The Monster Within Barbara Almond, 2010-10-04 Mixed feelings about motherhood uncertainty over having a child fears of pregnancy and childbirth or negative thoughts about one's own children are not just hard to discuss they are a powerful social taboo In this beautifully written book Barbara Almond brings this troubling issue to light She uncovers the roots of ambivalence tells how it manifests in lives of women and their children and describes a spectrum of maternal behavior from normal feelings to highly disturbed mothering In a society where perfection in parenting is the unattainable ideal this compassionate book also shows how women can affect positive change in their lives *The Monster Within* David R.

Worrell, 2024-06-04 In spring of 1985 Dave Worrell a police detective on Canada's Sunshine Coast received a call a young female provincial ward reported that she had been sexually assaulted by her school principal Dave was no stranger to investigating allegations like these but as he dove deeper into the suspect's history it soon became clear that Robert Olav Noyes's actions were even more far reaching and sinister than anyone could have imagined The Noyes case is infamous in British Columbia not only for the nature of the crime but for the number of victims and the length of time he had been perpetrating although he was ultimately charged with nineteen counts of sexual assault he admitted to assaulting over sixty and investigators believe the true count is in the hundreds But how did he go unseen for so long With care and precision Dave recounts the investigation interviewing witnesses and gathering information all as the small town communities involved fall apart in the wake of Noyes's arrest He unfolds the story piece by piece then takes it to court providing firsthand experience and transcripts of the grueling court sessions to prosecute Noyes *The Monster Within* is a close look at the Noyes case written by the lead investigator himself spanning from the nascent moments of the Noyes case to the aftermath of his sentence ***The Monster Within*** Cynthia Rowland McClure, 2002-06-01 Cynthia Rowland was an outwardly vivacious and successful television news reporter who inwardly had slipped into the depths of bulimia An addiction to bingeing and purging and heavy doses of laxatives finally landed her in treatment *The Monster Within* tells the story of her descent into sickness her struggle to learn why she was engaging in slow suicide and the courage and grace it took to get well This updated edition includes a section of answers to some of the common questions the author is asked about bulimia Anyone suffering from an eating disorder there are eight million bulimics in America alone as well as parents friends counselors and pastors will find hope and help through this engaging true life story *The Monster Within* Darrell Pitt, 2015-04-22 A Jack Mason Adventure Book 4 After a series of fatal bombings across London Jack Scarlet and Mr Doyle are drawn into another baffling case the reported sighting of a monster loose in the city's underground sewers Before they can investigate the team must travel to Spain to hunt down a group of terrorists But just as they close in Jack and Scarlet are kidnapped With their lives in perilous danger will Mr Doyle find his young assistants in time While back in London will the monster's true origins be uncovered before it too wreaks deadly destruction across the city Darrell Pitt began his lifelong appreciation of Victorian literature

when he read the Sherlock Holmes stories as a child quickly moving on to H G Wells and Jules Verne This early reading led to a love of comics science fiction and all things geeky Darrell is now married with one daughter He lives in Melbourne The first three Jack Mason Adventures The Firebird Mystery The Secret Abyss and The Broken Sun were released by Text in 2014

The Monster Within Marguerite Labbe,2024-08-18 For centuries the Chevaliers de Rouen pledged to fight the monsters that inhabit France until their last breath In the mid 1800s Michel Leon Parisee is the last of his line The whispering memories of the chevaliers who passed before him offer help but have also driven other chevaliers mad with their constant advice so Michel Leon is forced to maintain a careful balance When an ancient hunger threatens Paris Michel Leon must gather every tool he has to fight a terrifying threat that has eluded destruction before Constantin Severin is fey kissed a man who walks the line between the fantastical and the mundane He is determined to kill the magician the monster who destroyed his childhood and rescue its young victims In doing so Constantin is in danger of becoming what he hates most He needs a chevalier but Michel Leon is consumed with his own battle Constantin must set aside old suspicions and his wandering ways if he is going to bargain for the help he needs Together they can find the strength they need to battle their respective demons They can learn they don t have to fight alone but it will take trust It will take letting down long erected barriers and it will take love If they fail Paris will be destroyed by the creatures that threaten it when the swarm hatches and decimates the city

Levina, Diem-My T. Bui, 2013-05-23 In the past decade our rapidly changing world faced terrorism global epidemics economic and social strife new communication technologies immigration and climate change to name a few These fears and tensions reflect an evermore interconnected global environment where increased mobility of people technologies and disease have produced great social political and economical uncertainty The essays in this collection examine how monstrosity has been used to manage these rising fears and tensions Analyzing popular films and televisions shows such as True Blood Twilight Paranormal Activity District 9 Battlestar Galactica and Avatar it argues that monstrous narratives of the past decade have become omnipresent specifically because they represent collective social anxieties over resisting and embracing change in the 21st century The first comprehensive text that uses monstrosity not just as a metaphor for change but rather a necessary condition through which change is lived and experienced in the 21st century this approach introduces a different perspective toward the study of monstrosity in culture Monstrous Crimes and the Failure of Forensic Psychiatry John Douard, Pamela D. Schultz, 2012-11-13

The metaphor of the monster or predator usually a sexual predator drug dealer in areas frequented by children or psychopathic murderer is a powerful framing device in public discourse about how the criminal justice system should respond to serious violent crimes The cultural history of the monster reveals significant features of the metaphor that raise questions about the extent to which justice can be achieved in both the punishment of what are regarded as monstrous crimes and the treatment of those who commit such crimes This book is the first to address the connections between the history of the monster metaphor the 19th century idea of the criminal as monster and the 20th century conception of the psychopath the new monster The book addresses in particular the ways in which the metaphor is used to scapegoat certain categories of crimes and criminals for anxieties about our own potential for deviant and indeed dangerous interests These interests have long been found to be associated with the fascination people have for monsters in most cultures including the West The book outlines an alternative public health approach to sex offending and crime in general that can incorporate what we know about illness prevention while protecting the rights and humanity of offenders The book concludes with an analysis of the role of forensic psychiatrists and psychologists in representing criminal defendants as psychopaths or persons with certain personality disorders As psychiatry and psychology have transformed bad behavior into mad behavior these institutions have taken on the legal role of helping to sort out the most dangerous among us for preventive treatment rather than carceral punishment **The Monsters Within** Kody Boye, 2020-06-15

Father Deficit COL Brent V. Causey USA (Ret), Steven J. Gerndt MD, Joseph A. Urcavich DPhil, 2018-05-31 Father Deficit is an honest unpacking of the factors that shape a young mans journey toward maturity The book capitalizes on real life experience through the depiction of three well examined personal stories It describes how the near extinction of generational and tribal mentorship has contributed to a warped picture of masculinity Men ignore the powerful factors that influence them and this lack of insight prevents them from effectively moving forward Father Deficit holds men accountable for understanding their identity and purpose so theyre equipped to develop into the powerful purposeful and valuable individuals they were created to be

Foucault's Monsters and the Challenge of Law Alex Sharpe, 2009-12-16 In contrast to other figures generated within social theory for thinking about outsiders such as Rene Girard s scapegoat and Zygmunt Bauman s stranger Foucault s Monsters and the Challenge of Law suggests that the figure of the monster offers greater analytical precision and explanatory power in relation to understanding the processes whereby outsiders are constituted The book draws on Michel Foucault s theoretical and historical treatment of the category of the monster in which the monster is regarded as the effect of a double breach of law and nature For Foucault the monster does not simply refer to a particular kind of morphological or psychological irregularity for the body or psyche in question must also pose a threat to the categorical structure of law In chronological terms Foucault moves from a preoccupation with the bestial human in the Middle Ages to a concern over Siamese or conjoined twins in the Renaissance period and ultimately to a focus on the hermaphrodite in the Classical Age But although Foucault s theoretical framework for understanding the monster is affirmed here this book s study of an English legal history of the category monster challenges some of Foucault s historical claims In addition to considering this legal history the book also addresses the contemporary relevance of Foucault s theoretical framework Structured around Foucault s archetypes and the category crises they represent admixed embryos conjoined twins and transsexuals the book analyses their challenge to current distinctions between human and animal male and female

and the idea of the proper legal subject as a single embodied mind These contemporary figures like the monsters of old are shown to threaten the rigidity and binary structure of a law that still struggles to accommodate them **The Monster Within** Barbara Almond,2011-11 Weaving together case histories with rich examples from literature and popular culture Almond uncovers the roots of ambivalence tells how it manifests in lives of women and their children and describes a spectrum of maternal behaviour from normal feelings to highly disturbed mothering **De-signing Design** Elizabeth Grierson,Harriet Edquist,Hélène Frichot,2016-01-07 De Signing Design Cartographies of Theory and Practice throws new light on the terrain between theory and practice in transdisciplinary discourses of design and art The editors Elizabeth Grierson Harriet Edquist and Hélène Frichot bring together diverse approaches to design theory practice and philosophy from leading scholars in Australia New Zealand Japan and the United Kingdom Themes include spatiality difference cultural aesthetics and identity in the expanded field of place making and being The concept that design can be de signed is presented as a way of exploring different approaches to an experimental and experiential thinking doing that promises to further open up research possibilities in the fields of design and art thinking and practice The book enacts a series of cartographic devices to articulate the spaces between theory and practice **Poems from a Midwest Outlaw** Cole E. Fisher,2014-08-20 This book is a window into the thoughts and feelings one goes through when you're locked behind bars It's the memories of lost loves and things that keep you sane You regale the emotions of triumphs friends and family The things that you appreciate the most The tragedy of being incarcerated and being away from those you love the most The sense of helplessness and regret and the lessons you will learn Or at least the ones that this Outlaw learned For now life is a journey
