Prison And Plantation:

Prison and Plantation Michael S. Hindus, 1980 *Prison and Plantation* Michael S. Hindus, 2017-11-01 This broad comparative study examines the social economic and legal contexts of crime and authority in two vastly different states over a one hundred year period Massachusetts an urban industrial and heterogeneous northern state chose the penitentiary in its attempt to minimize the role of informal and extralegal authority while South Carolina a rural southern slave state systematically reduced its formal legal institutions frequently relying on vigilantism A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Prison and Plantation* Michael Stephen Hindus, 1993 *Prison Life Writing* Simon Rolston, 2021-06-30 *Prison Life Writing* is the first full length study of one of the most controversial genres in American literature By exploring the complicated relationship between life writing and institutional power this book reveals the overlooked aesthetic innovations of incarcerated people and the surprising literary roots of the U S prison system Simon Rolston observes that the autobiographical work of incarcerated people is based on a conversion narrative a story arc that underpins the concept of prison rehabilitation and that sometimes serves the interests of the prison system rather than those on the inside Yet many imprisoned people rework the conversion narrative the way they repurpose other objects in prison Like a radio motor retooled into a tattoo gun the conversion narrative has been redefined by some authors for subversive purposes including questioning the ostensible emancipatory role of prison writing critiquing white supremacy and broadly reimagining autobiographical discourse An interdisciplinary work that brings life writing scholarship into conversation with prison studies and law and literature studies *Prison Life Writing* theorizes how life writing works in prison explains literature s complicated entanglements with institutional power and demonstrates the political and aesthetic innovations of one of America s most fascinating literary genres **Slaves of the State** Dennis Childs, 2015-02-27 The Thirteenth Amendment to the United States Constitution passed in 1865 has long been viewed as a definitive break with the nation s past by abolishing slavery and ushering in an inexorable march toward black freedom *Slaves of the State* presents a stunning counterhistory to this linear narrative of racial social and legal progress in America Dennis Childs argues that the incarceration of black people and other historically repressed groups in chain gangs peon camps prison plantations and penitentiaries represents a ghostly perpetuation of chattel slavery He exposes how the Thirteenth Amendment s exception clause allowing for enslavement as punishment for a crime has inaugurated forms of racial capitalist misogynist incarceration that serve as haunting returns of conditions Africans endured in the barracoons and slave ship holds of the Middle Passage on plantations and in chattel slavery Childs seeks out the historically muted voices of those entombed within terrorizing spaces such as the chain gang rolling cage and the modern solitary confinement cell

engaging the writings of Toni Morrison and Chester Himes as well as a broad range of archival materials including landmark court cases prison songs and testimonies reaching back to the birth of modern slave plantations such as Louisiana's Angola penitentiary *Slaves of the State* paves the way for a new understanding of chattel slavery as a continuing social reality of U.S. empire one resting at the very foundation of today's prison industrial complex that now holds more than 2.3 million people within the country's jails prisons and immigrant detention centers
