William Cookson

Pounds Cantos:

A Guide to the Cantos of Ezra Pound William Cookson, 1985 **A Companion to the Cantos of Ezra Pound** Carroll Franklin Terrell, Ezra Pound, 1980-01-01 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos **Ideas Into Action** Clark Emery, 1958 **Ezra Pound's Cantos** Peter Makin, 2006 Publisher description *Pound's Cantos Declassified* Philip Furia, 1990-12-13 By using his Cantos for storing making new and transmitting historical documents Pound was returning the epic to its ancient function as a tribal archive for the luminous details of history that define a culture's past and shape its future So argues this book which does not overlook the poem's brilliant lyrical passages but for the first time focuses on those vast stretches of Pound's epic composed not of literary touchstones but of that most unpoetic of literary forms historical documents Pound's task as epic poet was complicated by the fact that the documents he wished to renew and transmit to his culture were largely unknown often because in his mind they had been suppressed by a widespread conspiracy throughout the ages which he termed the historical black out His Cantos therefore he believed must be a counter conspiracy to rescue vital documents from that black out renew them and then recirculate them to combat the economic and political forces behind the black out Drawing on recent research by numerous scholars Furia traces the arcane documents Pound unearthed from libraries around the world and shows how he transmuted this documentary mass into poetry first by framing passages of prose to highlight their poetic texture and then by weaving these shards and fragments into a collage of intricate structure Among the documents Furia declassifies are Chinese edicts Italian bank charters British factory commission reports Byzantine guild regulations American Presidential papers municipal records judicial writs parliamentary statutes legislative codes contracts deeds mandates treaties diary entries and correspondence by such diverse figures as Lorenzo de Medici Martin Van Buren Napoleon Eleanor of Aquitaine Mustapha Kemal and Kubla Khan Pound's Cantos Declassified traces the poet's struggle to shape the content of the epic poem that absorbed most of his creative life **Language, Sexuality, and Ideology in Ezra Pound's Cantos** Jean-Michel Rabaté, Jean-Michel Rabaté, 1986-01-01 Ezra Pound's Cantos remains among the most influential and difficult of twentieth century poetic writings But now for the first time Rabaté's powerful and original study presents a theory of reading adequate to the challenge of Pound's writing Using elements from Lacanian psychoanalysis and Heidegger's powerful meditation of poetry and language this book constructs a theory of reading which both gives full force to the strategies of

writing deployed in the Cantos and to the historical and political situations to which those strategies are a response This study provides a fresh reading of the familiar Pound canon Homer Dante Ovid but also of the less well known Ruskin Browning Frobenius Pound s practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis ellipsis condensation and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will Crucial to an understanding of Pound s situation is the relationship between Chinese and Greek culture an analysis of which allows Rabat to elaborate the tragic dimension in Pound s life and works This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce and with his immediate heirs like William Carlos Williams H D Zukofsky and Olson **The Celestial Tradition** Demetres P.

Tryphonopoulos,2010-10-30 Despite the painstaking work of Pound scholars the mythos of The Cantos has yet to be properly understood primarily because until now its occult sources have not been examined sufficiently Drawing upon archival as well as recently published material this study traces Pound s intimate engagement with specific occultists W B Yeats Allen Upward Alfred Orage and G R S Mead and their ideas The author argues that speculative occultism was a major factor in the evolution of Pound s extraordinary aesthetic and religious sensibility much noticed in Pound criticism The discussion falls into two sections The first section details Pound s interest in particular occult movements It describes the tradition of Hellenistic occultism from Eleusis to the present and establishes that Pound s contact with the occult began at least as early as his undergraduate years and that he came to London already primed on the occult Many of his London acquaintances were unquestionably occultists The second section outlines a tripartite schema for The Cantos katabasis dromena epopteia which in turn is applied to the poem It is argued here that The Cantos is structured on the model of a initiation rather than a journey and that the poem does not so much describe an initiation rite as enact one for the reader In exploring and attempting to understand Pounds occultism and its implications to his Pounds oeuvre Tryphonopoulos sheds new light upon one of the great works of modern Western literature *Pound's Cantos Declassified* Philip Furia,1990-12-13 By using his Cantos for storing making new and transmitting historical documents Pound was returning the epic to its ancient function as a tribal archive for the luminous details of history that define a culture s past and shape its future So argues this book which does not overlook the poem s brilliant lyrical passages but for the first time focuses on those vast stretches of Pound s epic composed not of literary touchstones but of that most unpoetic of literary forms historical documents Pound s task as epic poet was complicated by the fact that the documents he wished to renew and transmit to his culture were largely unknown often because in his mind they had been suppressed by a widespread conspiracy throughout the ages which he termed the historical black out His Cantos therefore he believed must be a counter conspiracy to rescue vital documents from that black out renew them and then recirculate them to combat the economic and political forces behind the black out Drawing on recent research by numerous scholars Furia traces the arcane documents Pound unearthed from libraries around the world

and shows how he transmuted this documentary mass into poetry first by framing passages of prose to highlight their poetic texture and then by weaving these shards and fragments into a collage of intricate structure Among the documents Furia declassifies are Chinese edicts Italian bank charters British factory commission reports Byzantine guild regulations American Presidential papers municipal records judicial writs parliamentary statutes legislative codes contracts deeds mandates treaties diary entries and correspondence by such diverse figures as Lorenzo de Medici Martin Van Buren Napoleon Eleanor of Aquitaine Mustapha Kemal and Kubla Khan Pound's Cantos Declassified traces the poet's struggle to shape the content of the epic poem that absorbed most of his creative life

The Cantos of Ezra Pound Ezra Pound, 1996 The Cantos of Ezra Pound is the most important epic poem of the twentieth century

Selected Cantos of Ezra Pound Ezra Pound, 1970 This selection from the Cantos was made by Ezra Pound himself in 1965 It is intended to indicate main elements in the long poem his personal epic with which he was engaged for more than fifty years His choice includes of course a number of the Cantos most admired by critics and anthologists such as Canto XIII Kung Confucius walked by the dynastic temple Canto XLV With usura hath no man a house of good stone and the passage from The Pisan Cantos LXXXI beginning What thou lovest well remains the rest is dross and so the book is an ideal introduction for newcomers to the great work But it has too particular interest for the already initiated reader and the specialist in its revelation through Pound's own selection of main elements of the relative importance which he himself placed on various motifs as they figure in the architecture of the whole poem

This is likewise one of the factors by obtaining the soft documents of this **Pounds Cantos** by online. You might not require more period to spend to go to the book foundation as skillfully as search for them. In some cases, you likewise realize not discover the publication Pounds Cantos that you are looking for. It will extremely squander the time.

Pounds Cantos Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pounds Cantos free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pounds Cantos free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pounds Cantos free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Pounds Cantos. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pounds Cantos any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pounds Cantos Books

1. Where can I buy Pounds Cantos books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
