Monastic Wisdom:

Essential Monastic Wisdom Hugh Feiss, 1999 For everyone seeking to experience some of the deep tranquility of contemplative life this artfully crafted guide brings together concise selections from the great writings of the tradition from Saint Benedict to Thomas Merton It explores all the essential ingredients of monastic life in brief chapters on such themes as speech humility discernment patience longing and love By providing a brief account of how monastic life evolved and the best examples of monastic writing through the centuries from the desert fathers to the medieval nuns Julian and Hildegard to John Chittister today Father Hugh Feiss offers a rich treasury of monastic wisdom on living a full life [A Monastic Introduction to Sacred Scripture](#) Thomas Merton, 2022-10-27 Thomas Merton gave numerous conferences during his decade 1955-1965 as novice master at the Cistercian Abbey of Gethsemani In [A Monastic Introduction to Sacred Scripture](#) Patrick F O Connell presents one of these a wide ranging introduction to biblical studies Drawing on church tradition teaching of recent papal documents and scholarly resources of the time Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners For Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving liberating consoling challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries how we are one with Jesus in them O Connell s extensive introduction situates this reflection in the context of Merton s evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council [Monastic Wisdom](#) Elder Joseph, 1999-10 Presented here for the first time in English as [Monastic Wisdom](#) this collection of Elder Joseph s letters makes the wealth of his wisdom and experience available to readers from all walks of life As his struggles and lifestyle of stillness unfold readers witness his difficult trials and battles with the demons his profound visions and spiritual guidance his martyric endurance in illnesses and finally his holy repose [Monastic Life: A Sign of Contradiction to the Fashionable Idols](#) Bonnie B. Thurston, 2016-02-09 Fairacres Publications 174 From its beginnings the monastic life has presented a counter cultural way of living a contemplative search for God dependent on simplicity of life at odds with society s latest fashions Monastic community life where the members are formed in love of God and of each other is a distinct challenge to idolatry and injustice reminiscent of the prophets of old Bonnie Thurston reflects on how the contemplative and prophetic voices of monasticism are expressed in the current context of twenty first century living

[Seeing With Our Souls](#) Joan Chittister, 2002-04 As part of her ongoing quest to break open monastic wisdom for the modern world Sr Joan Chittister s latest book addresses the question What qualities of the soul must be cultivated by each of us if we are to become a positive presence in a changing world Rooted in the ancient tradition of lectio divina sacred reading that connects Scripture with the pursuit of personal transformation [Seeing with Our Souls](#) highlights a key Bible passage for

each of twelve key qualities of soul and offers brief reflections that speak to the core of one's spiritual practice. Each reflection asks us to identify the political, spiritual, economic, and cultural choices we make and to assess our aspirations for the future. *Seeing with Our Souls* is ideal spiritual reading for busy people interested in gleaning scriptural and monastic wisdom for everyday life. **Western Monastic Spirituality** Roger Haight, Alfred Pach, Amanda Avila Kaminski, 2022-06-07

Western Monastic Spirituality presents three authors as individuals certainly but also as textual informants who like road markers represent a line of the development of a Western monastic spiritual tradition. John Cassian ca. 360-435 helped bring the wisdom of northern Egyptian ascetical life of the late fourth century to southern France in the early fifth century. Caesarius of Arles 468-470-542 drawing on his own monastic experience and Augustine's monastic rule composed a rule for a women's monastery in the city of Arles. Not many years later Benedict wrote the most influential rule in Western monasticism, one that still regulates the lives of monks today all over the world. These three texts when looked at serially and together offer a theology of monastic spirituality, an example of a relatively short but comprehensive early monastic rule, and a present-day Benedictine interpretation of how Benedict's monastic spirituality can be summed up in a short present-day digest of his rule. *Reflection on early Western monasticism* retrieves some basic Christian spiritual values that should inform life today outside the monastery in a busy secular culture. **Illuminated Life** Joan Chittister, 2010-01-01

In this little dictionary of monastic wisdom, Joan Chittister offers an A-Z of how to be in the world but not of the world. In her inimitable style, she eschews the quick fix in favor of a solid spiritual direction that has stood the test of time. Each chapter is devoted to a letter that illuminates a spiritual quality to be cultivated: from Awareness to Zeal, Community to Interiority, Enlightenment to Yearning, and many more. Every illumination opens with a story from the desert mystics, then sequesters into a practical application of that value to our tumultuous times. **Monastic Observances** Thomas Merton, 2010

In this set of novitiate conferences from the late 1950s, Thomas Merton provides a vivid and detailed introduction to the traditional pattern and practices of the monastic day during the period immediately preceding the momentous changes that would be introduced in the wake of the Second Vatican Council. Combining practical instruction with spiritual and theological reflection, this fifth volume of Merton's teaching notes brings the reader into the choir and chapter room, scriptorium, and cloisters of the Abbey of Gethsemani and provides insight into the ecclesial, contemplative, paschal, and Trinitarian dimensions of Cistercian life. Patrick F. O'Connell is professor in the departments of English and theology at Gannon University, Erie, Pennsylvania. A founding member and former president of the International Thomas Merton Society, he edits *The Merton Seasonal* and is coauthor with William H. Shannon and Christine M. Bochen of *The Thomas Merton Encyclopedia*. He has edited four previous volumes of Thomas Merton's monastic conferences for the *Monastic Wisdom* series: *Cassian and the Fathers*, *Pre-Benedictine Monasticism*, *An Introduction to Christian Mysticism*, and *The Rule of Saint Benedict*. **The Cistercian Fathers and Their Monastic Theology** Thomas Merton, 2016-05-12

These conferences presented by Thomas Merton to the novices at the

Abbey of Gethsemani in 1963 1964 focus mainly on the life and writings of his great Cistercian predecessor St Bernard of Clairvaux 1090 1153 Guiding his students through Bernard s Marian sermons his treatise On the Love of God his controversy with Peter Abelard and above all his great series of sermons on the Song of Songs Merton reveals why Bernard was the major religious and cultural figure in Europe during the first half of the twelfth century and why he has remained one of the most influential spiritual theologians of Western Christianity from his own day until the present As James Finley writes in his preface to this volume Merton is teaching us in these notes how to be grateful and amazed that the ancient wisdom that shimmers and shines in the eloquent and beautiful things that mystics say is now flowing in our sincere desire to learn from God how to find our way to God *Liturgical Feasts and Seasons* Thomas Merton, 2023-11-30 Liturgical Feasts and Seasons in this third volume of paper from Thomas Merton s conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani his insight into the liturgical pattern of the Christian year and beyond is presented in fresh detail Merton s own commitment to this central dimension of Christian life is clear and nowhere more so than in his work introducing students to the patterns that would mark their lives as monks Though dating from the period just before the liturgical reforms of Vatican II Merton s commentaries remain pertinent The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton s lifelong writing on liturgy Moreover as his former student Br Paul Quenon notes in his foreword this context is one deeply rooted in Merton s understanding of Scripture These notes take us into one man s lifetime of reflection and seasoned experience of the Church Year In the Liturgical Feasts and Seasons Novitiate Conferences on Scripture and Liturgy 3 Patrick F O Connell deeply rooted in Merton s understanding of Scripture
