The True Annals of Fairyland in the Reign of King Cole Ernest Rhys,1913 **Pinafore Palace** Various,2022-08-10

Pinafore Palace is a charming tapestry of nursery rhymes woven together by the deft hands of editor Kate Douglass Smith Wiggins. Rich in rhythmic cadence and evocative of a bygone era, the book encompasses a lustrous collection of stanzas that dance upon the tongue and call to the imagination of young readers. Its literary style is reminiscent of traditional oral folktales passed down through generations and captures a sense of innocence and whimsicality. The rhymes encased within this anthology serve as an exemplar of early children's literature, creating an enchanting historical literary context that resonates with the timeless delight of childhood. The pen behind Pinafore Palace belongs to the esteemed Kate Douglass Smith Wiggins, an American educational reformer and writer whose career was significantly anchored in her belief in the developmental importance of early childhood education. Her previous works, such as the classic *Rebecca of Sunnybrook Farm*, exhibit not just her narrative capacity but also her dedication to enriching the lives of children. This anthology may be seen as a natural extension of Wiggins's pedagogical philosophy, crafting a space where the melodic allure of verse enhances the literacy and cognitive development of its young audience. Recommending Pinafore Palace to young readers and their families is to invite them into a realm where words play and sounds echo with the joy of childhood curiosity. This collection is a splendid resource for parents and educators alike, seeking to instill a love of reading and an appreciation for poetic form in the hearts of children. It serves not only as an entertaining read but as a bridge to the richer world of literature that awaits them as they grow. For anyone wishing to bequeath the gift of lyrical narrative, Pinafore Palace stands as a perfected selection.

Best Copy Available Jay Baron Nicorvo, 2024. In the winter of 1984, Sharon Nicorvo was violently raped while delivering pizza to the barracks at Fort Monmouth Army Base in New Jersey. At that time, her seven-year-old son Jay was being subjected to repeated and secret sexual abuse by his babysitter. *Best Copy Available* delves into these devastating events and their aftermath. Thirty years later, Nicorvo received a photocopy of the criminal investigation report generated from that brutal night, which offers a primer to better understand certain assumptions about class and race, sex and violence, crime and punishment, low and high culture, sanity, madness, and masculinity, and the facsimile nature of the truth. As various American men, some real, some imagined, all prone to violence, move in and then out of their hardscrabble lives, mother and son spend decades avoiding and ultimately confronting what happened to them in that formative year. From the Jersey Shore to the Gulf Coast of Florida to the Midwest, *Best Copy Available* tells a harrowing and sometimes hilarious American story of how the love of a single mother helped end an awful cycle of abuse and abandonment. Most ambitiously, *Best Copy Available* lends voice to an alternative version of American boyhood, manhood, and fatherhood. One where the sons of deadbeat dads can grow up to be stay-at-home dads, and where our boys and men may realize that the most courageous show of strength is not the determined use of force. It's knowing when and how to ask for help.

The Magic Well Herman Ammann, 1972. Here at last is a dramatization of Hansel and Gretel, which English-speaking audiences, children or adults, can love yet which retains the true German flavor of the

original Grimms fairy tale A strong ethnic flavor can be given to your production by using the German folk songs and dances suggested in the script The Director s Production Script gives simple scores of all music needed plus full details on how to do the folk dances and even a lesson in how to speak with a German dialect However the music and dialect can be omitted Adults or children can play the title roles making the play ideal for community university high school or elementary theatre This two act dramatization of the delightful Grimms fairy tale premiered by Fort Worth s Casa Manana Theatre in February 1969 may be presented as a musical with songs and provisions for dances written into the plot Or it may be presented as a straight play without music The plot resolves around the twelve beautiful but highly independent daughters of the king They mysteriously wear out their shoes every night Where do they go What do they do How do they get out of the castle Nobody knows and the king is willing to pay dearly to find out In fact the man who discovers the secret will receive not only a kingdom to rule but his choice of the princesses in marriage Many adventurers have tried to win the reward only to end up on the Horrible Headsman s chopping block Then along comes Brand a young soldier who is supremely confident of his ability to solve any problem but even he discovers that he urgently needs help And it comes from the most delightful Fairy Godmother ever to cross a stage from back cover

which startled me when I first walked down Broadway dazzled by moving pictures of light by flashing signs that shouted to me from high heaven to buy chewing gum and to go on chewing and squirming wriggling revolving snakes of changing color that burned letters of fire into my brain so that even now in remembrance my eyes are scorched with the imprint of a monstrous kitten unrolling an endless reel of cotton The Welcome Home of American troops was an advertisement of American manhood idealized by emotion and it was designed surely by an artist whose imagination had been touched by the audacity of the master builders of New York who climb to the sky with their houses I think it was inspired also by the vision of the moving picture kings who resurrect the gorgeous life of Babylon and re establish the court of Cleopatra for Theda Bara the Movie Queen When the men of the Twenty seventh Division of New York came marching home down Fifth Avenue they passed through triumphal arches of white plaster that seemed solid enough to last for centuries though they had grown high like Jack s beanstalk in a single night and the troops glanced sideways at a vast display of Indian trophies with tattered colors like those of sunburnt wigwams where the spears of the braves were piled above the shields of fallen warriors
