

Prisoner Of Death

Geoffrey P. R. Wallace

Prisoner Of Death:

Prisoner Voices from Death Row Reena Mary George, 2016-03-03 Death penalty has produced endless discourses not only in the context of prisons prisoners and punishment but also in various legal aspects concerning the validity of death penalty the right to life and torture Death penalty is embedded in Indian law however very little is known about the people who are on death row barring a few media reports on them The main objective of this book is to enquire whether the dignity of prisoners is upheld while they confront the criminal justice system and whilst surviving on death row Additionally it explores the lived experiences and perceptions of prisoners on death row as they create meaning out of their world With this rationale 111 prisoners on death row in India and some of their family members were interviewed The theoretical underpinnings of phenomenology and symbolic interactionism coupled with data analysis lead to an understanding of the prisoners on death row with special reference to their demographic profile and the impact of death sentence on their families George's research highlights three salient features namely poverty social exclusion and marginalisation are antecedent to death penalty death penalty is a constructed account by the state machinery and prisoners on death row situate dignity higher in the juxtaposition of death and dignity National Prisoner Statistics United States. Bureau of Prisons, 1929

Life and Death in Captivity Geoffrey P. R. Wallace, 2015-08-11 Why are prisoners horribly abused in some wars but humanely cared for in others In *Life and Death in Captivity* Geoffrey P R Wallace explores the profound differences in the ways captives are treated during armed conflict Wallace focuses on the dual role played by regime type and the nature of the conflict in determining whether captor states opt for brutality or mercy Integrating original data on prisoner treatment during the last century of interstate warfare with in depth historical cases Wallace demonstrates how domestic constraints and external incentives shape the fate of captured enemy combatants Both Russia and Japan for example treated prisoners very differently in the Russo Japanese War of 1904-5 and in World War II the behavior of any given country is liable to vary from conflict to conflict and even within the same war Democracies may be more likely to treat their captives humanely yet this benevolence is rooted less in liberal norms of nonviolence than in concerns over public accountability When such concerns are weak or absent democracies are equally capable of brutal conduct toward captives In conflicts that devolve into protracted fighting belligerents may inflict violence against captives as part of a strategy of exploitation and to coerce the adversary into submission When territory is at stake prisoners are further at risk of cruel treatment as their captors seek to permanently remove the most threatening sources of opposition within newly conquered lands By combining a rigorous strategic approach with a wide ranging body of evidence Wallace offers a vital contribution to the study of political violence and wartime conduct

Death and Redemption Steven A. Barnes, 2011-04-04 *Death and Redemption* offers a fundamental reinterpretation of the role of the Gulag the Soviet Union's vast system of forced labor camps internal exile and prisons in Soviet society Soviet authorities undoubtedly had the means to exterminate all the prisoners who passed through the Gulag

but unlike the Nazis they did not conceive of their concentration camps as instruments of genocide In this provocative book Steven Barnes argues that the Gulag must be understood primarily as a penal institution where prisoners were given one final chance to reintegrate into Soviet society Millions whom authorities deemed reeducated through brutal forced labor were allowed to leave Millions more who failed never got out alive Drawing on newly opened archives in Russia and Kazakhstan as well as memoirs by actual prisoners Barnes shows how the Gulag was integral to the Soviet goal of building a utopian socialist society He takes readers into the Gulag itself focusing on one outpost of the Gulag system in the Karaganda region of Kazakhstan a location that featured the full panoply of Soviet detention institutions Barnes traces the Gulag experience from its beginnings after the 1917 Russian Revolution to its decline following the 1953 death of Stalin Death and Redemption reveals how the Gulag defined the border between those who would reenter Soviet society and those who would be excluded through death

Encyclopedia of American Prisons Marilyn D. McShane, Frank P. Williams, 2004-08-02

Original essays by corrections experts The United States has the lightest incarceration rate in the world and crime is one of the major driving forces of political discourse throughout the country Information about penal institutions imprisonment and prisoners is important to everyone from judges on the bench to citizens on the street Now for the first time a comprehensive reference work presents a full overview of incarceration in America The Encyclopedia features original essays by leading U S corrections experts who offer historical perspectives insights into how and why the present prison system developed where we are today and where we are likely to be in the future Every important aspect of American prisons is covered from the handling of convicts with AIDS to juvenile delinquents behind bars from boot camps to life without parole from racial conflict to sexual exploitation Features more than 160 signed articles More than 160 signed articles by recognized authorities are presented alphabetically by topic The articles ranging from 1 000 to 6 000 words provide an overview of each subject and include a selective bibliography The coverage introduces readers to individuals noted for their work with prisons James Bennett Dorothea Dix Howard Gill facilities renowned for setting precedents Walnut Street Jail Alcatraz Marion current policy procedure and program oriented descriptions contraband boot camps classification technology concise discussions of current prison issues prisoners rights gangs visits by the children of incarcerated women Frequently the articles chart the historical evolution of a subject area explore current issues and predict future trends Discusses vital issues The Encyclopedia also surveys and analyzes policies and procedures used in the past such as chain gangs building tenders and Sacred Straight programs as well as legislation that has shaped prison policy such as the Ashurst Summers Act and the Civil Rights of Institutionalized Persons Act Offering a wealth of useful facts this important new reference work contains a comprehensive name and subject index internal cross references and a chronology of important events in prison history The coverage encompasses historical and contemporary aspects of correctional institutions in the United States discusses vital issues and reports on the latest reaching findings Photos of notable people and facilities accompany the text This unique work fills a

substantial reference need Government officials librarians teachers students and professionals working within the corrections field will find the coverage invaluable

Told by the Death's Head Mór Jókai, 1902

The Death Penalty

Sanjeev P. Sahni, Mohita Junnarkar, 2020-03-14 This book offers a broad overview of public attitudes to the death penalty in India. It examines in detail the progress made by international organizations worldwide in their efforts to abolish the death penalty and provides statistics from various countries that have already abolished it. The book focuses on four main aspects: the excessive cost and poor use of funds; wrongful executions of innocent people; the death penalty's failure as an efficient deterrent; and the alternative sentence of life imprisonment without parole. In closing, the book analyses the current debates on capital punishment around the globe and in the Indian context. Based on public opinion surveys, the book is essential reading for all those interested in India's government criminal justice system and policies on the death penalty and human rights.

Prison Law Mary Rogan, 2016-08-19 Prison litigation is becoming increasingly common in Ireland. Prison numbers are at an all-time high and conditions in many Irish prisons have been criticised by international and domestic human rights bodies such as the Irish Penal Reform Trust and the Inspector of Prisons, who have voiced concern about the lack of accountability for decisions taken by prison administrators on issues such as discipline, transfers and release. The rights of prisoners are a key focus of the book. These rights are examined in relation to prison conditions, contact with the outside world, discipline, remission, transfer and release. Prison Law analyses practical issues that prison law practitioners are likely to come up against, such as causes of action, evidential difficulties and time limits. Written from both a domestic and international perspective, the book sets out the position in Irish prisons of particular groups including women, children, foreign prisoners and those from an ethnic minority background, and identifies areas in which the treatment of prisoners gives rise to concerns under the Constitution or the European Convention on Human Rights. The most up-to-date book in this legal area, Prison Law also includes an appendix setting out the fully consolidated Prison Rules 2007/2013. This title is included in Bloomsbury Professional's Irish Criminal Law online service.

Anatomy of the Auschwitz Death Camp Yisrael

Gutman, Michael Berenbaum, 1998 An authoritative account of the operation of the Auschwitz death camp, a comprehensive work that is unlikely to be overtaken for many years. This learned volume is about as chilling as historiography gets. Walter Laqueur, *The New Republic*, a vital contribution to Holocaust studies and a bulwark against forgetting. Publishers Weekly: Rigorously documented, brilliantly written, organized and edited, the most authoritative book about a place of unsurpassed importance in human history. John K. Roth: Never before has knowledge concerning every aspect of Auschwitz been made available in such authority, depth and comprehensiveness. Richard L. Rubenstein: Leading scholars from the United States, Israel, Poland and other European countries provide the first comprehensive account of what took place at the Auschwitz death camp. Principal sections of the book address the institutional history of the camp, the technology and dimensions of the genocide carried out there, the profiles of the perpetrators and the lives of the inmates, underground resistance and escapes.

and what the outside world knew about Auschwitz and when Published in association with the United States Holocaust Memorial Museum Washington D C **The Ethics of Medical Involvement in Capital Punishment** Joseph B.R.

Gaie,2006-04-11 The morality of capital punishment has been debated for a long time This however has 1 not resulted in the settlement of the question either way Philosophers are still divided In this work I am not addressing the morality of capital punishment per se My question is different but related It is this Whether or not capital punishment is morally right is it moral or immoral for medical doctors to be involved in the practice To deal with this question I start off in Chapter One delineating the sort of involvement the medical associations consider to be morally problematic for medical doctors in capital punishment They make a distinction between what they call 2 medicalisation of and involvement in capital punishment and argue that there is a moral distinction between the two Whilst it is morally acceptable for doctors to be involved in capital punishment according to the medical associations it is immoral to medicalise the practice I clarify this position and show what moral issues arise I then suggest that there should not be a distinction between the two The medical associations argue that the medicalisation of capital punishment especially the use by medical doctors of lethal injection to execute condemned prisoners is immoral and therefore should be prohibited because it involves doctors in doing what is against the aims of medicine

Critical Approaches to Death, Dying and Bereavement Erica Borgstrom,Renske Visser,2024-10-03 This book is the first of its kind to examine key topics in death dying and bereavement through a critical lens highlighting how the understanding and experience of death can vary considerably based on social cultural historical political and medical contexts It looks at the complex ways in which death and dying are managed from the political level down to end of life care and the inequalities that surround and impact experiences of death dying and bereavement Readers are introduced to key theories such as the medicalisation of dying as well as contemporary issues such as social movements pandemics and assisted dying The book stresses how death is not only a biological process or event but rather shaped by a range of intersecting factors Issues of inequalities in health inequities in support and intersectional analyses are brought to the fore and each chapter is dedicated to an issue that has interdisciplinary resonance thus showcasing the wider sociocultural and political factors that impact this time of life This book is valuable reading for scholars in thanatology and death studies and for those in related fields such as sociology of health medical and social anthropology and interdisciplinary social science courses **The Death Marches**

Daniel Blatman,2011-01-03 Blatman writes about the end phase of the German concentration camp system when the Nazis realizing that they were losing the war were faced with the enormous problem of what to do with the people being held captive As these camps were being evacuated the collapse of the front in Poland and the advance of the Red Army generated frantic waves of flight and the evacuation of millions of civilians and soldiers The panicky retreat created conditions under which prisoners were murdered in horrific death marches Gas chambers in faraway camps were no longer in use and now the slaughters took place on the very doorsteps of ordinary German civilians homes and in the streets German and Austrian

towns Unknown numbers of ordinary civilians across the dissolving Reich fearing for the fate of their families and property participated in the lethal eruption of violence The book is divided into two sections The first part provides an detailed overview of the camp system and a thorough chronological treatment of the camp evacuations during the winter of 1944 45 and the spring of 1945 The second part is a case study of the atrocity in the German town of Gardelegen where over 1000 prisoners were murdered along with about 400 in the surrounding villages This event serves as a focused example of the breakdown of the evacuation plans at the end of the war

Department of Justice to Guantanamo Bay: From the Department of Justice to Guantanamo Bay : administration lawyers and administration interrogation rules : hearing before the Subcommittee on the Constitution, Civil Rights, and Civil Liberties of the Committee on the Judiciary, One Hundred Tenth Congress, second session United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Civil Liberties,2008

The Death Penalty as Cruel Treatment and Torture William Schabas,1996 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1890 edition Excerpt said Mr Fogg Well your honor replied the pilot I can risk neither my men nor myself nor yourself in so long a voyage on a boat of scarcely twenty tons at this time of the year Besides we would not arrive in time for it is sixteen hundred and fifty miles from Hong Kong to Yokohama Only sixteen hundred said Mr Fogg It is the same thing Fix took a good long breath But added the pilot there might perhaps be a means to arrange it otherwise Fix did not breathe any more How asked Phileas Fogg By going to Nagasaki the southern extremity of Japan eleven hundred miles or only to Shanghai eight Imndred miles from Hong Kong In this last journey we wold not be at any distance from the Chinese coast which v uld be a great advantage all the more so that the currents run to the north Pilot replied Phileas Fogg I must lake the American mail steamer at Yokohama and not at Shanghai or Nagasaki Why not replied the pilot The San Francisco stewnet does not start from Yokohama She stops there and at Nagasaki but her port of departure is Shanghai You are certain of what you are saying Certain And when does the steamer leave Shanghai On the llth atseven oclock in the evening We have then four days before us Four days that is ninety six hours and with an average of eight knots an hour if we have good luck if the wind keeps to the southeast if the sea is calm we can make the eight hundred miles which separate us from Shanghai And you can leave la an hour time enough to buy my provisions and hoist sail It is a bargain you are the master of the boat Yes John Bunsby master of the Tankadere Do you wish some earnest money If it does not inconvenience

Death and Institutions Kate Woodthorpe,Helen Frisby,Bethan Michael-Fox,2025-03-21 Institutions play a crucial role in shaping experiences of end of life care dying death body disposal and bereavement However there has been little holistic or multidisciplinary research in this area with studies typically focusing on individual settings such as hospitals and cemeteries or being confined to specific disciplines This interdisciplinary collection combines chapters on process place and the past to examine the relationships

both within and between institutions institutionalization and death in international contexts Of broad appeal to students and academics in areas including social policy health sciences sociology psychology anthropology cultural studies history and the wider humanities this collection spans multiple disciplines to offer crucial insights into the end of life body disposal bereavement and mourning

Violence against Prisoners of War in the First World War Heather Jones,2011-06-02 In this groundbreaking study Heather Jones provides the first in depth and comparative examination of violence against First World War prisoners She shows how the war radicalised captivity treatment in Britain France and Germany dramatically undermined international law protecting prisoners of war and led to new forms of forced prisoner labour and reprisals which fuelled wartime propaganda that was often based on accurate prisoner testimony This book reveals how during the conflict increasing numbers of captives were not sent to home front camps but retained in western front working units to labour directly for the British French and German armies in the German case by 1918 prisoners working for the German army endured widespread malnutrition and constant beatings Dr Jones examines the significance of these new violent trends and their later legacy arguing that the Great War marked a key turning point in the twentieth century evolution of the prison camp

The Barbaric Punishment Hans Göran Franck,Klas Nyman,2003-01-01 In this volume Swedish human rights activist and political figure Hans G ran Franck examines the administration of the death penalty from a historical perspective The author s opinions are based on his lifelong work and devotion to abolishing the barbaric punishment Building upon previously unpublished material and considerable detail drawn from Franck s personal experiences it focuses on both the progressive developments within European countries and institutions over several decades and the frustratingly retrograde situation that prevails in the United States The author dedicated this book to those facing a sentence of death During the course of his work the author traveled to numerous countries and met many condemned men and women Publication of this important volume which comes a few years after Hans G ran Franck s untimely passing coincides with a major development to which he contributed the adoption of Protocol No 13 to the European Convention on Human Rights which abolishes capital punishment in both wartime and peacetime William A Schabas a law professor who specializes in the subject of capital punishment has ensured that the manuscript is up to date and contributed the introductory chapter

Prisoner Of Death Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prisoner Of Death has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prisoner Of Death has opened up a world of possibilities. Downloading Prisoner Of Death provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prisoner Of Death has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prisoner Of Death. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prisoner Of Death. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prisoner Of Death, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prisoner Of Death has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prisoner Of Death Books

What is a Prisoner Of Death PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Prisoner Of Death PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Prisoner Of Death PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Prisoner Of Death PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Prisoner Of Death PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
