Operation & Maintenance, 1927 *Canadian Automotive Trade*, 1937 *So What Do I Do?* G J Griffiths, 2015-06-08 I enjoyed the slow pace as it built up steam towards a rewarding climax that left me in thought for longer than most best selling thrillers The reader is plunged into some very difficult times and throughout we laugh rarely and cry often as the story unfolds In *So What Do I Do* police constable Nigel Shantra has been promoted and returns as a detective He is determined to bring to justice a serious adversary of his a school bully from the first novel When a conspiracy to defraud the local populace devised by two apparently respectable but unscrupulous pillars of the community goes disastrously wrong it results in an intriguing case for

detective Shantra to solve The traumatic events that follow will prove to affect the incompetent pair of criminals who were hired by the swindling conspirators as well as the teachers and pupils of Birch Green High School And just what does a class of cheeky chimps and a large black spider monkey have to do with the traumatic events surrounding Hodgson s Hide the legacy of retired Technology teacher Gil Hodgson Recently promoted Molly discovers that the pressures of helping newly qualified teachers has no comparison to the eventual strain that she and her colleagues experience when an ex pupil of the school decides it s time for payback This man will prove to be far more ruthless and cruel than anyone could have imagined all in order to achieve his criminal ambitions But he is just as likely to turn his attention towards anyone who upsets his plans with terrifying consequences for those who won t comply with his wishes *Star Gods of the Maya* Susan
