Monologue to Dialogue Charles T. Brown, Paul W. Keller, 1979 *Monologue to Dialogue* Charles T. Brown, Paul W. Keller, 1973 **FROM MONOLOGUE TO DIALOGUE** Hans-Peter Ulli, 2020 Monologue or Dialogue in Management Decisions Timothy A. Canova, 2011 According to University o From Monologue to Dialogue? Cohesive Interaction in Personal Weblogs , 2010 In the last decade computer mediated communication has emerged as a promising new field of research in linguistics One of its main objectives today is the generic description of novel Internet based forms of communication e g websites chats message boards While some of these forms have already been investigated in great detail others remain largely unexplored Especially the weblog is so far uncharted territory despite its growing impact in various social economic and political affairs This study hopes to close this gap in CMC research It provides the first exhaustive corpus based studies on one of the most pervasive weblog genres on the Internet personal weblogs The genre is not only analysed in its formal dimension but more importantly in its discursive cohesive scope To this end the distribution of various grammatical and lexical cohesive relations will be elicited both within and between weblogs As a result we gain a precise cohesive profile of personal weblogs that enables us to perform a contrastive analysis with cohesive profiles of prototypical spoken dialogues two party and three party conversations and written monologues academic articles To this end one is able to pinpoint more exactly the extent to which weblogs actually bridge websites and Internet chats Against popular opinion the results of the study evidence that personal weblogs are much more similar to written monologues than to spoken dialogues In fact they show that the cohesive interaction between weblog author s and user s is largely restricted to few recurring patterns This finding holds a number of important implications for the way we conceive of weblogs today **Disability in Dialogue** Jessica M.F. Hughes, Mariaelena Bartesaghi, 2023-09-15 What would it mean to invite disability into dialogue Disability in Dialogue attunes us to the dialogues of and about disability In the pages of this book we ask readers to consider the dialogic constitution of disability and to imagine its reformulation We find the voices bodies social norms visceral experiences discourses and acts of resistance that materialize disability in all its dialogic and enfleshed complexity tensions contradictions provocations frustrations and desires This volume makes a unique contribution bringing together authors from disciplines as diverse as communication dialogue studies psychology sociology design rhetoric and activism Because we take dialogue seriously this book is designed to be brave as we examine the ways of being in the world that dialogic practices engender and allow as well as beckon to continue By way of a variety of frameworks such as discourse analysis dialogue studies narrative analysis and critical approaches to discourse the chapters of this book take us through a polylogue of and about disability demanding that we consider our own roles in bringing forth disabled ways of being and how we might instead choose ways that enable our common existence *Monologue and Dialogue* , 1993 New Playwriting Strategies Paul Castagno, 2012-01-30 New Playwriting Strategies has become a canonical text in the study and teaching of playwriting

offering a fresh and dynamic insight into the subject This thoroughly revised and expanded second edition explores and highlights the wide spread of new techniques that form contemporary theatre writing as well as their influence on other dramatic forms Paul Castagno builds on the innovative plays of Len Jenkin Mac Wellman and the theories of Mikhail Bakhtin to investigate groundbreaking new techniques from a broad range of contemporary dramatists including Sarah Ruhl Suzan Lori Parks and Young Jean Lee New features in this edition include an in depth study of the adaptation of classical texts in contemporary playwright and the utilizing new technologies such as YouTube Wikipedia and blogs to create alternative dramatic forms The author s step by step approach offers the reader new models for narrative dialogue character monologue hybrid plays This is a working text for playwrights presenting a range of illuminating new exercises suitable for everyone from the workshop student to the established writer New Playwriting Strategies is an essential resource for anyone studying and writing drama today
