Seemingly another lone gunman maneuvers his way through dozens of highly trained government law enforcement and intelligence professionals postures himself some 130 yards away from his intended target former US President Donald Trump fires at least six shots and strikes him in the ear Trump amazingly escaping an ugly death The deep state is now quickly circling the wagons trying to control the narrative before anyone can connect and make public the proverbial dots The recent Congressional hearings again show the intentional malfeasance on the part of our leading officials displaying their hatred and arrogance for the American people The circus would be laughable if our situation were not so serious the sheer level of evil that resides within their hearts and minds is truly remarkable They will stop at nothing to bring all the nations into that single world government detailed in the Bible Make no mistake America should these people not be expeditiously removed from their positions of power more destruction will befall us It is at this time and place where Christian tenets must prevail It is in this time where it is for all the marbles From our political birth until today our enemies have been within us Thomas Jefferson labeled this cabalistic group as designing men He made clear that education and morality were necessary keys to maintaining our liberty if education and morality remained close to the hearts and minds of the citizenry then we would pick good leaders and that we must train up each generation to be aware of what is going on in the world to check the tyranny

being imposed Just since the 1960 s Americans have given up their very lives to expose the real dangers to our republic men influenced and owned by evil belonging to secret societies and taking secret oaths Like President John Kennedy Martin Luther King Jr and Robert Kennedy and so many other lesser known patriots Donald Trump has called them out He is now squarely in their literal crosshairs But their failure to kill him has awakened many citizens and the annals of history will show John Adams quite correct the Wars of the Reformation Still go on The developed written record given us by many biographers and historians is a shameful propaganda campaign But truth is moving itself into the light designing men of academia too are being exposed Chief Justice John Marshall heralded by legal scholars across the spectrum led a rogue judiciary Henry Clay and Daniel Webster also praised within the written record headed a rogue legislature and President Andrew Jackson a man that Jefferson thought unfit for public office proved a despot to the constitution Indeed these men worked tirelessly to lay the foundations for a consolidated and tyrannical government bringing us to the point we have arrived today Let the truths displayed within these pages be known to the ends of the earth      **Decennial Edition of the American Digest** ,1919      *The Economist* ,1919      **Directory of American Scholars: Philosophy, religion and law** ,1999      *Irish Miscellany* ,1858      *Elementary and Secondary Education Act of 1965* United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Education,1965 Considers S 370 to strengthen and improve educational quality and educational opportunities in the nation s elementary and secondary schools
