Opal's Journey Lionel Gambill, 2014-06-06 Refusing to give up their ancestral land and be driven into the newly established reservation several Nez Perce bands led by Chief Joseph White Bird and Looking Glass embarked on a fighting retreat covering four states Washington Idaho Wyoming and Montana with an attempt to reach safety in Canada Along the way the native warriors outwitted the U S Cavalry again and again but eventually surrendered some 40 miles from the Canadian border where Chief Joseph made his famous I will fight no more forever speech About 750 men women children and elderly set out on the march over 100 died in battles and extreme

hardship Based on historical facts mostly the story was told through the eyes of a fictitious nine year old white girl Opal who befriends the Nez Perce and goes through the war with them The oppression of the Native Americans was one of the darkest pages in the U S history yet the spirit of these proud people could never be destroyed even in the face of death and exile and material impoverishment Also the spirit of reconciliation prevailed as the peacemaker Chief Joseph eloquently summed up Whenever the white man treats the Indians as they treat each other then we shall have no more wars We shall be all alike brothers of one father and one mother with one sky above us and one country around us and one government for us all Then the Great Spirit Chief who rules above will smile upon this land and send rain to wash out the bloody spots made by brothers hands upon the face of the earth For this time Indian race is waiting and praying I hope that no more groans of wounded men and women will ever go to the ear of the Great Spirit Chief above and that all people may be one people The Keys to the Temple Penny Billington,Ian Rees,2022-04-21 How to use the brilliant insights from Dion Fortune s occult novels to master the art of the embodied imagination discover your vitality and open up to the clarity and love that arise from the root of your being Dion Fortune s esoteric novels were written as guides to magic and inner development to be used along with her great nonfiction work The Mystical Qabalah This book shows how to work with her most popular fictions exploring how the stories and characters can help you integrate the secrets of the Tree of Life and discover what Fortune called the keys to the temple The book contains an exploration of Fortune s writings experiential practices and a hands on workbook section you will learn to utilize the wealth of esoteric wisdom found in The Mystical Qabalah The Goat Foot God The Sea Priestess The Winged Bull and Moon Magic This wonderful evocation of Dion Fortune s esoteric novels offers initiatory and practical pathways to the neophyte and reader Caitlin John Matthews authors of The Lost Book of the Grail **The Publisher and Bookseller** ,1929 Official organ of the book trade of the United Kingdom Twelve Englishmen of Mystery Earl F.
