Social Construction and the Logic of Money J. Samuel Barkin, 2012-02-01 While other studies of international leadership have looked at a variety of measures to predict behavior this book demonstrates that the key factor is international finance J Samuel Barkin uses an innovative blend of rationalist and constructivist methodologies approaches to international political economy that normally exist in isolation from one another Barkin argues that the level of a country s involvement in international finance specifically motivates it to lead This is particularly relevant today given the on going discussions on how

to respond to local and global financial crises Barkin illustrates his theory with an episodic history of international monetary leadership over the last four centuries Dutch leadership in the seventeenth century British leadership in the nineteenth the failure of leadership in the interwar era and Great Depression and the role of the U S in the construction of an international economic infrastructure since World War II *The Cambridge Economic History of Modern Britain* Roderick Floud, Jane Humphries, Paul Johnson, 2014-10-09 A new edition of the leading textbook on the economic history of Britain since industrialization Combining the expertise of more than thirty leading historians and economists Volume 2 tracks the development of the British economy from late nineteenth century global dominance to its early twenty first century position as a mid sized player in an integrated European economy Each chapter provides a clear guide to the major controversies in the field and students are shown how to connect historical evidence with economic theory and how to apply quantitative methods The chapters re examine issues of Britain s relative economic growth and decline over the long twentieth century setting the British experience within an international context and benchmark its performance against that of its European and global competitors Suggestions for further reading are also provided in each chapter to help students engage thoroughly with the topics being discussed *Afterglow Or Adjustment?* Mark Randal Brawley, 1999 Is the United States overstretched in its international commitments This book examines differing responses to overstretch in modern history focusing mostly on military and economic policies in the U S and Britain over the past century **Britain and Latin America in the 19th and 20th Centuries** Rory Miller, 2014-06-06 The first full length survey of Britain s role in Latin America as a whole from the early 1800s to the 1950s when influence in the region passed to the United States Rory Miller examines the reasons for the rise and decline of British influence and reappraises its impact on the Latin American states Did it as often claimed circumscribe their political autonomy and inhibit their economic development This sustained case study of imperialism and dependency will have an interest beyond Latin American specialists alone **Monetary and Banking History** Geoffrey Wood, Terence Mills, Nicholas Crafts, 2011-05-11 Forrest Capie is an eminent economic historian who has published extensively on a wide range of topics with an emphasis on banking and monetary history particularly in the nineteenth and twentieth centuries but also in other areas such as tariffs and the interwar economy He is a former editor of the *Economic History Review* one of the leading academic journals in this discipline Under the steely editorship of Geoffrey Wood this book brings together a stellar line of contributors including Charles Goodhart Harold James Michael Bordo Barry Eichengreen Charles Calomiris and Anna Schwartz The book analyzes many of the mainstream themes in economic and financial history monetary policy international financial regulation economic performance exchange rate systems international trade banking and financial markets where historical perspectives are considered important The current wave of globalisation has stimulated interest in many of these areas as lessons of history are sought These themes also reflect the breadth of Capie s work in terms of time periods and topics **Financial Reconstruction in England, 1815-1822** Angus Whiteford
