Francis T. Cullen, Mary K. Stohr

Prisons Across America Pb 2003:

American Prisons and Jails Vidisha Barua Worley, Robert M. Worley, 2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections

The American Prison Francis T. Cullen, Mary K. Stohr, 2014 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders The American Prison Imagining a Different Future by Francis T Cullen Cheryl Lero Johnson and Mary K Stohr pulls together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay

American Corrections Matt DeLisi, Peter John Conis, 2013

Introduction to Corrections Robert D. Hanser, 2012-10-18 Introduction to Corrections provides students with an understanding of basic concepts in the field of corrections The book offers comprehensive coverage of both institutional and community corrections with particular emphasis on the perspective of the practitioner Students taking corrections classes often have wild misconceptions about prison work and the corrections environment misconceptions typically derived from movies and the news and even current textbooks In this new text Robert Hanser uses his own on the ground experience to colorfully explain how the corrections system actually works and what it is like to be a part of it A practitioner scholar and experienced teacher whose research has focused on gangs domestic violence and corrections Hanser introduces students to the correctional worker's complex world of sub cultural norms the impact of prisoner classification and assessment and both the theory and legal elements affecting corrections systems today

Our

Punitive Society Randall G. Shelden, 2009-12-30 This brand new text identifies the macroeconomic forces relevant to imprisonment poverty and political powerlessness and explores viable and humane alternatives to our current incarceration binge

Conis, 2018-03-15 Beginning with sentencing and offender classification and proceeding to parole and reentry American Corrections Theory Research Policy and Practice Third Edition walks students through the entire correctional system and its processes and is the easy choice for undergraduate corrections courses Important Notice The digital edition of this book is missing some of the images or content found in the physical edition

Corrections Mary K. Stohr, Anthony Walsh, 2019-12-10 Written by two academic scholars and former practitioners Corrections From Research to Policy to Practice Second Edition offers students a 21st century look into the treatment and rehabilitative themes that drive modern day corrections Authors Mary K Stohr and Anthony Walsh expertly weave together research policy and practice to give readers a foundational understanding of the field of corrections Readers will gain a comprehensive and practical understanding of corrections as well as exposure to often overlooked topics including correctional programming and treatment special problem solving courts and comparative corrections

Essentials of Corrections G. Larry Mays, L. Thomas Winfree, Jr., 2013-11-19 The fifth edition of this leading essentials textbook on corrections has been fully revised and updated to include new international comparative data and a fresh chapter on prison inmates with special needs Unrivalled in scope it offers undergraduates a concise but comprehensive introduction to the subject Includes textual materials and assignments formulated to encourage students critical thinking skills Chapters feature text boxes on key points of correctional theory and on international correctional practice Presented in full color throughout including extensive photos and graphics Includes stand alone chapters on careers in corrections gender and ethnicity issues and likely future developments in corrections Features invaluable historical context on the evolution of correctional theory and practice Offers a new comprehensive online Student Study Guide and thoroughly updated and expanded ancillary materials

Corrections: The Essentials Mary K. Stohr, Anthony Walsh, 2011-10-20 Corrections The Essentials is a comprehensive yet compact version of the typical corrections text The text addresses the most important topics in corrections in a shorter format while allowing for more accessibility through cost It includes the usual topics typically found in corrections textbooks from the history and development of correctional institutions to the future of corrections The book is designed for introductory lower and upper division corrections classes or as a supplement to other corrections classes at the undergraduate or graduate level

Routledge Handbook on American Prisons Laurie A. Gould, John J. Brent, 2020-11-01 The Routledge Handbook on American Prisons is an authoritative volume that provides an overview of the state of U S prisons and synthesizes the research on the many facets of the prison system The United States is exceptional in its use of incarceration as punishment It not only has the largest prison population in the world but also the highest per capita incarceration rate Research and debate about mass incarceration continues to grow with mounting

bipartisan agreement on the need for criminal justice reform Divided into four sections Prisons Security Operations and Administration Types of Offenders and Populations Living and Dying in Prison and Release Reentry and Reform the volume explores the key issues fundamental to understanding the U S prison system including the characteristics of facilities inmate risk assessment and classification prison administration and employment for profit prisons special populations overcrowding prison health care prison violence the special circumstances of death row prisoners collateral consequences of incarceration prison programming and parole The final section examines reform efforts and ideas and offers suggestions for future research and attention With contributions from leading correctional scholars this book is a valuable resource for scholars with an interest in U S prisons and the issues surrounding them It is structured to serve scholars and graduate students studying corrections penology institutional corrections and other related topics

Crime and Criminal Justice in America Joycelyn Pollock, 2017-02-17 Crime and Criminal Justice in America Third Edition addresses the major controversial issues in U S policing courts and the correctional system This book features unique graphics and contemporary data and research developed by Joycelyn Pollock criminologist and University Distinguished Professor of Criminal Justice Texas State University The text's question and answer model promotes a critical thinking process for students new to criminal justice encouraging student engagement and the application of learned skills through end of chapter exercises Timely comprehensive and visually stimulating Crime and Criminal Justice in America Third Edition is the go to text for introductory criminal justice students and educators

A Brief Introduction to Corrections Robert D. Hanser, 2019-11-30 A Brief Introduction to Corrections is a condensed version of the best selling Introduction to Corrections by Robert D Hanser This new text provides students with an overview of corrections that is both practitioner driven and grounded in modern research Experienced correctional practitioner and scholar Robert D Hanser shows readers how the corrections system actually works from classification to security and treatment to demonstrating how and why correctional practices are implemented

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways

of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment **Embedding Human Rights in**

Prison Anastasia Karamalidou,2017-04-06 This is a comparative study of prisoners human rights in England Wales and the Netherlands Over the years changes in Dutch penal policy have smoothed to some degree the sharp contrasting differences that were once characteristic of the English and the Dutch prison systems In this context the study documents the impact of the two countries penal policies on prisoners human rights and presents prisoners views on the human rights contribution to prison life and prisoner treatment English and Dutch prisoners treat human rights recognition and protection as the yardstick of the prison s legitimacy in contemporary democracies Drawing on their respective experiences Karamalidou highlights valuable lessons on what practices to adopt and what practices to cease with a view to embedding human rights in prison A compassionate and thought provoking study this book will be of interest to undergraduate and postgraduate students of penology and human rights Key Issues in Corrections

Jeffrey Ian Ross,2016-09-28 Key Issues in Corrections is an engaging textbook critically analyzing the most important challenges affecting the correctional system in the USA Written by a highly respected expert in the field and building on his best selling book Special problems in corrections it examines long standing and emerging issues grounding the discussion in empirical research and current events Updates to this edition include Integrating new scholarship lawsuits and the use of technology The introduction and evaluation of new policies and practices New sections on The Privatization of Prisons and The Death Penalty Primarily written for undergraduate students who have already had an introduction to the topic the book offers a no nonsense approach to explaining the problems of correctional officers correctional managers prisoners and the public *The Cambridge Handbook of Forensic Psychology*

Jennifer M. Brown,Miranda A. H. Horvath,2021-12-09 In the decade since the publication of the first edition of The Cambridge Handbook of Forensic Psychology the field has expanded into areas such as social work and education while maintaining the interest of criminal justice researchers and policy makers This new edition provides cutting edge and comprehensive coverage of the key theoretical perspectives assessment methods and interventions in forensic psychology The chapters address substantive topics such as acquisitive crime domestic violence mass murder and sexual violence while also exploring emerging areas of research such as the expansion of cybercrime particularly child sexual exploitation as well as aspects of terrorism and radicalisation Reflecting the global reach of forensic psychology and its wide range of perspectives the international team of contributors emphasise diversity and cross reference between adults adolescents and children to deliver a contemporary picture of the discipline Health and Corrections

Lior Gideon,2025-08-01 Putting forward a new approach to the study of corrections this book draws together public health and corrections and explores the

importance of this nexus Presenting a theoretical overview of relevant sociological and public health theories the book introduces basic concepts terminology analytical frameworks and theories covering major issues in the domain of public health public safety and criminal justice Addressing incarcerated population health needs in correctional setting it provides an accessible and panoramic overview of the policy impact of laws on the health of incarcerated individuals In doing so the book investigates a variety of topics including preincarceration and prison generated trauma chronic health issues contagious infectious diseases and aging in the system The focus is on four special needs populations 1 women s health 2 mental illness among inmates 3 elderly and geriatric inmates and 4 substance abusing inmates Giving an organizational perspective to the topic of health and corrections the book also considers violence public health in the community access to health services by marginalized individuals and why it matters to discuss health in prisons the living conditions in prison health management and the health and well being of those engaged with incarcerated individuals Health and Corrections aims to generate an important discussion on the nexus of health and justice and will be a valuable resource for students researchers and instructors as well as for professionals in the field of corrections criminal justice and public health and safety

Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent Benda, Nathaniel J. Pallone, 2013-04-03 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in

creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals **Handbook on Moving Corrections and Sentencing Forward** Pamela K. Lattimore, Beth M. Huebner, Faye S. Taxman, 2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking

The Wiley International Handbook of Correctional Psychology Devon L. L. Polaschek, Andrew Day, Clive R. Hollin, 2019-02-08 A two volume handbook that explores the theories and practice of correctional psychology With contributions from an international panel of experts in the field The Wiley International Handbook of Correctional Psychology offers a comprehensive and up to date review of the most relevant topics concerning the practice of psychology in correctional systems The contributors explore the theoretical professional and practical issues that are pertinent to correctional psychologists and other professionals in relevant fields The Handbook explores the foundations of correctional psychology and contains information on the history of the profession the roles of psychology in a correctional setting and examines the implementation and evaluation of various interventions It also covers a range of topics including psychological assessment in prisons specific treatments and modalities as well as community interventions This important handbook Offers

the most comprehensive coverage on the topic of correctional psychology Contains contributions from leading experts from New Zealand Australia Europe and North America Includes information on interventions and assessments in both community and imprisonment settings Presents chapters that explore contemporary issues and recent developments in the field Written for correctional psychologists academics and students in correctional psychology and members of allied professional disciplines The Wiley International Handbook of Correctional Psychology provides in depth coverage of the most important elements of the field
