Located in the Rio Abajo along a wide turn on the Rio Grande the settlement developed from a small farming community into New Mexico s largest most modern city Many notable men and women participated in this remarkable growth lending their talents and sacrificing their time energy and sometimes their very lives Dozens of these legendary figures are portrayed in this unique book with chapters devoted to those who played important roles in politics and
