Disnarration and the Unmentioned in Fact and Fiction Marina Lambrou, 2016-01-14 In this book Marina Lambrou explores the dimension of narrative storytelling described as the disnarrated events that do not happen but which are referred to across three genres of texts personal narratives news stories and fiction literary and film The book begins by asking why such disnarrated narratives are nevertheless considered tellable It moves on to examine the pervasiveness of this phenomenon in news reports about near misses and the shared personal narratives about dangerous experiences where truth is expected to be central their telling It further discusses how disnarration is generated in counterfactual what if scenarios in fiction where characters follow alternative forked paths with fascinating unexpected consequences This engaging work offers original insights to anyone interested in storytelling and will appeal in particular to scholars of language and literature stylistics narratology media film and journalism **Contemporary Media Stylistics** Helen Ringrow, Stephen Pihlaja, 2020-04-16 Media discourse is changing at an unprecedented rate This book presents the most recent stylistic frameworks exploring different and changed forms of media The volume collates recent and emerging research in the expanding field of media stylistics featuring a variety of methods multimodal source material and a broad range of topics From Twitter and Zooniverse to Twilight and Mommy Blogs the volume maps out new intellectual territory and showcases a huge scope neatly drawn together by leading scholars Helen Ringrow and Stephen Pihlaja Contributors write on topics that challenge the traditional notions and conceptualisations of media and the consequences of technological affordances for the development of media production and consumption There is a particular focus on the ways in which contemporary media contexts complicate and challenge traditional media models and offer new and unique ways of approaching discourse in

these contexts *Language and Power* Andrea Mayr, 2008-08-21 How language is used in institutions and how institutions generate language is a key concern of both sociolinguistics and social theory This readable and comprehensive introduction to language and power in institutions combines theoretical reflection with a strong analytical focus Covering a range of institutional discourses and settings each chapter in *Language and Power* closely examines institutional discourse practices and provides detailed steps to the critical analysis of institutional discourse both linguistic and multimodal This book is a long overdue contribution to the analysis of the way that institutions have the power to shape our thinking and understanding of the world and to construct identities Key Features This book contains fascinating examples from a variety of institutional contexts including academia prison media and the military It brings together insights from multimodal critical discourse analysis social theory media studies and corpus analysis It is essential reading for advanced undergraduates and postgraduates doing sociolinguistics media studies communication and cultural studies *Crime and Media* Chris Greer, 2019-07-08 This engaging and timely collection gathers together for the first time key and classic readings in the ever expanding area of crime and media Comprizing a carefully distilled selection of the most important contributions to the field *Crime and Media A Reader* tackles a wide range of issues including understanding media researching media crime newsworthiness and news crime entertainment and creativity effects influence and moral panic and cybercrime surveillance and risk Specially devized introductory and linking sections contextualize each reading and evaluate its contribution to the field both individually and in relation to competing approaches and debates This book provides a single source around which criminology media and cultural studies modules can be structured an invaluable revision and consultation guide for students and an extremely useful resource for scholars writing and researching across a wide range of relevant fields Accessible yet challenging and packed with additional pedagogical devices *Crime and Media A Reader* will be an invaluable resource for students and academics studying crime media culture surveillance and control **The British Press** Mick Temple, 2008-09-16 Mick Temple s book makes an important contribution to the debate on the critical historical role and uncertain future of newspapers and the key place of quality journalism within that debate Jeremy Dear General Secretary of the National Union of Journalists UK This book provides a brilliant synthesis of academic and journalistic debate on the past present and future of the British newspaper Impressively up to date it is an accessible and well sign posted introduction to students of the news media and political communication and should become an essential addition to their reading Martin Conboy University of Sheffield UK A thorough and thoughtful investigation into the British press and its contribution to our social and political culture Simon Kelner Editor in Chief *The Independent* This exciting book offers a practical introduction to the history theory politics and potential future of British newspapers Focussing on the relationship between the press and political history it examines their social and political impact assessing the press s contribution to enlarging and informing the public sphere The author provides a theoretical critique of press developments The first part of the text leads you through

key historical moments from the English Civil War to Wapping and beyond while the second half takes an in depth look at current empirical and theoretical concerns Scholarly yet accessible Mick Temple is not afraid to take a position on today's contentious issues The book takes a more positive perspective on the British press than has often been the case highlighting the online strength of great brand names like the Telegraph Guardian Sun and Mail Temple argues that throughout their history our newspapers have been vital conduits for public opinion and on occasion catalysts for social change The British Press is key reading for journalism media and social science students *News Production* Sarah Niblock, David Machin, 2014-05-01 Bringing to the forefront a much needed book that bridges the gap between journalistic theory and practice Sarah Niblock and David Machin provide here an invaluable real life account of reporting in the context of contemporary newsrooms Providing eight detailed ethnographies of eight different news production settings News Production includes individual chapters that follow two news workers through their daily routines detailing the exact nature of their jobs It provides students with case studies to compare to their own experiences concrete examples to consolidate their skill based training questions to raise about their placements information on how to prepare reports constraints they may encounter and how to deal with them With chapters including News Agencies The Roving Reporter Photojournalism and The New Reporter Learning the Ropes for anyone taking practical units in news reporting sub editing and law and ethics News Production will provide them with all the information they need to succeed in this hectic competitive and exciting world

Media Professionalism and Training Sarah Niblock, 2013-12-13 In this critical interrogation of the meaning of media professionalism and the efficacy of training in the digital age Niblock presents one of the very first texts to scrutinise professional norms and question the scope of the media's power The book's synthesis of practice and theory makes it ideal for media and journalism students *The Newspapers Handbook* Richard Keeble, Ian Reeves, 2005-11-16 Fully revised and updated The Newspapers Handbook remains the essential guide to working as a newspaper journalist It examines the ever changing everyday skills of newspaper reporting and explores the theoretical ethical and political dimensions of a journalist's job Using a range of new examples from tabloid compact and broadsheet newspapers non mainstream and local publications Richard Keeble examines key journalistic skills such as the art of interviewing news reporting reviewing feature writing using the Internet and freelancing New chapters from John **War Torn** Guy Hodgson, 2015-05-22 The Manchester Blitz lasted two nights in December 1940 when around 1 000 people were killed and more than 3 000 injured This book focuses on the reaction by the local and regional newspapers of Manchester which was Britain's second press centre at the time to this heavy bombing *Ethics for Journalists* Richard Keeble, 2008-10-27 Ethics for Journalists tackles many of the issues which journalists face in their everyday lives from the media's supposed obsession with sex sleaze and sensationalism to issues of regulation and censorship Its accessible style and question and answer approach highlights the relevance of ethical issues for everyone involved in journalism both trainees and professionals whether working in print broadcast or new media Ethics for

Journalists provides a comprehensive overview of ethical dilemmas and features interviews with a number of journalists including the celebrated investigative reporter Phillip Knightley Presenting a range of imaginative strategies for improving media standards and supported by a thorough bibliography and a wide ranging list of websites Ethics for Journalists second edition considers many problematic subjects including representations of gender race sexual orientation disability mental health and suicide ethics online citizen journalism and its challenges to professionalism controversial calls for a privacy law to restrain the power of the press journalistic techniques such as sourcing the news doorstepping deathknocks and the use of subterfuge the handling of confidential sources and the dilemmas of war and peace reporting

Faith-Based Violence and Deobandi Militancy in Pakistan Jawad Syed,Edwina Pio,Tahir Kamran,Abbas Zaidi,2016-11-09 This book documents and highlights the Deobandi dimension of extremism and its implications for faith based violence and terrorism This dimension of radical Islam remains largely ignored or misunderstood in mainstream media and academic scholarship The book addresses this gap It also covers the Deobandi diaspora in the West and other countries and the role of its radical elements in transnational incidents of violence and terrorism The specific identification of the radical Deobandi and Salafi identity of militants is useful to isolate them from the majority of peaceful Sunni and Shia Muslims Such identification provides direction to governmental resources so they focus on those outfits mosques madrassas charities media and social medial channels that are associated with these ideologies This book comes along at a time when there is a dire need for alternative and contextual discourses on terrorism

Feminism, UK Women's Magazines and the Women who Created Them, 1975-1992 Sharon Maxwell Magnus,2025-06-30 This book analyses how reproductive rights and sexual freedoms the political sphere women s role in the workplace and sexual violence were positioned and depicted by three magazines with very different demographics Spare Rib Cosmopolitan and Woman s Own The 1970s and 1980s were a time of enormous cultural shifts for women The rise of the feminist Women s Liberation Movement ground breaking equality legislation and greater reproductive freedoms impacted on most women s lives in a plethora of ways However until now there has been little attention to how those changes were disseminated to and framed within women s media This is because most media of the period were run by men for men and focused on men s lives However within women s magazines the changes in women s lives and feminism itself were framed debated and contested This volume features unique interviews with the influential women who produced the magazines Spare Rib Cosmopolitan and Woman s Own and who give insights into the national and international events ideologies and constraints which impacted on their content creation This book will be of great value to contemporary historians students of gender and cultural studies media scholars and those who are interested in finding out how feminism influenced their parents and their own generation
