Nascar Confidential Triumph And Tragedy In Americas Racing Heartland:

The Early Laps of Stock Car Racing Betty Boles Ellison, 2014-09-22 The first organized sanctioned American stock car race took place in 1908 on a road course around Briarcliff New York staged by one of America's early speed maven's William K Vanderbilt Jr A veteran of the early Ormond Daytona Beach speed trials Vanderbilt brought the Grand Prize races to Savannah Georgia the same year What began as a rich man's sport eventually became the working man's sport finding a home in the South with the infusion of moonshiners and their souped up cars Based in large part on statements of drivers car owners and others garnered from archived newspaper articles this history details the development of stock car racing into a megasport chronicling each season through 1974 It examines the National Association for Stock Car Automobile Racing's 1948 incorporation documents and how they differ from the agreements adopted at NASCAR's organization meeting two months earlier The meeting's participants soon realized that their sport was actually owned by William H G Bill France and its consequential growth turned his family into billionaires The book traces the transition from dirt to asphalt to superspeedways the painfully slow advance of safety measures and the shadowy economics of the sport **Forthcoming Books** Rose Army, 2004 *NASCAR Confidential* Peter Golenbock, 2003 **Sundays Will Never Be the Same** Darrell Waltrip, Nate Larkin, 2012-02-07 From a former NASCAR champion and current Fox Sports announcer an intimate account of the crash that killed racing legend Dale Earnhardt Sr **Speed Show** Dave Caldwell, 2006 Beginning with the tragic death of Dale Earnhardt at age forty nine in a race at Daytona International Speedway New York Times sports correspondent Caldwell details the history basics technology fans and future of NASCAR **Growing Up NASCAR** Humpy Wheeler, Peter Golenbock, 2010-03-15 In 1949 when Humpy Wheeler was 11 he attended the very first NASCAR race For the next ten years he spent as much time in the pits as he could and came to know many of the sport's pioneers Eventually Wheeler began promoting races at Carolina tracks such as Concord Speedway Robinwood Speedway and Starlight Speedway Racing was so rough back then he kept a gun by his side when he paid the purse and often used his fists to keep order By the time Wheeler retired in 2008 he had helped NASCAR become the six billion dollar a year industry it is today Filled with photographs from Wheeler's personal archives *Growing up NASCAR* presents the ultimate behind the scenes look at NASCAR from the consummate insider **In the Blink of an Eye** Michael Waltrip, Ellis Henican, 2011-02-01 There was one lap to go in the 2001 Daytona 500 NASCAR's most celebrated event Michael Waltrip and Dale Earnhardt Jr were running one two Junior's legendary dad the driver race fans called The Intimidator was close behind in third blocking anyone who might try to pass Waltrip couldn't stop thinking about all the times he'd struggled to stay ahead and the 462 NASCAR Cup races he'd lost without a single win He'd been a race car driver all his adult life following in the footsteps of his brother Darrell a three time NASCAR champion And his losing streak was getting more painful every race But this day he knew could be different He was driving for Dale Earnhardt now racing as a team with his close friend and mentor Yet as his car roared toward the finish line

ending that losing streak once and for all Waltrip had no clue that the greatest triumph of his life could get mired in terrible tragedy This is the story of that fateful afternoon in Daytona a day whose echoes are still heard today But the story begins years earlier in a small town in Kentucky with a boy who dreamed of racing cars a boy who was determined to go from go karts to the highest levels of NASCAR For the first time ever Michael Waltrip tells the full revealing story of how he got to Daytona what happened there and the huge impact it had on so many in the racing world He reveals for the first time how his own life changed as he dealt with guilt faced his grief and searched for the fortitude to climb into a race car again It s an inspiring and powerful story told with Michael s trademark humor honesty and irreverence It s a story of family fulfillment and redemption and well earned victory in the end **Great Moments in NASCAR Racing** Sally Ganchy,2008-01-15

Explores the most unique interesting aspects and greatest moments in NASCAR racing **Racing to the Finish** Dale Earnhardt Jr.,2018-10-16 Racecar driver Earnhardt was at the top of his game until a minor crash resulted in a concussion that would eventually end his 18 year career In his only authorized book Dale shares the inside track on his life and work reflects on NASCAR the loss of his dad and his future as a broadcaster businessperson and family man It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for NASCAR star Dale Earnhardt Jr What he didn t know was that it would also end his driving for the year He d dealt with concussions before but no two are the same Recovery can be brutal and lengthy When Dale retired from professional stock car racing in 2017 he walked away from his career as a healthy man But for years he had worried that the worsening effects of multiple racing related concussions would end not only his time on the track but his ability to live a full and happy life Torn between a race at all costs culture and the fear that something was terribly wrong Earnhardt tried to pretend that everything was fine but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle suffering injuries on Sunday struggling through the week then recovering in time to race again the following weekend In this candid reflection Earnhardt opens up for the first time about The physical and emotional struggles he faced as he fought to close out his career on his own terms His frustration with the slow recovery from multiple racing related concussions His admiration for the woman who stood by him through it all His determination to share his own experience so that others don t have to suffer in silence Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life
