More Emigrants In Bondage 1614 1775:

More Emigrants in Bondage, 1614-1775 Peter Wilson Coldham, 2002 The original volume of *Emigrants in Bondage* published in 1988 acknowledged that there were some notable omissions from the list of transported felons then printed which remained to be researched and remedied The Supplement of 1992 began to supply the omissions but now with the publication of *More Emigrants in Bondage* Mr Coldham has closed the remaining gaps Altogether there are some 9 000 new and amended records in this important work which is arranged and annotated in the same way as the parent volume To the original list of 50 000 records these additions come as a windfall arising from the availability of previously closed archival resources and the re examination of conventional transportation records such as Assize Court records Circuit Court records and the quaintly named Sheriffs Cravings to which can be added newspapers and printed memoirs The addition of 9 000 records to the canon makes this the most important list of ships passengers to be published in years Whether as a list of additions or corrections this new work is an indispensable tool in the researcher s arsenal and anyone using the parent volume and supplement cannot possibly ignore this volume

Judge Harley and His Boys John Lancaster, 2002 *The Complete Book of Emigrants in Bondage, 1614-1775* Peter Wilson Coldham, 1988 Between 1614 and 1775 some 50 000 English men women and children were sentenced by judicial process to be sent to the American colonies for a variety of crimes The data on these involuntary colonists came from a variety of official records which the author of this work spent over fifteen years studying Among those covered were minutes of eleven Courts of Assize and Jail Delivery and of twenty eight Courts of Quarter Session as well as Treasury Papers Money Books Patent Rolls State Papers and Sessions Papers The names of those deported are printed in alphabetical order and form what can be considered the largest passenger list of its kind ever published The data presented in this volume is highly condensed but most entries include some or all of the following information parish of origin sentencing court nature of the offense date of sentence date and ship on which transported date and place landed in America and the English county in which the sentence was passed

reconstruct the worlds of eighteenth century Britain and colonial Maryland and the lives of these unwilling American settlers In illuminating this little known episode in American history Ziegler also discusses not just the fact that these women have been largely forgotten but why Harlots Hussies and Poor Unfortunate Women makes a valuable contribution to American history women s studies and labor history *The Cashaway Psalmody* Stephen A. Policing and Punishment in London 1660-1750 J. M. Beattie, 2001-07-26 This study examines the considerable changes that took place in the criminal justice system in the City of London in the century after the Restoration well before the inauguration of the so called age of reform The policing institutions of the City were transformed in response to the problems created by the rapid expansion of the metropolis during the early modern period and as a consequence of the emergence of a polite urban culture At the same time the City authorities were instrumental in the establishment of new forms of punishment particularly transportation to the American colonies and confinement at hard labour that for the first time made secondary sanctions available to the English courts for convicted felons and diminished the reliance on the terror created by capital punishment The book investigates why in the century after 1660 the elements of an alternative means of dealing with crime in urban society were emerging in policing in the practices and procedures of prosecution and in the establishment of new forms of punishment
