**Arnold Krammer**

## **Prisoner Of War Six Years In Hanoi:**

Prisoner of War John M. McGrath, 1975 A personal story told in both word and drawing Where words are not enough the excellent drawings communicate precisely how the tortures worked to produce pain in the captives **Six Years in the Hanoi Hilton** Amy Shively Hawk, 2017-03-13 With a foreword by Senator John McCain In 1967 U S Air Force fighter pilot James Shively was shot down over North Vietnam After ejecting from his F 105 Thunderchief aircraft he landed in a rice paddy and was captured by the North Vietnamese Army For the next six years Shively endured brutal treatment at the hands of the enemy in Hanoi prison camps Back home his girlfriend moved on and married another man Bound in iron stocks at the Hanoi Hilton unable to get home to his loved ones Shively contemplated suicide Yet somehow he found hope and the will to survive and he became determined to help his fellow POWs In a newspaper interview several years after his release Shively said I had the opportunity to be captured the opportunity to be interrogated the opportunity to be tortured and the experience of answering questions under torture It was an extremely humiliating experience I felt sorry for myself But I learned the hard way life isn't fair Life is only what you make of it Written by Shively's stepdaughter Amy Hawk whose mother Nancy ultimately reunited with and married Shively in a triumphant love story and based on extensive audio recordings and Shively's own journals Six Years in the Hanoi Hilton is a haunting riveting portrayal of life as an American prisoner of war trapped on the other side of the world Prisoners of War Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed

Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

**Prisoner of War Resistance** United States. Department of the Army,1981

**The Battle Behind Bars: Navy and Marine POWs in the Vietnam War** Stuart I. Rochester,2015-05-01 The unconventional nature of the war and the unforgiving environment of Southeast Asia inflicted special hardships on the Vietnam era POWs whether they spent captivity in the jungles of the South or the jails of the North This book describes their experiences the similarities and the differences and how the POWs coped with untreated wounds and other malaises systematic torture and boredom The creative strategies they devised to stay fit track time resist the enemy communicate with one another and adhere to a chain of command attest to the high standards of conduct in captivity that so distinguish the POWs of the Vietnam War

Voices of the Vietnam POWs Craig Howes,1993-09-30 Unsure whether they would be greeted as traitors or heroes POWs returning from Vietnam responded by holding tight to their chosen motto Return with Honor We re giving the American people what they want and badly need heroes said a Vietnam jungle POW I feel it s our responsibility our duty to help them where possible shed the idea this war was a waste useless as unpopular as it may have been In the first book to explore the entire range of memoirs biographies and group histories published since America s Vietnam POWs returned home Craig Howes explores the development of a collective history He describes how these captives drew upon their national heritage to compose a unified common story while still in prison and how individual POWs have responded to this Official Story Examining what racial cultural and political assumptions support this shared Official Story Howes places the POWs experiences squarely in the center of American history and within those larger clashes of opinion and belief which characterized the nation s response to the Vietnam War The result is an engrossing study of what these captivity narratives can tell us about the POWs their captors and America s Vietnam legacy

Information Bulletin ,1979

*Honor Bound* Stuart I. Rochester,Frederick T. Kiley,1998 Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the

physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject     **The Enemy in Our Hands** Robert C. Doyle,2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s **The Enemy in Our Hands** America s Treatment of Prisoners of War from the Revolution to the War on Terror draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners **The Enemy in Our Hands** offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged     Special Bibliography Series ,1957     Special Bibliography Series United States Air Force Academy. Library,2000     **Art of War** H. Avery Chenoweth,2002 Great world conflicts have produced not only great military heroes but also great artists who have documented the heroism and the bloody battles Spanning wars that have involved U S troops this gallery of outstanding works of art ranges from majestic land sea and airscapes portraying all the branches of the armed services to closeups of hand to hand combat The paintings are more expressive than photographs because they compress many experiences into a single view Charts and maps clarify particular scenes and first hand testimonies of the men and women who participated in the battles add an extra dimension The many oversize reproductions highlight some of the most moving paintings and illustrations ever created in the field of combat art most made available to the public for the first time A Selection of the Military Book Club     Why Vietnam Margaret Colbert Brown,2025-03-30 Explores the complex reasons behind the USA s involvement in Vietnam analyzing political social and military factors The reasons behind the USA s involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of

communism spreading throughout Southeast Asia Why Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era

**Voices from Captivity** Robert C. Doyle, 1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives

**Airman**, 1999 *The Many Faces of John Kerry* David N. Bossie, 2004-07-22 A hard hitting ruthlessly honest political biography of Sen John F Kerry that will expose the real views of and dig up all the dirt on the 2004 Democratic nominee for president In Prince Albert he dethroned Al Gore Now David N Bossie former chief investigator for Congress is going after John Kerry and giving every conscientious voter a chance to see the truth about this year's Democratic candidate Using his trademark in depth investigating Bossie gives readers the real scoop on the presidential challenger fully exposing Kerry's peculiar voting record early Naval discharge so he could protest the Vietnam War self contradictory positions on such vital issues as health care education and campaign finance and shady political dealings he'd rather voters not know about With an exclusive jailhouse interview with former Kerry finance chairman David Bossie has the insider's access and the hard nosed investigator's savvy to ferret out the truth and present it to readers in a gripping no nonsense style He lays bare Kerry's flip flops lies and duplicitous stances on the war in Iraq defense spending tax cuts Medicare and corporate greed and corruption finally unveiling all of Kerry's public and private faces

**Congressional Record** United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873

who returned from the Vietnam War after five six seven and even eight years of incarceration and mistreatment in the infamous Hanoi Hilton prison system Can you imagine many long years isolated from your country your family and especially your wife Imagine being locked up in cells with male combat veterans for 2 000 or more days Those hardships are what make these successful romance stories so special But they have never been told Upon our return home we stayed somewhat connected through military assignments but mostly through hanging out at our NamPOW reunions It was during those events that I heard more and more of the guys telling stories about how they met their wives and how great their marriages were Many of these stories were so amazing that even Hollywood screenwriters could not dream up or dare make up such incredible examples of romance love and marriage success How ironic that the POWs physical and mental suffering and years of separation actually helped them create great romance and lasting love You ll be swept up into some extraordinary tales such as Carole boldly gave her husband s POW MIA bracelet to John Wayne he wore it for years Pan Am stewardess Suzy wore a bracelet for POW Bill Bailey whom she did not know But she prayed for him daily and miraculously met and married him when he came home After eight years in prison one POW said to his wife in his first phone call upon his release Hi Jane It s Tarzan You will laugh and cry when you learn why Former POW Lee Ellis and love expert Greg Godek take you on a dramatic journey of faithfulness passion excitement resilience and practical love lessons from these couples **The Law of Armed Conflict** Gary D. Solis, 2016-04-18 This book introduces students to the essential questions of the law of armed conflict and international humanitarian law
