The People of Harmony Baptist Church Bernadette Penelope Byrd,2012-09-24 The people in each chapter have gone through many problems physical and mental abuse death suicide murder alcoholism drugs marriage divorce children and adoption Sometime we as Christians forget that being a Christian means to forgive the inexcusable because God has forgiven the inexcusable in us Let the truth be told unless you let go unless you forgive yourself unless you forgive the people that did you wrong or harmed you in anyway unless you forgive the situation unless you realize that that situation is over you cannot move forward and God cannot bless you and we all want to be blessed Matthew 6 14 15 For if you forgive man and or woman when they sin against you your heavenly Father will also forgive you But if you do not forgive man and or woman their sins your Father will not forgive your sins The sense of the reality of spiritual things and the power to rest the thought upon them is as various as the power of flight in different birds See a great eagle soaring without effort high in the air or circling with undazzled eyes towards the sun A noble bird with such powers of flight and of sight pictures an affection for spiritual thought of the strongest most searching kind which rises highest above superficial appearances and takes the most comprehensive views of like the most in accord with the Divine wisdom Isaiah 40 31 But they that wait upon the LORD shall renew their strength they shall mount up with wings as eagles

Tommy's Wired and Mommy's Tired Rita Bergen,2020-04-07 Because super active children push the boundaries of society s expected behaviors moms of the hyperactive often feel alone misunderstood and judged while also being exhausted from handling that high energy child Tommy s Wired and Mommy s Tired offers hope to

these mothers through inspirational narratives based on the challenges Rita Bergen faced when parenting her hyperactive son. From her son's prenatal circus to out of control toddler years and an electrical childhood, Rita's anecdotes care for the needs of the mother by addressing a variety of topics specific to moms such as coping with emotions, managing your world, and understanding the realities of hyperactivity. Tommy's Wired and Mommy's Tired offers empathy and inspiration, not child raising formulas or behavior management tips. Many great books give advice for managing hyperactive behavior, yet these don't immediately improve a mother's fatigue because consistently implementing all the advice is a non-stop exhausting job. Therefore, Tommy's Wired and Mommy's Tired seeks to inspire courage rather than teach child raising strategies, offering perspective and hope to moms who face the difficult work of raising a super active child. The content also includes a letter from Rita's adult hyperactive son in which he thanks moms of wired children for their tireless effort, assuring them that all their blood, sweat, and tears are worth it in the end. A bonus section of Frequently Asked Questions provides helpful tips to family and friends who desire to help a struggling mother.
