Positively Me Tavon Vinson, 2011 **Positively Me** Nozibele Mayaba, Sue Nyathi, 2024-05-08 My name is Nozibele Mayaba and I am HIV positive I am a devout Christian who did everything by the book worked hard got good marks found a steady job and helped to make life better for my family In our neighbourhood I was the girl other parents pointed to as a role model Until a few months before my diagnosis at age 22 I was a virgin Women like me don't get HIV But then I did It took me years to accept my new reality Speaking out freed me and completely changed my life Being HIV positive wasn't my first challenge and it won't be my last but it has been the hardest It also taught me an important lesson behind every statistic is a person with a name a family a story This is my story My name is Nozibele Mayaba I am HIV positive and I am still positively me An HIV positive diagnosis may no longer be a death sentence but it still changes everything In this frank vulnerable memoir as told to acclaimed writer Sue Nyathi activist and TV host Nozibele Mayaba talks about finding purpose when you think your life has come to an end *Positively Me Spirit and I* Aubrey Welch, 2022-03-08 My aim for this book is simply to provide help and to engender encouragement It is my personal take on mindfulness and how it can aid us all during times of stress and need Life experiences have shaped my personal development development which never stops I hope you will find comfort and resonance where pain and uncertainty exist Life can be full of uncertainty and unexpected occurrences **An Audacious Lass** Chahat Sharma, 2020-04-09 Seekers find their way but for the ones looking around for freedom and beyond they quiz their life For why doesn't it compliment an add on of control over what we can't Herein described is the journey of one such freedom seeking soul Kirti who makes us see the life and its long followed rules through her insights The mindful of questions she carries get her along some distasteful experiences in the path adding down a little more to her list Why this why that Why the existence turns out to be the felony of reflection Why the demand for self right from our blood seems to be a crime holding us behind the bar of uplifting emotions Why do we find the comfort and solace outside the home which can never be satiated in our turf Why have we been bestowed by the law of love the attorney to choose our lovers and friends wisely Valid questions right Do we have valid explanations and most importantly will she find the answers for same

Finding HER Stuff A.J., 2019-09-12 HOW'S YOUR HEART This question bounced through my head one year before turning the same age Mum was when she suddenly succumbed to cancer How was her heart Did she become the person she wanted to be Did she live out her dreams Did she leave this earth satisfied for living with a heart wide open She was 47 I am 46 and my heart feels wrecked Emotionally spiritually physically I am empty Too many unkind moments have been twisted into my story a violent marriage estrangement from my children depression binge drinking successive brain injuries these all carry deep scars that are cracking my foundation for building a better life What if I am like Mum and this is the LAST year I get to live How will I be remembered How will people describe me Am I living in a manner that values healthy relationships encourages wild dreams honors precious time loves beyond limitations No I am not What if I could soften those deep scars by

examining the old stuff that creates barriers for reaching optimal healing Will I be able to focus the next year on a transformation that leads to my best version of living Yes I think I can Because Mum s leave too soon because aching hearts long to be healed because distressed people search for encouragement because weary folks yearn for rest because lost dreamers still pursue hope I believe I must Starting today **Wind River Westerns** Arthur Murray Chisholm,2023-12-22 Arthur Murray Chisholm s Wind River Westerns is a collection of gripping and authentic stories set in the untamed landscapes of the American West Through vivid descriptions and well developed characters Chisholm brings to life the rugged beauty and harsh realities of the frontier life The book adopts a classic Western style complete with gunfights horseback chases and morally complex narratives that explore themes of justice greed and survival Chisholm s attention to historical accuracy and detail adds an air of authenticity to the tales making them both entertaining and educational for readers interested in the genre Wind River Westerns stands as a valuable contribution to Western literature showcasing Chisholm s talent for storytelling and his deep understanding of the genre s conventions and nuances Wise Her Still Too Tiffany Buckner, Wisdom is free but most women won t accept her when she s handed to them So wisdom has to come in another form called Experience Experience may seem unmerciful unyielding and unapologetic but her assignment is clear Teach the women of GOD to reject sin so they will be acceptable to GOD Wise Her Still Too is a compilation of more than 25 stories geared at teaching women through the experiences of other women **Senator from Illinois** United States. Congress Senate. Select Committee to Investigate the Election of William Lorimer,1912 **I Cry for Ambazonia and Darfur** Nkwazi Mhango,2025-02-15 The world remains tragically silent on the suffering of the people in Ambazonia Cameroon and Darfur Sudan Since these conflicts began the international community has failed to adequately address or arrest the violence and protect innocent lives Countless people have been killed displaced and robbed of their hope This book serves as both a condemnation and a plea to the international community urging it to acknowledge its failures in these regions Nkwazi Mhango argues that this inaction constitutes a form of discrimination against the people of Ambazonia and Darfur highlighting the stark contrast between the global rhetoric on human rights and the grim reality faced by the victims The Cry for Ambazonia and Darfur is a powerful call for humanity to awaken to its responsibilities It demands more than just empty gestures it urges critical self reflection and a genuine commitment to resolving these conflicts Mhango implores us to recognize our shared humanity and act with the compassion and justice we would expect for ourselves **Blackwood's Edinburgh Magazine** ,1857
