Private Mansions:

From Mansions to Suburbia the Massapeguas 1945-1985 George Kirchmann, 2019-01-21 This book describes how the Massapeguas changed from a sparsely settled locale with old mansions east of New York City into a heavily populated suburb in the forty years after World War II. As such it represents a microcosm of the enormous social changes that took place across the United States after the war resulting in a new lifestyle called suburban living.

Cottages and Mansions of the Jersey Shore Caroline Seeböhm, 2007 In this delightful collection of personal accounts, historical anecdotes, and gorgeous photographs, Seeböhm and Cook cast a fresh eye on the array of quaint cottages, quirky bungalows, and splendid mansions that generations have chosen as their summer homes.

Lost Mansions of Mississippi, Volume II Mary Carol Miller, 2010-09-14 As preservationist Mary Carol Miller talked with Mississippians about her books on lost mansions and landmarks, enthusiasts brought her more stories of great architecture ravaged by time. The twenty-seven houses included in her new book are among the most memorable of Mississippi's vanished antebellum and Victorian mansions. The list ranges from the oldest house in the Natchez region lost in a 1966 fire to a Reconstruction era home that found new life as a school for freed slaves. From two Gulf Coast landmarks both lost to Hurricane Katrina to the mysteriously misplaced facades of Hernando's White House and Columbus's Flynnwood, these homes mark high points in the broad sweep of Mississippi history and the state's architectural legacy. Miller tells the stories of these homes through accounts from the families who built and maintained them. These structures run the stylistic gamut from Greek revival to Second Empire, and their owners include everyone from Revolutionary era soldiers to governors and scoundrels.

Governors' Mansions of the Midwest Ann Liberman, 2003 *Governors' Mansions of the Midwest* explores the history of 12 prominent mansions in the Midwest. Liberman focuses on architectural history from the houses' construction to various alterations made by later occupants to renovations of recent years.

Gilded Mansions Wayne Craven, 2009 The Gilded Age, 1865-1918, saw the sudden rise of America's first High Society, including such prominent families as the Astors, Whitneys, and Vanderbilts. As an aristocracy based on fortunes recently acquired, these families endeavored to live like Europe's blue-blooded nobility, shedding Puritan restraint as they joyously flaunted their new wealth, especially where their homes were concerned. They erected French chateaus and Italian palazzos on New York's Fifth Avenue, at Newport, and elsewhere, often taking inspiration from Parisian styles of the Second Empire. They rejected more modest American styles just as they rejected middle-class society, and for interior decoration they turned to such artisans as Tiffany, Herter, Brothers, and Allard's of Paris. Immensely readable and illuminated with 250 stunning color and black and white illustrations, this is the fascinating story of America's first millionaire society: the way they lived and partied and the lush artistic and cultural legacy they established.

Mansions of Denver James Bretz, 2005 In James Bretz's *Mansions of Denver*, the charm and history of Denver's architectural past is carefully and beautifully drawn. His book provides readers with insight into the city's youth. But it is also a lament, an homage to a time when architectural

originality prevailed **Luxury Apartment Houses of Manhattan** Andrew Alpern,1992-01-01 Lavishly illustrated volume provides detailed mini histories of the Gramercy Ansonia Hotel des Artistes Joseph Pulitzer s palatial residence and many other luxurious lodgings 175 illustrations many from private sources depict interiors and exteriors Introduction Index

Miller's New York as it is Anonymous,2023-05-11 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The British and**
